Such petition shall be in writing, duly executed and acknowledged by each petitioner, shall describe with reasonable certainty the territory proposed for annexation, indicate the property owned by each petitioner therein, state the reasons for the requested annexation, and identify the proposed zoning district classification(s) for such territory (which proposed zoning classifications shall be consistent with the Town's Comprehensive Plan). The Town Council may, within 90 days following the filing of such petition in the Town Office, vote to accept such petition and proceed as hereinafter provided, or to reject such petition. Any petition not so accepted within said 90 days shall be null and void. For purposes of this §§ 3.1.1 and 3.1.2, "territory contiguous to the then existing corporate limits of the Town" shall include both real property which, though itself not contiguous to the Town's then existing corporate limits, is contiguous to other real property which is proposed to be included in the annexation and real property which would be contiguous under § 3.2.9(b).~~

Such resolution may also provide that if the annexation is finally approved, the Town shall not be obligated to provide any municipal services or extend any municipal facilities or improvements unless and until the Town Council, in the sole exercise of its reasonable discretion, determines that it is appropriate for the Town to do so or the owner or developer of any property so annexed (or any portion thereof) binds itself, with reasonable surety acceptable to the Town, to pay in full all costs and expenses to provide such municipal services and/or to extend or construct such municipal facilities and improvements to serve such lands (in strict accordance with all governing federal, state, and Town regulations and standards), subject to an appropriate "recapture agreement" (acceptable to the Town) pursuant to which the owner(s) or developer(s) of other lands benefited by the services, extensions, or improvements paid for by the initial owner/developer under the recapture agreement would pay to the Town their equitably determined proportionate share of such costs and expenses (as a condition precedent to obtaining such services, extensions, and/or improvements) which amounts the Town would, upon receipt, rebate to the owner or developer which had originally paid for those services, extensions, and/or improvements. The Resolution setting forth the information shall be published at least once in a newspaper of general circulation in the Town and in the territory proposed to be annexed. ~~3.2.5 Those Entitled to Vote.~~

~~(a) At such special election, any person residing in the area proposed to be annexed who would be entitled to vote at the annual town election if the area proposed to be annexed was already included in the Town, shall be entitled to one vote. (For purposes of this section "lawfully entitled to vote" shall not include "registered to vote" if registration is required for town elections). In addition, each legal entity or natural person holding record title in its own name in the territory proposed to be annexed, shall be entitled to one vote.~~

~~(b) These provisions shall be construed so as to permit only "one man, one vote". Where a voter is entitled to vote by virtue of both residence and ownership of property, that voter shall be entitled to only one vote; where a voter is entitled to vote by ownership of two or more properties, that voter shall be entitled to only one vote.~~

~~(c) Any legal entity (other than a natural person) entitled to vote must cast its vote by a duly executed and acknowledged power of attorney. Any natural person may cast his/her vote by a duly executed and acknowledged power of attorney. Such Power of Attorney shall be surrendered to the Board of Special Election which shall file same in the Office of the Town Manager. Such Power of Attorney so filed shall constitute conclusive evidence of the right of said person to vote in the Special Election on behalf of the legal entity or natural person granting the power.~~

~~3.2.6 Conduct of the Special Election. The Town Council may cause voting machines, electronic voting systems, or paper ballots to be used in the Special Election, as required by law, the form of ballot to be printed as follows:~~

~~_____ For the proposed annexation.~~

~~_____ Against the proposed annexation.~~

~~The Mayor shall appoint three (3) persons to act as a Board of Special Election. One (1) of the said persons so appointed shall be designated the Presiding Officer. The Board of Special Elections shall be the sole and final judges of the legality of the votes offered at such Special Election. It shall keep a true and accurate list of all natural persons and other legal entities voting. Voting shall be conducted in a public place as designated by the Resolution calling the Special Election. The polling place shall be open for such period of time as the Town Council determines to be reasonable and appropriate under the circumstances, not less than one hour, as set by the Town Council, on the date set for the Special Election. All persons in the polling place at the time of the closing of the polls shall be permitted to vote, even though such votes are not cast until after the time for the closing of the polls.~~

~~All ballots cast by those persons or other legal entities authorized to vote as residents or property owners in the territory proposed to be annexed shall be deposited in designated ballot box(es) or cast in designated voting machine(s).~~

~~3.2.7 Results of Special Election.~~

~~(a) In order for the territory proposed to be annexed to be considered annexed, a majority of the votes must have been cast in favor of the proposed annexation.~~

~~(b) If the vote is favorable to the proposed annexation, the Town Council shall at its first meeting following the Special Election adopt a resolution annexing the said territory and including it within the limits of the Town. Contemporaneous therewith, the Town Council shall also adopt an ordinance designating the zoning district classification(s) of the territory(s) so annexed, which shall be consistent with the Town's Comprehensive Plan. If the initial resolution proposing annexation provided that the Town was not obligated to provide municipal services or to extend municipal facilities or improvements to the annexed lands as provided in section 3.2.1, the resolution annexing such lands shall contain the same or substantially similar provisions. Upon the adoption of said resolution of annexation, copies thereof, signed by the Mayor, and certified by the Secretary, with municipal seal affixed, together with a plot of the area annexed, shall forthwith be filed for record in the Office of the Recorder of Deeds in and for Kent and/or New Castle counties, and sent to the Office of State Planning or its successor agency. The territory so annexed shall be considered to be a part of the Town from the moment the last mentioned resolution is adopted by the Town Council. Failure to record said resolution, or the plot accompanying same, shall not invalidate the annexation, but such recording may be enforced by writ of mandamus or mandatory injunction.~~

3.1 Initiation of Annexation Proceedings.

3.1.1 By Petition of the Property Owners. Any property owner(s) holding record fee title to real property in territory contiguous to the then existing corporate limits of the Town may petition the Town Council to annex that certain territory in which they own property. Such petition shall be in writing, duly executed and acknowledged by each petitioner, shall describe with reasonable certainty the territory proposed for annexation, indicate the property owned by each petitioner therein, state the reasons for the requested annexation, and identify the proposed zoning district classification(s) for such territory (which proposed zoning classifications shall be consistent with the Town's Comprehensive Plan). The Town Council may, within 90 days following the filing of such petition in the Town Office, vote to accept such petition and proceed as hereinafter provided, or to reject such petition. Any petition not so accepted within said 90 days shall be null and void. For purposes of this subsection 3.1.1 and subsection 3.1.2, "territory contiguous to the then existing corporate limits of the Town" shall include both real property which, though itself not contiguous to the Town's then existing corporate limits, is contiguous to other real property which is proposed to be included in the annexation and real property which would be contiguous under subsection 3.2.10(b); provided, however, that where the contiguity of any parcel for annexation is dependent upon the annexation of another abutting parcel or parcels and such "connecting" parcel(s) is/are not annexed prior to or simultaneously with the dependent parcel, the annexation of such dependent parcel shall fail and be void for lack of contiguity.

3.1.2 Resolution of the Town Council. The Town Council may, at any time, adopt a resolution proposing the annexation of any territory(s) contiguous to the Town. Such resolution shall describe, with reasonable certainty, the territory(s) proposed to be annexed, state the reasons for the proposed annexation, and identify the proposed zoning district classification(s) for such territory(s) (which proposed zoning classifications shall be

consistent with the Town's Comprehensive Plan). Upon adoption of such resolution, the Town Council shall proceed as hereafter provided. This resolution may be adopted at the same Town Council meeting at which the resolution required in subsection 3.2.1(a) is also adopted.

3.2 Annexation Procedure. Whether annexation is proposed by petition of the property owners or by resolution of the Town Council, the following procedure shall be complied with:

3.2.1 Resolution and Notice; Referral To Planning Commission.

(a) The Town Council shall adopt a resolution notifying the property owners and the residents of both the Town and the territory proposed to be annexed, that the Town proposes to annex certain territory which adjoins its then corporate limits. The resolution shall contain a description of the territory proposed to be annexed, shall identify the zoning district classification(s) proposed for such territory if annexed (which proposed zoning classifications shall be consistent with the Town's Comprehensive Plan), shall describe the right of a qualified resident to object to the annexation, and shall fix a time and place for a public hearing on the subject of the proposed annexation and zoning. For purposes of this section, a "qualified resident" shall be any individual residing in the territory proposed for annexation who is not a property owner but who would be qualified under subsection 3.2.5(a) to vote for the annexation. A qualified resident may file a written objection to the annexation with the Town at any time prior to the close of the public hearing held pursuant to subsection 3.2.2. Such resolution may also provide that if the annexation is finally approved, the Town shall not be obligated to provide any municipal services or extend any municipal facilities or improvements unless and until the Town Council, in the sole exercise of its reasonable discretion, determines that it is appropriate for the Town to do so or the owner or developer of any property so annexed (or any portion thereof) binds itself, with reasonable surety acceptable to the Town, to pay in full all costs and expenses to provide such municipal services and/or to extend or construct such municipal facilities and improvements to serve such lands (in strict accordance with all governing federal, state, and Town regulations and standards), subject to an appropriate "recapture agreement" (acceptable to the Town) pursuant to which the owner(s) or developer(s) of other lands benefited by the services, extensions, or improvements paid for by the initial owner/developer under the recapture agreement would pay to the Town their equitably-determined proportionate share of such costs and expenses (as a condition precedent to obtaining such services, extensions, and/or improvements) which amounts the Town would, upon receipt, rebate to the owner or developer which had originally paid for those services, extensions, and/or improvements. The resolution setting forth the information shall be published at least once in a newspaper of general circulation in the Town and in the territory proposed to be annexed. Such publication shall appear no fewer than 14 days nor more than 60 days before the date set for the hearing. Such notice shall be in bold print or bordered in black in such manner as to call attention thereto.

In addition to publication as herein provided, the Town Council shall, no fewer than 14 days nor more than 60 days before the date of such hearing: (1) cause a public notice containing the full text of the resolution, to be posted in at least 5 public places in the Town and in at least one place, viewable to the public, in the territory proposed to be annexed; (2) shall comply with the applicable provisions of 29 Del. C. Chapters 92 and 93 as those provisions may from time to time hereafter be amended (or with any future corresponding provision of law), and (3) send a copy of such notice, certified mail, to the owners of record of the lands proposed to be included in the annexation at their address as shown on the public tax records. Written notice to one co-owner shall be notice to all.

(b) The Town Council shall forward a copy of the aforesaid resolution to the Planning Commission for its advisory review and comment. The Planning Commission's recommendations and comments shall be submitted to the Town Council at or before the public hearing held pursuant to subsection 3.2.2, provided that if such recommendations or comments are not received from the Planning Commission at or prior to such public hearing, the Town Council may proceed without the benefit thereof.

3.2.2 Public Hearing. At the time, date, and place specified in the Resolution proposing annexation (or at any revised date, time, or place if duly noticed as provided in subsection 3.2.1) the Town Council shall sit to hear comments and opinion from any concerned party (and to receive the recommendations and comments of the Planning Commission, if any) regarding the proposed annexation and proposed zoning district classification. Such

public hearing shall be for the purpose of obtaining public opinion and legislative fact finding and the Town Council shall not be bound, in any way, to act in response to any information or comments offered at such hearing.

3.2.3 Annexations Not Requiring Special Election; Resolution Ordering Special Election.

(a) Where the territory proposed for annexation is either initiated at the written petition of all of the owners of record of all lands proposed for such annexation or consented to in a notarized writing signed by all such owners and submitted to the Town Council no later than the conclusion of the public hearing held pursuant to subsection 3.2.2, and where the Town has received no written objection from a qualified resident of the territory proposed for annexation as defined herein, the Town Council may, at any duly noticed regular or special meeting held within six (6) months of the public hearing, vote to accept or reject such proposed annexation and if accepted, the Town Council shall proceed at that meeting, or at the next duly noticed regular or special Town Council meeting, to adopt a final resolution annexing the territory in accordance with subsection 3.2.7(c). In such cases, no special election shall be required.

(b) Where fewer than all of the owners of record of all parcels of land within a territory proposed for annexation have requested annexation or consented to annexation by the close of the public hearing or where a qualified voter has filed with the Town a written objection to the annexation, at any time following the public hearing, the Town Council may (but is not required to) pass a resolution ordering a special election and setting the date, time, and place of the special election, which shall not be fewer than 14 days nor more than 60 days after the date of such resolution proposing the special election. Such resolution shall include a description of the territory proposed for annexation and shall identify the zoning district classification(s), consistent with the Comprehensive Plan, which shall be assigned to the parcel(s) if annexed. The passage of this resolution shall ipso facto be considered the determination of the Town Council to proceed with the matter of the proposed annexation and zoning district classification if the election results are in favor of the annexation.

3.2.4 Notice of Special Election. Notice of the date, time, and place of said special election shall be published no fewer than 14 days before the date set for said Special Election. Notice shall be published at least once in a newspaper of general circulation in the Town and in the territory proposed to be annexed, and shall be posted in at least five public places in the Town and in at least one place, viewable to the public, in the territory proposed to be annexed. Such notice shall be in bold print or bordered in black in such manner as to call attention thereto, and shall include a description of the territory proposed for annexation and proposed zoning district classifications.

3.2.5 Those Entitled to Vote.

(a) At such special election, any person residing in the territory proposed for annexation who would be entitled to vote at the annual Town election if the territory proposed for annexation was already included in the Town, shall be entitled to one vote. (For purposes of this section "lawfully entitled to vote" shall not include "registered to vote" if registration is required for Town elections). In addition, each legal entity or natural person holding record title in its own name in any parcel proposed for annexation shall be entitled to one vote.

(b) These provisions shall be construed so as to permit only "one-man, one vote". Where a voter is entitled to vote by virtue of both residence and ownership of property or is entitled to vote by ownership of two or more parcels, that voter shall be entitled to only one vote.

(c) Any legal entity (other than a natural person) entitled to vote must cast its vote by a duly executed and acknowledged power of attorney. Any natural person may cast his/her vote by a duly executed and acknowledged power of attorney. Such power of attorney shall be surrendered to the Board of Special Elections, which shall file same in the Office of the Town Manager. Such power of attorney so filed shall constitute conclusive evidence of the right of said person to vote in the Special Election on behalf of the legal entity or natural person granting the power.

3.2.6 Conduct of the Special Election. The Town Council may cause voting machines, electronic voting systems, or paper ballots to be used in the Special Election, as required by law, the form of ballot to be printed as follows:

_____ For the proposed annexation.

_____ Against the proposed annexation.

The Town Board of Elections appointed pursuant to subsection 5.5.5(f) of this Charter shall act as a Board of Special Elections for the annexation. If there is not already a board chairperson, one (1) of the said Board of Special Elections members shall be designated the presiding officer by majority vote of the Board of Special Elections. The Board of Special Elections shall be the sole and final judges of the legality of the votes offered at such special election. It shall keep a true and accurate list of all natural persons and other legal entities voting. Voting shall be conducted in a public place as designated by the resolution calling the special election. The polling place shall be open for such period of time as the Town Council determines to be reasonable and appropriate under the circumstances, provided the poll is open for at least one hour, as set by the Town Council, on the date set for the special election. All persons in the polling place at the time of the closing of the polls shall be permitted to vote, even though such votes are not cast until after the time for the closing of the polls.

All ballots cast by those persons or other legal entities authorized to vote as property owners in the territory proposed to be annexed shall be deposited in designated ballot box(es) or cast in designated voting machine(s).

3.2.7 Results of special election; final resolution.

(a) In order for the territory proposed to be annexed to be considered annexed, a majority of the votes must have been cast in favor of the proposed annexation.

(b) If the vote is favorable to the proposed annexation, the Town Council shall, at its first meeting following the special election, proceed in accordance with subsection 3.2.7(c) to adopt a resolution annexing the said territory and including it within the limits of the Town (“final resolution”), as well as an ordinance designating the zoning district classification(s) of the territory(s) so annexed.

(c) Whether acting pursuant to subsection 3.2.3 (all record owners request or consent to annexation) or 3.2.7 (majority of votes at special annexation election cast in favor of annexation), the Town Council shall adopt a resolution annexing the said territory and including it within the limits of the Town (“final resolution”). Contemporaneous therewith, the Town Council shall also adopt an ordinance designating the zoning district classification(s) of the territory(s) so annexed, which shall be consistent with the Town's Comprehensive Plan. If the initial resolution proposing annexation provided that the Town was not obligated to provide municipal services or to extend municipal facilities or improvements to the annexed lands as provided in subsection 3.2.1, the resolution annexing such lands shall contain the same or substantially similar provisions. Upon the adoption of said resolution of annexation, copies thereof, signed by the Mayor, and certified by the secretary, with municipal seal affixed, together with a plot of the area annexed, shall forthwith be filed for record in the Office of the Recorder of Deeds in and for Kent and/or New Castle counties and sent to the Office of State Planning or its successor agency. The territory so annexed shall be considered to be a part of the Town from the moment the last mentioned resolution is adopted by the Town Council. Failure to record said resolution, or the plot accompanying same, shall not invalidate the annexation, but such recording may be enforced by writ of mandamus or mandatory injunction.

When the Town has a good faith belief that the association is defunct or no longer has a functioning board (or other similar representative body), the Town shall

provide notices directly to, and make demand of, individual association members. Notwithstanding the provisions of 25 Del. C. § 81-317, assessments pursuant to this section may be collected in the same manner as other amounts owed to the Town.

Section 5. Amend Section 5, Chapter 176, Volume 74, Laws of Delaware, as amended, by making insertions as shown by underlining and deletions as shown by strike through as follows:

~~5. Town Council~~

~~5.1 Governing Body; Election Districts.~~

~~5.1.1 Governing Body. The government of the Town and the exercise of all powers conferred by this Charter, except as otherwise provided herein, shall be vested in and exercised by a Town Council composed of a Mayor and six (6) council members to be chosen as hereinafter provided. Unless the context is clearly to the contrary, the term "Council" or "Town Council" herein shall mean the Mayor and council members.~~

~~5.1.2 Election Districts. ~~(a) District and "At Large" Representation. In accordance with and subject to the "phase-in" provisions of subparagraph c) below, by the year 2006, the Town Council shall be comprised of one council member from each representative district (identified as such); the Mayor and the remaining council members may be domiciles of any representative district, and shall be elected "at large." At any town election, each qualified voter of the town shall be entitled to vote for one candidate for each "at large" office to be filled; but only those qualified voters who, for at least 30 days prior to the date of the election, have been continuously domiciled in the representative district for which a seat is up for election shall be entitled to vote for a district representative candidate.~~

~~(b) Public Hearing; Notice. Prior to adopting the ordinance establishing the initial three (3) representative districts (as provided in section 5.1.2 above) or in the event that any action is subsequently taken to create a new election district or to revise the boundaries of then-existing election districts, the Town Council shall hold at least one public hearing, on not less than thirty (30) days public notice, stating the date, time, place, and purpose of the hearing which public notice shall be: (i) published in a newspaper of general circulation in the Town and (ii) posted in at least five (5) public places in the Town. ~~5.5.2 Voter Registration. The Town Council may enact such ordinances concerning the registration of qualified voters for municipal elections in the Town as it deems reasonably necessary to provide for the orderly and efficient conduct of municipal elections; provided that no such ordinances shall alter the qualifications of voters as hereinabove set forth, nor shall any such ordinances unduly impair the right to vote in a municipal election.~~

~~(h) Ties. In the event of a tie vote for any office, the Election Board shall determine such tie by a majority vote of the entire Election Board.~~

~~(i) Preservation of Ballots and Records. All ballots cast and all records of the election kept by the Election Board shall be preserved in the custody of the Election Board for a period of twenty (20) days, unless an appeal is filed in a court of appropriate jurisdiction, in which case such ballots and records shall be preserved until further direction of the court having jurisdiction.~~

Unless the context is clearly to the contrary, the term "Council" or "Town Council" herein shall mean the Mayor and Council members.

5.1.2 Election Districts. In order that the members of the Town Council shall be distributed throughout the Town, before March 1, 2004, the Town Council shall, by ordinance, divide the Town into no fewer than three (3) representative districts, such districts to be drawn so that the same shall be reasonably equal in population. The Town Council may thereafter provide, by amendatory ordinance, for the creation of up to three (3) additional districts and/or re-arrangement of the boundaries of existing districts in the event of annexation or significant increases in the total population of the Town, but such revisions shall continue to result in districts of reasonably equal population.

(a) District and "At-Large" Representation. The Town Council shall be comprised of one Council member from each representative district (identified as such); the Mayor and the remaining Council members may be domiciles of any representative district, and shall be elected "at large." At any Town election, each qualified voter of the Town shall be entitled to vote for one candidate for each "at large" office to be filled, but only those qualified voters who, for at least 30 days prior to the date of the election, have been continuously domiciled in the representative district for which a seat is up for election shall be entitled to vote for a district representative candidate.

(b) Re-Districting; Public Hearing; Notice. In a timely manner upon the release of the decennial census data (commencing with the release of the 2010 census), the Town Council shall review the population of the then-current election districts to determine if they are reasonably equal in population. In the event that any action is subsequently taken to create a new election district or to revise the boundaries of the then-existing election districts, the Town Council shall hold at least one public hearing, on not fewer than 30 days public notice, stating the date, time, place, and purpose of the hearing which public notice shall be: (i) published in a newspaper of general circulation in the Town and (ii) posted in at least five public places in the Town. The Town Council shall conduct its review and any proceedings or actions resulting therefrom, so that the boundaries of the new or revised representative districts are finalized and set forth in an appropriate ordinance no later than the second regular Council meeting in February of the year following the year in which the review was commenced. Notice of such

new or revised representative districts shall be promptly published in a newspaper of general circulation in the Town and posted in at least five public places in the Town.

(c) "Phase-In" of District Representation; Creation of Additional Districts. The present Mayor and Council members of the Town, and other officers appointed to serve, in office under Chapter 339, Volume 62, Laws of Delaware, as amended, shall continue to serve from and after the effective date of this Charter, until their successors are duly elected or appointed. In 2004, two persons shall be elected to the Town Council to fill the vacancies created by the expiration of the terms of office of the two then-outgoing Council members. One of those two vacancies shall be designated as the representative for the 1st representative district and candidates for such seat shall be domiciled in that district. In 2005, three (3) persons shall be elected to fill the vacancies created by the expiration of the terms of office of the then out-going Mayor and two Council members. One of the two Council member vacancies shall be designated as the representative for the 2nd representative district and candidates for such seat shall be domiciled in that district. In 2006, two persons shall be elected to fill the vacancies created by the expiration of the terms of the two then out-going Council members, and one of those two vacancies shall be designated as the representative for the 3rd representative district, and such candidate shall be domiciled in that representative district.

In the event that the Town Council subsequently acts to create new, additional election districts as provided in subsection 5.1.2 above, the vacancy created by the expiration of the term of the then out-going at large Council member shall be designated as the representative for the 4th (or, if necessary, the 5th and 6th) representative district, and candidates for that seat shall be domiciled in the representative district for which they are seeking election. Any Council member who ceases to reside in his or her representative district as a result of the changing of district boundaries or the creation of a new district shall be entitled to complete his or her current term of office.

(d) Where No Qualified Candidate Files To Run. In the event that no qualified candidate files a timely "Notice of Candidacy" under subsection 5.3 to run for a district seat or an "at-large" seat, (i) such district seat shall be filled for that term of office by the "at-large" candidate receiving the second-highest number of votes for the at-large seat or (ii) such "at-large" seat shall be filled for that term of office by the candidate for the district seat receiving the second-highest number of votes for the district seat.

Additionally, any candidate for a representative district Council seat shall have been a bona-fide domiciliary of his/her representative district for at least one year. Any person elected to the office of Mayor or Council member must continue, throughout his/her term of office, to meet these qualifications or forfeit his/her office; provided however, that if a Council member with less than one year remaining in his/her term of office shall change that domicile to another representative district in the Town, such Council member shall not, for that reason, be disqualified from or forfeit his/her office.

The Town Council, by majority vote of its disinterested members, shall be the sole and final judge of the qualifications of its members, and shall interpret and apply the standards set forth in this Charter.

Such form shall contain an affidavit that the candidate meets all the qualifications for office. The Town Manager shall present all timely received notices of candidacy to the Town Council at the second regularly

scheduled meeting in March. No later than one (1) business day following the second regularly scheduled meeting in March, the Town Manager shall submit the names of candidates for each office up for election to the Department of Elections. The Town Council may, by ordinance or resolution, adopt such rules, not inconsistent with the provisions of this Charter or with controlling state or federal law, governing the notice of solicitation of candidates.

5.3.2 Determinations Concerning Qualifications. If the Town Manager determines that any candidate may not meet the qualifications for office, he/she shall notify the Mayor who shall call a special meeting of the Town Council to be held no fewer than twenty-one days prior to the date set for the election, at which the Town Council shall decide the matter. The candidate whose qualifications are at issue shall be notified, by registered mail, of the date, time and place of the hearing, at which he or she may appear and testify. If the Town Council determines that the candidate does not meet the qualifications for office, it shall reject his/her notice of intention to seek office and his or her name shall not appear on the ballot. In making the determination, only those members of the Town Council who are not competing for that seat shall be entitled to vote on the question.

5.3.3 Elected Officials Running for the Office of Mayor. Any member of the Town Council whose term of office is not expiring at the next upcoming Town election may file to run for the office of Mayor without resigning his or her seat on Council. If such a member of Council is not elected to the office of Mayor, such Council member shall continue to serve in his or her seat on the Town Council; if such a member of Council is elected to the office of Mayor, that member's prior seat on Council shall become vacant upon that member's taking office as Mayor, and a special election shall be held as soon as practicable thereafter to fill the vacancy on Council so created.

5.3.4. Filing Certificate of Intention and Statement of Organization. All candidates shall file a certificate of intention or statement of organization if either is applicable and required under 15 Del. C. All questions regarding an individual's qualification to vote raised prior to the day of the election shall go before the Board of Elections and an individual shall be given notice and an opportunity to be heard before the Board of Elections makes a

determination regarding that individual's qualification to vote. Questions regarding an individual's qualifications to vote that are raised at the time of voting shall be resolved by the Board of Elections or its designated Election Officers.

5.5.3 Voter Registration. The Town Council may enact such ordinances concerning the registration of qualified voters for municipal elections in the Town as it deems reasonably necessary to provide for the orderly and efficient conduct of municipal elections; provided that no such ordinances shall alter the qualifications of voters as hereinabove set forth, nor shall any such ordinances unduly impair the right to vote in a municipal election.

5.5.4 Uncontested Elections; Write-In Candidates.

(a) Where there is only one official candidate for each office up for election, if none of the official candidates has a formal opponent on the day of election, the official candidates may assume office without the holding of a formal election.

In the event that the publications and/or postings do not appear on the same date, the date of the first publication shall control. The notice of elections shall include the date, time, and place of the election, the names of the candidates for each office, and the qualifications to vote. The Town Council may, by ordinance or resolution, adopt such rules, not inconsistent with the provisions of this Charter or with controlling state or federal law, governing the notice of elections.

The Board of Elections shall serve for a term of one year commencing the second Council
