Section 3. Amend Section 5161, Title 16 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

§ 5161. Rights of patients in mental health hospitals or residential centers.

(b) Any hospital or residential center that admits persons pursuant to Chapter 50, 51, or 55 of this title shall prominently post in English and Spanish the list of patient rights set forth in this subsection. In addition to the posting, the Department shall distribute a copy of the list to each patient and to other persons, as provided in Department regulations. Each patient shall have the rights listed below, which shall be liberally construed to fulfill their beneficial purposes. Furthermore, in defining the scope or extent of any duty imposed by this section, higher or more comprehensive obligations established by otherwise applicable federal, state, or local enactments as well as certification standards of accrediting agencies may be considered.

(13) The hospital or residential center shall maintain a clinical record for each patient admitted. The clinical record shall contain complete information on all matters relating to the admission, legal status, care and treatment of the patient, and shall include all pertinent documents relating to the patient. Copies of informed consent forms signed by patients or guardians pursuant to paragraph (b)(8)d. of this section shall be kept with each patient's ward chart. The Department shall, by regulation, determine the scope and method of recording information maintained on the clinical records. Those regulations shall ensure the completeness and accuracy of data pertaining to admission, legal matters affecting the patient, records and notations of the course of care and treatment, therapies, the patient's progress if in research and adverse or other reactions thereto, restrictions on the patient's rights, periodic examinations and other information required by the Department.

No information reported to the Department and no clinical records maintained with respect to patients shall be public records. Such information and records shall not be released to any person or agency outside of the Department except in conformity with existing law and as follows:

h. As requested by the Child Death Review Commission, ~~or~~ the Child Protection Accountability Commission, or the Drug Overdose Fatality Commission pursuant to an investigation or review; and
