A focused review is a specialized assessment of an entity to evaluate a component within an entity, such as a specific statute, policy, rule, regulation, or program related to the entity.

Public comment is valuable to the review process and JLOSC staff encourages the public to submit comments concerning any entity under full or focused review via email at [sunset@delaware.gov](mailto:sunset@delaware.gov) or anonymously by using the [public comment form](#).

Staff present all completed reports to JLOSC in a public meeting where the committee will also accept public comment.
