1. Application Guidelines
   a) The deadline for submission of applications is Friday, December 1, 2023, at 11:59 p.m.
   b) All applications must be submitted through the Grants Management System. Hand-delivered or mailed applications will not be accepted.
   c) Email addresses used to apply will be used for future communications regarding your application. To ensure efficient communication, it is strongly advised that your organization use an email address that is accessible by all members of your agency who are responsible for GIA.
   d) To be considered for a GIA award, an agency must meet the following criteria:
      • Be an incorporated non-profit (or under the umbrella of a parent organization which is also an incorporated non-profit) and operating for two years before applying for GIA.
      • Have bylaws that clearly state the purpose of the agency and include a definition of duties of the Board of Directors.
      • Have an active, community-represented, volunteer Board of Directors that sets policies, goals, and objectives and maintains minutes of regularly scheduled meetings and any special meetings.
      • Have programs that are unduplicated by other state-supported agencies and satisfy unmet human needs of the community.
      • Have personnel policies, including job descriptions and classifications.
      • Have competent executives, competent staffing, and reasonable facilities.
      • Practice non-discrimination.
      • Have accounting (budget) procedures.
      • Have an audit completed within the past three years by a Certified Public Accountant or a Public Accountant.
      • Use funds in accordance with the application.
      • Demonstrate community support.
      • Request funds only for a program that does not receive full funding from other sources of revenue.
      • Must not request funds through a fiscal agent.
   e) GIA funding cannot be used for:
      • Providing child daycare.
      • The purchase of capital equipment.
      • The relocation, rehabilitation, renovation, or purchase of buildings.
      • The payment of any part of an elected official’s salary or benefits.
      • A political campaign or for partisan political purposes.
      • The hiring of lobbyists or other lobbying services.
      • Activities, programs, or services that benefit individuals that do not reside in Delaware.
   f) Organizations that receive or wish to receive GIA funding must maintain a supplier profile at the State of Delaware’s eSupplier Portal. This secure login site allows new suppliers to register and for existing suppliers to manage payment information. Accurate and up-to-date information ensures the timely processing of GIA payments. Additional information regarding the three payment options offered by the State of Delaware can be found at the Division of Accounting.
2. Important Application Tips

Below are items to keep in mind while completing the GIA application.

a) **Less is more! Be concise, specific, and straightforward as possible when writing program information.** Certain fields throughout the application will have predefined word limitations. Avoid having program descriptions longer than a paragraph (5 or 6 sentences) and copying and pasting text from websites, handouts, or other materials in the program information fields.

b) New applicants should consider attaching supporting documentation confirming the agency’s certificate of incorporation and Federal Employer ID number to expedite and assist during the initial application review process. New applicants may be contacted by the Office of the Controller General (OCG) after an application is submitted and asked to provide this information.

c) All materials submitted to the OCG during the grant application process are subject to public inspection upon request by the Freedom of Information Act (FOIA). Please provide a separate document listing any information in the application or financial documents and audits that you believe to be a trade secret or commercial or financial information that is privileged or confidential under FOIA, specifically § 10002(k)(2) of Title 29 of the Delaware Code.

d) The Grants Management System will periodically auto-save your work. At the bottom of each page is a blue button labeled Save Draft (Save Draft). It is essential to click this before going to the next page or walking away from your computer to prevent a loss of information.

e) All items marked with an asterisk (*) are mandatory fields. The application can only be submitted if all asterisk items have been completed. As you go through the application, you can click the blue button labeled Validate (Validate) for your application in progress. Clicking this button will allow the system to determine and advise which fields still need to be completed to apply.

- A red X (X) will appear alongside red text next to an incomplete field. Additionally, a Submission Failed dialogue box will appear at the top of your screen to indicate any incomplete fields. Clicking a specific line of text in the Submission Failed dialogue box will take you directly to where you need to finish providing information in the application.

f) Once the application has been submitted, if the deadline for submission has not passed, you may unlock your application for revisions. From your home screen, look for Applications in the UNDER REVIEW (UNDER REVIEW) tab. Click the Application you want to open or the Open (Open) button. Once the application has opened, click the blue button at the bottom of your screen labeled Unlock for Revisions (Unlock for Revisions), and the system will allow you to make any desired changes to your application. **Just be sure to resubmit it before the deadline!** Once an application deadline has passed, changes can only be made by contacting the appropriate Controller General Analyst (CGA) or Grant-In-Aid Coordinator. You may email GIA_Support@Delaware.gov to see if your request can be accommodated. If the application review process has already occurred, you will unlikely be able to make any changes.

g) Handouts or other literature may be scanned and uploaded to the application for submission if desired. This can be done from the Summary tab of the electronic application form.
3. Controller General Analyst Contact Information

Please contact the appropriate analyst with any questions you may have while completing your application. If your organization has previously received GIA funding and are unsure of what category your organization falls under, you can determine this by reviewing the most recent GIA Act, House Bill 197.
