AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO EDUCATION AND THE
SCHOOL DISTRICT ENROLLMENT CHOICE PROGRAM.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

(b) In establishing this program, it is the goal of the General Assembly to increase access to educational opportunity for all children throughout the State regardless of where they may live. It is therefore the intent of the General Assembly that this chapter be construed broadly to maximize parental choice in obtaining access to educational opportunities for their children.

(c) For the school year commencing July 1, 1996, and each succeeding school year, a parent residing within this State may enroll that parent's child in a public school in any school district in the manner provided in this chapter.

(d) The forms prescribed and policies adopted pursuant to this chapter shall be available on the websites of the school districts and the Department of Education.

Section 2. Amend Title 14, § 403 of the Delaware Code by making insertions as shown by underlining and deletions as shown by strike through as follows:

(2) "Good cause" shall mean a change in a child's residence due to a change in family residence, a change in the state in which the family residence is located, a change in a child's parent's marital status, a change caused by a guardianship proceeding, placement of a child in foster care, adoption, participation by a child in a foreign exchange program, or participation by a child in a substance abuse or mental health treatment program, or a set of circumstances consistent with this definition of "good cause."

(5) "Receiving local education agency" shall mean any public authority legally constituted by the State as an administrative agency to provide control of and direction for kindergarten through twelfth grade public educational institutions, other than the school district of residence, which administers any school or program in which a student seeks to enroll. Where the local education agency is the school district of residence that includes more than one school or more than one program within any school providing instruction at a given grade level, and a parent of a child entering such grade level applies to enroll that parent's child in a public school program within the district of residence other than the program in which the child would normally be enrolled based on the child's place of residence, the district of residence shall also be considered to be the receiving local education agency for all purposes of this chapter, except for the purposes of § 408 of this title. Notwithstanding the requirements of this subsection, charter schools may accept applications submitted after the second Wednesday in January.

(b) If a parent of a school age child fails to file an application by the deadline established in subsection (a) of this section, and good cause exists for the failure to meet the deadline, the receiving district and the district of residence shall accept and consider the application in the same manner as if the deadline had been met.
