

LAWS OF DELAWARE
VOLUME 84
CHAPTER 5
152nd GENERAL ASSEMBLY
FORMERLY
SENATE BILL NO. 35
AS AMENDED BY
SENATE AMENDMENT NO. 2

AN ACT TO AMEND THE LAWS OF DELAWARE RELATING TO THE BOND AND CAPITAL IMPROVEMENTS ACT OF THE STATE OF DELAWARE AND CERTAIN OF ITS AUTHORITIES FOR THE FISCAL YEAR ENDING JUNE 30, 2023.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend Chapter 340, Volume 83 of the Laws of Delaware by amending Section 171 by making deletions as shown by strike through and insertions as shown by underline as follows:

Section 171. School Safety and Security. Section 1 Addendum of this Act makes an appropriation to the Department of Education for School Safety and Security Fund. Of this amount, the Department shall provide a minimum amount of \$1,000,000 to the Department of Safety and Homeland Security for school mapping, reporting application, and threat assessment tools. Notwithstanding any provision or law to the contrary, school districts and charter schools may use allocations from the School Safety and Security Fund for expenditures related to increased safety and security personnel needs at school extracurricular events for the 2022-2023 school year.

Section 2. Amend Chapter 340, Volume 83 of the Laws of Delaware by amending Section 172 by making deletions as shown by strike through and insertions as shown by underline as follows:

Section 172. Enhanced Minor Capital Improvements. (e) Notwithstanding any provision or law to the contrary, effective July 1, 2022, reorganized school districts shall be authorized to assess a local match to provide up to a 60/40 state/local share for the Enhanced Minor Capital Improvements state amounts appropriated in subsection (a) of this section. This match is optional and must be used for the same purposes as state funds appropriated for Enhanced Minor Capital Improvements. A partial local match is authorized provided the local share does not exceed 40 percent. A district may assess a match not to exceed a 60/40 state/local share all in one fiscal year or over multiple fiscal years. The match may only be provided through the original end date of the Enhanced Minor Capital Improvements appropriation and any continuations thereof.

(f) Notwithstanding any provision or law to the contrary, reorganized school districts and charter schools may utilize their respective Enhanced Minor Capital Improvements allocation for the purposes of remediating lead contaminated drinking water infrastructure without first obligating appropriations from Minor Capital Improvements funds for Fiscal 2023 and previous fiscal years. Should a district or charter school elect to utilize their Enhanced Minor Capital Improvements allocation for such remediation costs, said district or charter must submit a letter to the Secretary of Education, which shall be approved concurrently by the Director of the Office of Management and Budget and the Controller General, requesting a waiver from the provisions of subsection (c) of this section and identifying how the

Enhanced Minor Capital Improvements funds will be utilized to address lead contaminated drinking water within said district or charter.

Section 189. Community Workforce Agreement – Office of Management and Budget. The Office of Management and Budget (OMB) is authorized to engage in a pilot program to include Community Workforce Agreements as part of large public works projects. There will be two different approaches: 1) Community Workforce projects and 2) Disadvantaged Business Enterprise (DBE). The pilot program shall include no more than four projects.

For the four Community Workforce projects, the awarded contractors for the projects will be required to enter into a Community Workforce Agreement with the agency. The Community Workforce Agreement shall permit all contractors to subcontract project work or to retain a percentage of their current workforce in order to meet the requirements of the pilot. OMB shall set the percentage of work for each project to be performed by local labor organization(s) with whom the awarded contractors will either hold a separate contract containing a Collective Bargaining Agreement, or the contractor may subcontract with a subcontractor that holds a Collective Bargaining Agreement. In addition, the Community Workforce Agreement may include a minority workforce requirement.

For the Community Workforce projects, the contract award will be based on a form of best value, for which, 29 Del. C. § 6962 (b) is waived. OMB will establish a best value process to include the price, schedule, and method of complying with the specific requirements of the Community Workforce projects. All bids are subject to an evaluation for responsiveness and responsibility.

For the purpose of this pilot, Disadvantaged Business Enterprise is defined as for-profit businesses in which at least 51 percent of the business is owned by one or more individuals who are both socially and economically disadvantaged; and whose daily operations are managed by one or more individuals who are both socially and economically disadvantaged. If the project involves a Vocational Technical school, there is a requirement to include a cooperative program in which students from Vocational Technical schools will work on the project for a set number of hours at a paid wage rate appropriate for the individual student’s scope of work.

For projects that are part of the DBE pilot program, the contract award will be based on a form of best value, for which, 29 Del. C. § 6962 (d)(13)a.4. is waived. The agency will establish a best value process to include the price, schedule, and method of complying with the specific requirements of the pilot project whether it is for DBE. All bids are subject to an evaluation for responsiveness and responsibility.

To assist the agency in evaluating the success of these pilot programs, the agency shall establish reporting requirements for the contractors on each project to be included in the awarded contract.

The Office of Management and Budget shall report annually on or before January 1st to the Joint Committee on Capital Improvement their assessment of the pilot, including, but not limited to, employee hiring statistics, cost savings, project quality, worker safety, and the effectiveness of contracting disadvantaged businesses, including but not limited to, subcontractors.

Section 16. Amend Chapter 340, Volume 83 of the Laws of Delaware by adding a new Section 190 by making deletions as shown by strike through and insertions as shown by underline as follows:

Section 190. Community Workforce Agreement – Department of Transportation. The Department of Transportation (the Department) is authorized to engage in a Community Workforce Agreement for no more than two large public works projects. The projects will be awarded in accordance with 29 Del. C. § 6962. The awarded contractor for the projects will be required to enter into the Community Workforce Agreement with the Department and a local labor organization(s). To assist the agency in evaluating the success of the pilot program, the agency shall establish reporting requirements for the contractor on the projects to be included in the awarded contract.

For Community Workforce Agreement projects, the Community Workforce Agreement shall require the prime contractor to become party to the Community Workforce Agreement and shall permit them to retain a percentage of their current workforce. In addition, the Community Workforce Agreement may include a minority workforce requirement.

The Department of Transportation shall report annually on or before January 1st to the Joint Committee on Capital Improvement their assessment of the pilot including, but not limited to, employee hiring statistics, cost savings, project quality, and worker safety.

Section 17. Amend Chapter 340, Volume 83 of the Laws of Delaware by adding a new Section 191 by making deletions as shown by strike through and insertions as shown by underline as follows:

Section 191. State Facilities Market Pressure Contingency. Section 1 Addendum of this Act makes an appropriation to the Office of Management and Budget for State Facilities Market Pressure Contingency. The Director of the Office of Management and Budget shall provide a report on the projects funded, expenditure details, and balance remaining in this appropriation to the Joint Committee on Capital Improvement by May 15.
