SPONSOR:	Representative Osienki

In accordance with 29 Del. C. §913, the following information is provided relating to licenses and fees.

Description of the Legislation:

This Act, known as the Delaware Marijuana Control Act, regulates and taxes marijuana in the same manner as alcohol. It allows adults over the age of 21 to legally possess and consume under 1 ounce of marijuana for personal use. Additionally, this Act creates a Marijuana Regulation Fund (the "Fund") which would consist of any imposed fees, taxes, and civil penalties.

Licensee applications will be accepted ten months after the effective date of this Act. Licenses may be issued as determined by the Marijuana Commissioner (the "Commissioner") eleven months after the effective date of this Act. All licenses are valid for two years and fees are paid on a biennial basis. This Act further defines the number of licenses to be issued based on the type of marijuana establishment as follows:

Retail Marijuana Store License – A retail marijuana store licensee shall pay \$10,000 biennially. The Commissioner shall issue no more than 15 retail marijuana store licenses 16 months after the effective date of this Act, provided enough qualified applicants exist.

Marijuana Testing Facility License – A marijuana testing facility licensee shall pay \$10,000 biennially. The Commissioner shall issue no more than 5 marijuana testing facility licenses 16 months after the effective date of this Act, provided enough qualified applicants exist.

Marijuana Cultivation Facility License – A marijuana cultivation facility licensee shall pay an application fee biennially as outlined in the table below. The Commissioner shall issue no more than 50 marijuana cultivation facility licenses 12 months after the effective date of this Act, provided enough qualified applicants as defined in the Act exist.

The Commissioner shall issue a total of 30 marijuana product manufacturing facility licenses, of which, ten may be issued within 13 months of the effective date of this Act, and twenty may be issued within 15 months after the effective date of this Act, provided enough qualified applicants exist.

Special License for Sunday – Biennial license fee of \$500 for the issuance of a special license to sell marijuana and marijuana products on Sundays, which is in addition to any other license fees which may be required of the holder.

Transfer License Fee – A non-refundable \$5,000 transfer fee is required for the transfer of any marijuana establishment license that may be adjusted annually for inflation.
