15 hereinafter provided. The Commissioners shall have the right to grant or refuse, and to charge fees for
16 licenses, and other businesses of any description within the limits of the Town, to control their use of any
17 property within the Town. The Commissioners shall also have the power to levy and collect franchise fees.

18 The Town Commission shall have the power to levy and collect taxes on the transfer of ownership
19 of any real property within the limits of the Town, except that which is not taxable by virtue of any law of
20 the State of Delaware.

21 The Town Commission shall have the power by ordinance to allow discounts for early payment of
22 taxes and for property owners aged 65 or older and to impose reasonable penalties and forfeitures for tax
23 delinquencies. Nothing in this Charter shall be interpreted as giving the Commissioners the power to
24 exempt from taxation any property, except property owned by the Town, County of Sussex, State of
25 Delaware, or the United States.

26 The Town Commission shall have the power to fix the rates for general utility services operated
27 by the Town and to collect and utilized revenues from such utility services for the benefit of the Town.

28 Section 705. Special Assessments.

1 The Town Commission is empowered to levy a special assessment against any or all real property
2 situated within the corporate limits of the Town, when determined by the Commission to provide a
3 necessary public work improvement or municipal service. Such assessments shall be duly collected, the
4 proceeds of which shall be applied for the payment of the cost of such work, improvement, or service,
5 provided, however, that if such assessment shall apply to all properties within the Town, it shall be
6 approved by majority vote of the Town voters in a special election. If such assessment shall apply to only a
7 portion of property situated within the corporate limits of the Town, the assessment shall be approved by a
8 majority of the Town voters in the affected area in a special election.

9 Section 706. Borrowing Powers.

10 706.1 Short-Term Borrowing, Voter Approval not Required. The Town Commission shall

12 and without regard to the provisions of Section 706.2 of this Charter, such principal sum or sums not
13 exceeding in the aggregate ten thousand dollars (\$10,000.00), for general purposes only when, in the
14 opinion of the majority of the Town Commission, the needs of the Town require it; provided, however, that
15 any new borrowing under this Section made after the effective date of this act shall, by their terms, be
16 repayable in full within five (5) years of the date of each such borrowing. Any sum or sums so borrowed
17 shall be secured by a promissory note or notes or other evidence of indebtedness of the Town Commission
18 duly authorized by resolution of the Town Commission and signed by the President and attested by the
19 Clerk of the Town with the Town Seal affixed. No Town Commissioner shall be liable for the payment of
20 any such note or any other evidence of indebtedness because it is signed by such Town Commissioner,
21 provided that such signature be authorized by resolution of the Town Commission. Such notes or
22 evidences of indebtedness and the interest thereon shall be exempt from all taxation by the State of
23 Delaware, its agencies and political subdivisions. Any sum(s) of money borrowed on the full faith and
24 credit of the Town shall be repaid from the general funds of the Town. At not time shall the amount of
25 outstanding principal from any such borrowing or borrowings under this Section exceed the sum of ten
26 thousand dollars (\$10,000.00).

27 706.2 Long-Term Borrowing, Voter Approval Required. In addition to other borrowing powers
28 granted to the Town under this Charter or by State law, the Town Commission shall have authority to

1 borrow money for any proper municipal purpose through the issuance of bonds or other evidence of
2 indebtedness to secure the repayment thereof, on the full faith and credit of the Town, or such other
3 security or securities as the Town Commission shall elect, for the payment of principal thereof and interest
4 due thereon.

5 706.2.1 Proper Municipal Purpose. By way of illustration and not in limitation, “any proper
6 municipal purpose” includes, but is not limited to:

7 a. refunding any or all outstanding bonds or other indebtedness of the Town at the
8 maturity thereof or in accordance with any callable feature or provision contained therein;

9 b. erecting, extending, enlarging, maintaining or repairing any plant, building

20 for or authorized or implied by the provisions of this Charter; and

21 f. paying all expenses deemed necessary by the Town Commission for the
22 issuance of said bonds or other evidence of indebtedness, including bond discount and legal expenses of
23 bond counsel.

24 706.2.2 Exempt from Taxation. All bonds or other kinds or forms of evidence or evidences of
25 indebtedness issued by the Town pursuant to the provisions of this Section, and the interest thereon, shall
26 be exempt from all State, County, or Municipal taxes.

27 706.2.3 Limit of Aggregate Long-Term Indebtedness. In no event shall the indebtedness
28 of the Town of Gumboro, authorized by this Section, at any one time exceed, in the aggregate, five percent

1 (5%) of the appraised value of all real property within the corporate limits of the Town and subject to
2 assessment for the purpose of levying annual taxes as provided in this Charter.

3 Section 707. Annual Audit.

4 The financial books and accounts of the Town shall be audited annually.

5 ARTICLE VIII

6 GENERAL PROVISIONS

7 Section 801. Eminent Domain.

8 The Town Commission may, by condemnation proceedings, take private property or may exercise
9 the right to use private property within the corporate limits of the town for any of the purposes authorized
10 by this Charter. The proceedings for such condemnation shall be as prescribed in 10 Del. C. Chapter 61 or
11 any future corresponding provision of law. The right of condemnation shall not extend to property owned
12 by the United States, the State of Delaware, the County of Sussex or any agency thereof.

13 Section 802. Indemnification.

14 The Town shall indemnify, from the general funds of the Town's treasury, to the extent not
15 otherwise covered by appropriate insurance, any person who is a party to, or is threatened to be made a
16 party to, any threatened, pending or completed action, suit or proceedings, whether civil, criminal,
17 administrative or investigative (other than an action by or in the right of the Town of Gumboro itself) by
18 reason of the fact that he or she is or was a member of the Town Commission, President or other duly
19 elected or appointed Town official or employee of the Town of Gumboro, or arising out of actions taken by
20 each or any of them in connection with the performance of their official duties, against expenses (including
21 attorney's fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred by him
22 or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he
23 or she reasonable believed to be in or not opposed to the best interest of the town, and, with respect to any
24 criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The
25 termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of
26 nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good
27 faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the
28 Town of Gumboro and with respect to any criminal action or proceeding had reasonable cause to believe

1 that his or her conduct was unlawful; provided, however, that in the event of a monetary settlement, the
2 Town Commission shall first approve the amount and terms of the settlement before the right to
3 indemnification shall vest.

4 Indemnification as provided in this section shall be made by the Town only as authorized in the
5 specific case upon a determination that indemnification of the members of the Town Commission,
6 President and/or employees is proper in the circumstances because he or she met the applicable standards
7 of the conduct set forth above. Such determination shall be made:

8 a. by a majority vote of a quorum of the Town Commission consisting of
9 Commission members who are not parties to such action, suit or proceeding, or

10 b. if such quorum is not obtained, by independent legal counsel in a written
11 opinion.

12 Section 803. Limitation on Liability.

13 No claim or cause of action shall arise, and no judgment, damages, penalties, costs or other money
14 entitlement shall be awarded or assessed against the Town of Gumboro, or any board, commission or
15 agency of the Town, or any Town public officer, employee or member of such Town instrumentalities,
16 whether elected or appointed, and whether now or previously serving as such, in any civil suit, or before
17 any administrative tribunal on any and all tort claims seeking recovery of damages, unless made pursuant to
18 Subchapter II, entitled 'County and Municipal Tort Claims', consisting of Sections 4010-4013, Title 10 of
19 the Delaware Code or its successor.

20 Section 804. Compendium.

21 It shall be the duty of the Town Commission to compile and reproduce the minutes of official
22 meetings as well as ordinances, regulations, orders, rules or other decisions adopted by Town governmental
23 bodies. The Town shall have a reasonable number of copies printed for the use of the officials of the Town
24 and for public information. Copies of such documents shall be made available to private persons at a
25 reasonable cost. At least two copies of the Charter which shall have incorporated within it all amendments
26 enacted by the General Assembly shall be kept at the Town office. Such copies may be typed, written,
27 photographic processed or a combination of both. The President shall make such further copies of the

1 Charter, from time to time, as may be necessary. Copies of the Town Charter shall be available for the
2 perusal of the Town citizens.

3 Section 805. Separability.

4 If any section, sub-section, paragraph, sentence, clause or other provision of this Charter shall be
5 held to be unconstitutional or invalid by any court of competent jurisdiction, such holding shall not be
6 deemed to invalidate the remaining provisions, sections, sub-sections, paragraphs, sentences, clauses or
7 other provisions of this Charter.
