AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO SUPPORTIVE INSTRUCTION.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend §122(b), Chapter 1, Title 14 of the Delaware Code by inserting a new subsection “(24)” to read as follows:

“(24) Defining eligibility for supportive instruction for school district and charter school students. Such regulations shall identify the licensed professionals authorized to certify eligibility for supportive instruction and provide that the certification of an advanced practice nurse, who is employed by or who has a collaborative agreement with a licensed physician, be accepted on the same basis as a physician certification. For purposes of this subsection, ‘supportive instruction’ means an alternative educational program provided in a home, hospital, or other setting for students temporarily unable to attend their school of enrollment on a full-time basis due to sudden illness, injury, accident, episodic flare up of a chronic condition, or other basis authorized by the Department of Education through regulation.”
