SYNOPSIS

This Act requires an owner/landlord to accept rental payments from a manufactured home owner/tenant and makes the failure to accept a rental payment a retaliatory act. This Act adopts a provision of the Delaware Residential Landlord-Tenant Code that requires an owner/landlord to provide a receipt for a cash payment of rent and to maintain records of cash payments for 3 years.

This Act also makes technical corrections to conform existing law to the standards of the Delaware Legislative Drafting Manual.
