SYNOPSIS

This amendment brings into conformity the provisions of Title 21 with those of Title 14 relating to the revocation of a student's driving privileges when he or she is expelled from a public school. Prior amendments to Title 14, Section 4130 and Title 21, Section 2707 removed the requirement that the Secretary of the Department of Motor Vehicles revoke a student's driving privileges upon notice from the superintendent of a public school that the student had been expelled. This amendment accomplishes the intent of those prior amendments by removing surplus language in the parallel section of Title 21.
