DELAWARE STATE SENATE  
152nd GENERAL ASSEMBLY

SENATE SUBSTITUTE NO. 1  
FOR  
SENATE BILL NO. 1

AN ACT TO AMEND TITLE 25 OF THE DELAWARE CODE RELATING TO THE RESIDENTIAL LANDLORD-  
TENANT CODE.

1 WHEREAS, before the COVID-19 pandemic, approximately 18,000 eviction cases were filed each year in this  
2 State which has only 101,000 rental households; and

3 WHEREAS, evictions create significant costs for state and local government related to shelter funding, education  
4 funding, health care provided in hospitals instead of community-based providers, transportation costs for homeless youth,  
5 and foster care; and

6 WHEREAS, the Delaware Access to Justice Commission has found that “Legal aid organizations have the  
7 resources to serve the civil legal needs of only one-eighth of Delaware’s low-income population, leaving a large justice  
8 gap”; and

9 WHEREAS, numerous studies from around the country have shown that many tenants have defenses to the  
10 eviction that they are not able to assert, either at all or successfully, without the assistance of representation; and

11 WHEREAS, evictions have a disparate impact on Black and Latinx households in this State; and

12 WHEREAS, the General Assembly seeks to end the disparate impact of evictions based on race and gender; and

13 WHEREAS, evictions have significant, well-documented, and long-lasting effects on the lives of individuals and  
14 families, including poorer physical and mental health, increased risk of homelessness, increased risk of employment loss,  
15 loss of personal property, damage to credit standing, and relocation into substandard housing; and

16 WHEREAS, evictions, and the subsequent housing instability and displacement, damage the lives of children by  
17 negatively impacting their mental and physical health, decreasing school attendance rates, impeding academic performance,  
18 increasing instances of school discipline, and increasing the likelihood of out of home placement; and

19 WHEREAS, providing a right to representation to tenants in eviction cases is a proven means of significantly  
20 reducing the disruptive displacement of families and the resulting social, economic, and public health costs of such  
21 displacement; and

22 WHEREAS, tenants must be able to invoke and enforce the right to legal representation in any eviction-related  
23 proceeding to provide for equal access to justice and the courts; and

24 WHEREAS, the General Assembly declares that tenants facing an eviction from their home have a right to legal  
25 representation in eviction proceedings and related matters, and that the State should provide this legal representation to  
26 tenants to assist in the fair administration of justice.

27 NOW, THEREFORE:

28 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

29 Section 1. Amend Part III, Title 25 of the Delaware Code by making deletions as shown by strike through and  
30 insertions as shown by underline as follows:

31 Chapter 56. Right to Legal Representation in Evictions and Other Landlord-Tenant Actions.

44 to provide legal representation to covered individuals.

49                   2. Representation of covered individuals by non-attorneys, if the Rules of the Delaware Supreme

51                   § 5602. Right to legal representation.

52                   (a)(1)a. Except as provided under paragraph (a)(2) of this section, a tenant has the right to legal representation as  
53                   provided under this chapter if the tenant's household income over the immediately preceding 12 months is not greater than  
54                   200% of the federal poverty guidelines, as established and updated periodically by the United States Department of Health  
55                   and Human Services.

56                   b. For the purpose of determining household income, a co-signor of a rental agreement and all members  
57                   of the co-signor's family who reside with the co-signor are included in the household income calculation if the  
58                   tenant is a full-time student, as designated by the institution in which the tenant is enrolled.

59                   (2) A tenant is not eligible to receive legal representation from a designated organization if any of the  
60                   following apply:

61                   a. The tenant's landlord has an ownership interest in 3 or fewer rental units and is not represented by an  
62                   attorney or an agent authorized by a rule of the Delaware Supreme Court.

63                   b. A designated organization determines that there is a conflict of interest.

64                   c. A designated organization declines representation for one or more of the following reasons:

65                   1. A tenant does not comply with the application or representation process.

66                   2. Rules of professional conduct warrant withdrawal.

67                   3. An attorney deems the tenant's defense or appeal to lack merit.

68                   d. Other circumstances exist which make legal representation infeasible to render.

69                   (b) A covered individual is entitled to receive legal representation from a designated organization in a covered  
70                   proceeding and as soon as practicable after any of the following:

71                   (1) A landlord provides a notice to the tenant as follows:

72                   a. Under § 5502 of this title that rent is past due.

73                   b. Under § 5513 of this title that the tenant has violated a material provision of the rental agreement.

74                   c. Under § 5106 of this title that the rental agreement is terminated, if the rental agreement is one that  
75                   may only be terminated for good cause or a material violation by the tenant.

76                   (2) The initiation of a covered proceeding.

77                   (3) The covered individual has been notified that the covered individual's housing subsidy has been  
78                   terminated.

80           relationship on behalf of a covered individual should be initiated.

82           individual's first scheduled appearance in a covered proceeding.

83           (d) In a case involving rental arrears, a covered individual shall immediately be referred by the covered  
84           individual's legal representative to the Delaware Housing Assistance Program, or any successor rental assistance program,  
85           and shall receive assistance in applying for and obtaining housing assistance as part of the individual's legal representation.

86           (e) The rights in this section are subject to, and qualified by, the availability of legal representation under § 5604  
87           of this title and the implementation period under § 5607 of this title. An individual does not have a cause of action against  
88           the Coordinator or designated organization based on the unavailability of legal representation.

89           § 5603. Right to Representation Coordinator duties.

90           (a) The Coordinator shall manage the contracts awarded by the Attorney General under § 5604 of this title.

91           (b) The Coordinator shall conduct outreach, engagement, and education events and activities regarding the rights  
92           in this chapter and may enter into contracts or issue grants to fulfill the Coordinator's duty under this section. Subject to the  
93           availability of appropriate funding, the education events and activities must include all of the following:

101           (a) The Attorney General, within the limits of an appropriation from the General Assembly, shall designate and  
102           contract with one or more designated organizations to provide the services required under this chapter and shall provide  
103           each designated organization contracted with under this chapter with fair and just compensation to allow each designated  
104           organization to provide an organizational structure with appropriate supervision, caseloads, and oversight of staff and  
105           service delivery to promote high quality legal representation and legal work.

106           (b) The Attorney General may adopt rules and regulations to implement this chapter.

107           § 5605. Annual report.

(a) Not later than August 31 of each year, each designated organization shall report to the Coordinator information on services provided in conformity with requirements developed by the Coordinator.

(b) Not later than November 30 of each year, the Coordinator shall prepare a report, which must be approved by the Attorney General and include information from the prior fiscal year regarding all of the following:

(1) After [the effective date of Section 1 of this Act], on signing a written rental agreement or entering into a rental agreement that is oral.

(2) On the first renewal or modification of a rental agreement occurring after [the effective date of Section 1 of this Act].

(3) When the landlord provides any of the notices under § 5602(b)(1) of this title.

(4) When a tenant receives notice of the termination of a housing subsidy.

§ 5607. Implementation.

(a) The Coordinator shall phase in, over a period of time not to exceed 3 years from [the effective date of Section 1 of this Act], in a manner that the Coordinator determines appropriate, the legal representation required to be provided under § 5602 of this title.

(b) The Coordinator shall consider all of the following in determining how services are prioritized during the implementation period:

(1) Prioritizing households that include a child or pregnant woman.

Section 2. Amend Chapter 57, Title 25 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

§ 5702A. Residential eviction diversion program.

(a)(1) Not later than 270 days after [the effective date of Section 2 of this Act], the Justice of the Peace Court or the Court's designee shall establish a residential eviction diversion program to facilitate post-filing eviction dispute resolution between landlords and tenants, which must include all of the following:

a. An initial mediation conference between a landlord and tenant to facilitate an agreement for asserted rental agreement violations or non-payment of rent.

b. A designated United States Housing and Urban Development certified housing counselor or other representative approved by the Justice of the Peace Court or the Court's designee for the tenant that does all of the following:

1. Participates in the initial mediation conference.

2. Engages with the tenant before the initial mediation conference to educate and discuss available resources.

c. Any other dispute resolution methods established under the residential eviction diversion program.

(2) The Justice of the Peace Court or the Court's designee may limit or otherwise modify the scope of services provided by the residential eviction diversion program to ensure that the cost of the program does not exceed the funding allocated to the program and to ensure that the number of staff required to run the program does not exceed the number of staff available.

168           (b) In designing and implementing the residential eviction diversion program, the Justice of the Peace Court or the  
169           Court's designee may be guided by the Residential Mortgage Foreclosure Mediation Program established by the Superior  
170           Court under Superior Court Administrative Directive 2013-2 and any subsequent changes made by Superior Court.

171           (c)(1) Except as provided under paragraph (c)(2) of this section, after a landlord has filed an action for possession  
172           under this chapter, the case is to be scheduled for mediation. Mediation is to be scheduled during the period between filing  
173           and trial. A trial may not commence until the landlord has engaged in mediation, except in cases where a tenant fails to  
174           engage in mediation within 15 calendar days after service of process. A tenant's failure to engage in mediation may not  
175           delay the scheduling or commencement of trial.

176           (2) A landlord may not be required to participate in the residential eviction diversion program in a proceeding  
177           under §§ 5115, 5513(b), or 5513(c) of this title, or where the landlord alleges and by substantial evidence demonstrates  
178           to the Court that a tenant has caused or threatens to cause substantial or irreparable harm to landlord's or other tenant's  
179           person or property.

180           Section 3. If any provision of this Act or the application of this Act to any person or circumstance is held invalid,  
181           the provisions of this Act are severable if the invalidity does not affect the other provisions of this Act that can be given  
182           effect without the invalid provision or the application of this Act that can be given effect without the invalid application.

183           Section 4. Sections 1 and 6 of this Act take effect 120 days after its enactment into law.

184           Section 5. Section 2 of this Act takes effect on the date of publication in the Register of Regulations of a notice by  
185           the Controller General that funds are appropriated to implement Section 2 of this Act. The Controller General shall provide  
186           notice to the Registrar of Regulations that the funds were appropriated. Until Section 2 of this Act takes effect, the Justice  
187           of the Peace Court shall adapt its Online Dispute Resolution program to function as a mandatory mediation process to  
188           facilitate post-filing eviction dispute resolution between landlords and tenants.

189           Section 6. The Right to Representation Coordinator shall provide the General Assembly with a copy of the first  
190           annual report due under § 5605 of Title 25 of the Delaware Code to determine if additional funding is needed to address the  
191           fiscal impact of this Act on the Justice of the Peace Court.

#### SYNOPSIS

          This Act is a substitute for Senate Bill No. 1. Like Senate Bill No. 1, this Act creates a right to representation for tenants in evictions and other landlord-tenant actions.

          The disruptive displacement that accompanies eviction proceedings creates significant costs for state and local government related to shelter funding, education funding, health care provided in hospitals instead of community-based providers, transportation costs for homeless youth, and foster care. Evictions and disruptive displacement also have significant, well-documented, and long-lasting effects on the lives of individuals and families, including poorer physical and mental health, increased risk of homelessness, increased risk of employment loss, loss of personal property, damage to

credit standing, and relocation into substandard housing. Further, evictions fall disproportionately on Black and Latinx families, who have also been the hardest hit by the COVID-19 crisis.

Section 1 of this Act establishes a right to representation for evictions and other landlord-tenant actions for covered individuals with household incomes below 200% of the federal poverty guidelines. The Attorney General shall contract with legal services providers for the provision of representation in proceedings covered by this Act. The Right to Representation Coordinator will manage the contracts and work with community organizations to do outreach and education regarding the right to representation. Section 1 of this Act requires landlords to provide notice of the right to representation at periodic designated intervals in the tenancy and in eviction proceedings.

Section 2 of this Act authorizes the creation of a residential eviction diversion program modeled after the Superior Court's Residential Mortgage Foreclosure Mediation Program.

Section 3 of this Act is a severability clause.

Section 4 of this Act makes Sections 1 and 6 effective 120 days after the Act's enactment.

Section 5 of this Act makes Section 2 of this Act contingent on funding.

Section 6 requires the Coordinator to provide the General Assembly with a copy of the first annual report required under § 5605 of Title 25, as contained in this Act, to determine if additional funding is needed to address the fiscal impact of the Act on the Justice of the Peace Court.

This Act differs from Senate Bill No. 1 as it does all of the following:

(1) Removes a judicial or administrative proceeding to remedy a violation of law related to security deposit from the list of proceedings included in a covered proceeding.

(2) Replaces "covered individual" with "tenant" in the provision determining a tenant's eligibility to be a covered individual.

(3) Makes clear that a covered individual's household income is to be determined over the immediately preceding 12 months.

(4) Makes clear how to determine household income for a full-time student.

(5) Tabulates the list of notices provided by a landlord that trigger a covered individual's receipt of legal representation and further clarifies the notice related to termination of a rental agreement.

(6) Provides that a designated organization may decline representation if an attorney deems the covered individual's defense to lack merit, in addition to a determination by the attorney that an appeal lacks merit.

(7) Provides that a covered individual is entitled to receive legal representation as soon as practicable after the initiation of a covered proceeding, rather than just an eviction proceeding.

(8) Removes the requirement that a court, at a covered individual's first appearance in a covered proceeding, provide a covered individual with notice of the individual's right to, and the availability of, legal representation under this Act. This notice is intended to be provided earlier by the Right to Representation Coordinator ("Coordinator").

(9) Requires that events planned for, and information distributed to, tenants also be made available to landlords and property managers.

(10) Requires that the Coordinator include a full accounting of their expenditures as part of the required annual report.

(11) Provides that the Coordinator is to prepare information explaining legal representation available to tenants, provides that the information is known as "informational materials", requires the Coordinator to prepare the informational materials in English, Spanish, and Haitian Creole, and clarifies the events that require the informational materials to be provided to a tenant.

(12) Clarifies the date from which actions are to be taken by the Coordinator and the Justice of the Peace Courts.

(13) Makes clear that the provision of legal representation to a covered individual under Section 1 of this Act is not intended to be the sole basis for a continuance of a covered proceeding scheduled before the effective date of Section 1 of this Act for a hearing on or after the effective date of Section 1 of this Act.

(14) Provides that the residential eviction diversion program includes an initial mediation conference rather than a conciliation conference.

(15) Makes technical corrections, including to use the defined term "rental agreement" instead of "lease" and to insert "Delaware" before "Supreme Court" for clarity.
