5 WHEREAS, an individual's ability to access reproductive health care is critical to their physical, psychological,  
6 and socioeconomic well-being; and

7 WHEREAS, low-income people, people of color, young people, and others continue to face obstacles to abortion  
8 care; and

14 WHEREAS, January 22, 2023 is the 50<sup>th</sup> anniversary of the United States Supreme Court ruling in the case of *Roe*  
15 *v. Wade* that affirmed the constitutional right to abortion; and
