## SYNOPSIS

This amendment allows a sentence of community service to be assigned instead of a fine for an equivalent value of work based on the Delaware minimum wage. It also requires the Department of Transportation to update the Driver's Manual within a year of enactment of this Act and encourages other organizations to raise awareness of a driver's duties under this section. It also makes adjustments to the fines established in this Act. It also clarifies that a person must reduce the speed of their vehicle to at least 20 miles per hour less than the posted speed limit when approaching a stationary vehicle, when the speed limit is 50 miles per hour or above.
