BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend Chapter 12, Title 14 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

§ 1210 Tier One — Initial licensure [Effective until July 1, 2014]

(h) Notwithstanding the provisions of subsections (a) and (b) of this section, the Department may issue an initial license to an applicant for school nurse who meets all other requirements for initial licensure except for passage of an examination of general knowledge such as PRAXIS I, provided that the applicant must pass and examination of general knowledge such as PRAXIS I within the period of time from the date of hire to the end of the next, consecutive fiscal year. If proof of passage of an examination of general knowledge such as PRAXIS I has not been provided during the time period specified, the initial license will be suspended unless the superintendent of the school district submits to the Secretary of Education a written request for a 1-year extension. The request must also document the effectiveness of the applicant. Any applicant who is within 2 points of the passing score on the reading, writing, or mathematics section of an examination of general knowledge such as PRAXIS I may use a composite score to meet the requirements of passage. An applicant teaching the secondary content area of Math or English/Language Arts must meet the passing score in that content area.

§ 1210 Tier One — Initial licensure [Effective July 1, 2014]

(a) An initial license is valid for 3 years unless revoked. The Department shall issue an initial license under this section if an applicant demonstrates that the applicant has received a bachelor's degree from a regionally accredited 4-year college or university, has achieved a passing score on an examination of general knowledge ~~such as Praxis I~~, has achieved a passing score on both a content-readiness exam and a performance assessment as specified by the Department, in collaboration with Delaware educators, the Professional Standards Board, and the State Board of Education, no later than July 1, 2015, and has either completed a student teaching program or meets any 1 of the following alternatives to student teaching:

(1) One year of teaching experience consisting of a minimum of 91 days of long-term teaching experience in 1 assignment, except that this provision shall not apply to applicants seeking an initial license to teach in a core content area. For the purposes of this section, "core content area" means any subject area tested by the state assessment system, including mathematics, English/language arts, science, and social studies. Experience in the Alternative Routes to Licensure and Certification Program or the Special Institute for Teacher Licensure and Certification Program may not be used to meet this alternative; or

(2) The applicant is enrolled and participating in the Alternative Routes to Licensure and Certification Program pursuant to subchapter VI of this chapter of this title; or

(3) The applicant is enrolled and participating in the Special Institute for Teacher Licensure and Certification pursuant to subchapter V of this chapter; or

Equivalent practical experience in the specialty area may include but is not limited to a supervised internship, a practicum, or clinical experience. For purposes of this section, "specialist" means an educator other than a teacher recognized pursuant to rules and regulations promulgated and adopted pursuant to this chapter who is eligible to apply for both licensure and certification from the State to engage in other related professional support services.

~~(b) Notwithstanding the requirements of subsection (a) of this section, an initial license may be issued to an applicant who meets all other requirements for initial licensure except for passage of the PRAXIS I exam,~~

If proof of passage of PRAXIS I has not been provided during the time period specified, the initial license will be suspended unless the superintendent of the school district submits to the Secretary of Education a written request for a 1 year extension. The request must also document the effectiveness of the applicant. Any applicant who is within 2 points of the passing score on the reading, writing, or mathematics section of PRAXIS I may use a composite score to meet the requirements of passage. An applicant teaching the secondary content area of Math or English/Language Arts must meet the passing score in that content area.~~

~~(e)(d)~~ An initial license may not be renewed. It may, however, be extended pursuant to § 1216 of this title.

~~(f)(e)~~ Notwithstanding the provisions of subsections (a) and (c) through ~~(de)~~ of this section, an initial license may be issued for a period of up to 6 years for applicants in a vocational trade and industry area to complete specified college level course work required for certification.
