#### SYNOPSIS

This bill provides Statewide consistency in the law that protects the public from dangerous dogs and clarifies that dogs may not be held potentially dangerous or dangerous for animal control enforcement or for purposes of criminal

liability based solely on breed-specific criteria. Findings to deem a dog dangerous will be based on actions of the dog, or an individualized demonstration of vicious behavior. It also prohibits municipalities from enacting breed-specific ordinances or regulations. The bill deletes outdated references to the now-defunct Dog Control Panel and replaces them with reference to the Justice of the Peace Court procedure laid out in Chapter 30F of Title 16.
