SYNOPSIS

The Department of Education issues an annual Delaware Public Education Profile on all Delaware public schools. This bill adds the information pertaining to the role of the Title IX Coordinator and their contact information into the annual Education Profile report. The intention of this bill is to make school districts, parents and students aware of this important federally mandated position in each district, with the understanding that a Title IX Coordinator's role is to ensure certain protections are provided to students, parents, teachers, and school districts in applicable situations.
