SYNOPSIS

In the 148th General Assembly, the state employees' pension law was amended by House Bill No. 363, as amended by House Amendment No. 1 to House Bill No. 363, to permit specified peace officers to retire at 25 years without any reduction. Specified peace officers will pay a higher employee contribution, and those who continue to work past 25 years of service will have the multiplier used in the calculation of benefits increased for the years past 25 years. This Act adds Delaware State University Police officers to the definition of "specified peace officers."
