HOUSE BILL NO. 2

AN ACT TO AMEND TITLES 4, 11, 16, AND 30 OF THE DELAWARE CODE RELATING TO CREATION OF THE DELAWARE MARIJUANA CONTROL ACT.

1 WHEREAS, the creation of a legal, regulated marijuana industry would effectively eliminate the illegal market for
2 marijuana in Delaware by diverting demand away from illicit cartels and enterprises, and provide law enforcement officials
3 the legal means necessary to ensure the safe legal use of marijuana in Delaware; and

4 WHEREAS, the legalization and regulation of marijuana would address criminal justice concerns related to
5 criminalization and prohibitions on the production, possession, and transportation of the substance, recognizing a Black

7 and

8 WHEREAS, it is the responsibility of the General Assembly to ensure that Delawareans most impacted by
9 prohibition are guaranteed access to the legal marijuana market; and

10 WHEREAS, the creation of a legal framework to regulate the production and sale of marijuana in the State of
11 Colorado and the State of Washington has generated a multi-billion dollar industry and yielded more than 38,000 well-
12 paying jobs in Colorado and 22,000 jobs in Washington; and

13 WHEREAS, the adult recreational use of marijuana has been legalized in neighboring states including New York,
14 New Jersey, and Maryland; and

346 (e) The members of the Appeals Commission are to be compensated at the rate of \$150 per meeting together with
347 the reasonable expenses for no more than 12 meetings per year.

349 frequently as needed to consider appeals of the Commissioner's decision.

350 § 1322. Duties and powers of the Commissioner.

351 (a) The Commissioner, in accordance with the Administrative Procedures Act, Chapter 101 of Title 29, shall do all
352 of the following:

353 (1) Adopt rules and regulations consistent with § 1331 of this title and other provisions of this chapter or of
354 any other law of this State, and all such rules and regulations have the force and effect of law. A rule or regulation may
355 not extend, modify, or conflict with any law of this State or the reasonable implications thereof. A rule or regulation
356 adopted under this paragraph (a)(1) of this section must focus primarily on public safety and the best interests of the
357 consumer and may not unduly restrict competition within the marijuana industry.

358 (2) Maintain ongoing communication with the Department of Agriculture regarding the physical address
359 where marijuana or hemp is cultivated. Prior to issuing any license for cultivation of marijuana, the Commissioner
360 shall notify the Department of Agriculture of a proposed location of any marijuana cultivation establishment, and take
361 into consideration any concerns by the Department of Agriculture as it relates to the indoor and outdoor cultivation of
362 marijuana.

363 (3) Establish rules and regulations for the effective control of the business of cultivation, manufacture, and
364 sale of marijuana and marijuana products within the State, including the time, place, and manner in which marijuana
365 and marijuana products may be sold and dispensed, not inconsistent with § 1331 of this title and other provisions of
366 this chapter or with any other law of this State.

367 (4) Establish health and safety regulations for the indoor and outdoor cultivation of marijuana by marijuana
368 establishments under this chapter. Such rules and regulations under this section must be consistent with applicable
369 rules and regulations established under the regulatory authority of the Department of Agriculture and the Department
370 of Natural Resources and Environmental Control and may include all of the following:

371 a. Prohibition of the use of pesticides that are neither organic nor federally approved for marijuana.

372 b. Standards for the use of carbon dioxide.

373 c. Standards for water use.

374 d. Standards for disposal of waste.

375 e. Standards for indoor and outdoor air quality.

376 (5) Grant, refuse, suspend, or cancel licenses required by this chapter for the cultivation, manufacture, or sale
377 of marijuana and marijuana products, or other licenses required by this chapter in regard thereto and to transfer any
378 license granted. The Commissioner must provide the applicant or licensee with written communication regarding any
379 decision to grant, refuse, suspend, or cancel licenses required by this chapter for the cultivation, manufacture, or sale of
380 marijuana and marijuana products, or other licenses required by this chapter in regard thereto, and when transferring
381 any license granted.

382 (6) Hear complaints in regard to the appointments of, or the conduct of business in, any establishment where
383 marijuana or marijuana products are licensed to be sold upon receipt of a petition signed by at least 10 individuals who
384 are residents of the same neighborhood. Ten days' notice of such hearings, together with a recital of the complaint,
385 must be sent by the Commissioner's office by registered mail to the address of the holder of the license for the
386 establishment. Like notice must be delivered at the establishment by affixing the notice addressed to the holder of the
387 license to the outside of an entrance door to the establishment. The hearings must be public and conducted by the
388 Commissioner. The Commissioner, for the purpose of such hearings, has the power to issue subpoenas, compel the
389 attendance of witnesses, administer oaths, take testimony, and compel the production of pertinent books, payrolls,
390 accounts, papers, records, and documents. In case any person summoned to testify or to produce any such written or
391 printed evidence refuses, without reasonable cause, to be examined, to answer a legal and pertinent question, or to
392 produce any such written or printed evidence, the Commissioner conducting the hearing may certify the fact of any
393 such refusal to the Superior Court of the county in which such hearing is held and the court may proceed against the
394 person so refusing as for a contempt and punish such person in the same manner as persons are punished for contempt
395 of court.

396 (7) Compel the attendance of witnesses and the production of contracts, papers, books, accounts, and other
397 documents. Subpoenas issued must be signed by the Commissioner and may be served by any sheriff, deputy sheriff,
398 constable, or any agent of the Division and return thereof made to the Commissioner. The Commissioner may enforce
399 compliance with a subpoena issued under this subsection by filing a motion to compel in the Superior Court, which
400 shall have jurisdiction over the matter. The court may award costs and attorney fees if it determines that
401 noncompliance with a Commissioner subpoena was unjustified, intentional, or in bad faith.

402 (8) Act, for purposes of this chapter, as the competent authority in connection with other matters pertinent
403 thereto.

404 (9) Provide such special seals, labels, and wrappers as deemed necessary for protection of the public against
405 imitations, adulterations, and frauds, and prescribe the proper use of the seals, labels, and wrappers.

406 (10) Provide such warning signs as may be required by this chapter and distribute such signs to license holders
407 and promulgate regulations with respect to the posting of said signs. The Commissioner may charge a nominal fee to
408 cover printing, handling, and distribution costs.

409 (11) Coordinate with the Division of Small Business, Development and Tourism to connect potential
410 marijuana establishments licensed under this chapter with programs that support business development, including
411 farms and programs that support small businesses owned by minorities, women, and veterans.

412 (12) Establish rules and regulations for the effective collection of data regarding retail sales of marijuana and
413 marijuana products by consumers to track compliance with possession limits.

414 (13) Consult with the Division of Alcohol and Tobacco Enforcement before adopting or establishing any rules
415 or regulations that concern enforcement.

416 (b) The Commissioner's decision on any appeal or hearing under this chapter must be in writing and is final and
417 conclusive unless a party to such hearing files an appeal within 30 days from the date of the postmark on the
418 Commissioner's decision by mailing notice of the appeal to the Commissioner's office. Upon receipt of the appeal, the
419 Commissioner shall notify the chair of the Appeals Commission of the pending appeal and the chair shall convene the
420 Appeals Commission with at least 20 days' notice to all parties. The Appeals Commission shall hear the appeal and shall
421 review the matter on the record; act in accordance with the Administrative Procedures Act, Chapter 101 of Title 29; and
422 affirm, reverse, or modify the decision of the Commissioner. A decision of the Commissioner may only be reversed upon a
423 finding of abuse of discretion.

424 (c) The Commissioner may appear before the Appeals Commission for any appeal of a Commissioner's decision
425 and may appeal any decision of the Appeals Commission or any decision of the Superior Court on appeal from the Appeals
426 Commission.

427 § 1323. Oath of Office of Commissioner and employees.

428 The Commissioner, members of the Appeals Commission, and any hearing officer shall, on entering office, take
429 the oath or affirmation set forth in Article XIV of the Constitution of this State. Any other employee may be required to
430 take the oath or affirmation set forth in Article XIV of the Constitution of this State at the discretion of the Secretary of the
431 Department of Safety and Homeland Security.

432 § 1324. Conflict of interest.

433 (a) The Commissioner, members of the Appeals Commission, and any hearing officer or such person's spouse, or
434 such person's parent, son, or daughter residing at such person's residence, may not have a financial interest in any entity

435 that sells, manufactures, cultivates, or uses marijuana; provided, however, such persons may invest in mutual funds or
436 similar financial instruments that hold no more than a 10% interest in any such entity.

437 (b) Neither the Commissioner nor any person employed in the office of the Commissioner shall receive any
438 commission or profit whatsoever from, or have any interest whatsoever in a business licensed under this chapter to
439 cultivate, manufacture, purchase, or sell marijuana or marijuana products; provided, however, that nothing in this section
440 shall prevent the Commissioner, a member of the Appeals Commission, a hearing officer, or an employee from purchasing
441 and keeping marijuana or marijuana products for the personal use of him or herself, or members of his or her family or his
442 or her guests if such purchase is otherwise permitted by this chapter.

443 (c) The Commissioner and the members of the Appeals Commission shall annually file the Financial Report
444 required under § 5813 of Title 29 with the Public Integrity Commission.

447 furnish in duplicate and in writing to the Governor and to the President Pro Tempore of the Senate a statement of every
448 interest, direct or indirect, and however small, held or owned by the individual as a member or as a stockholder in any
449 partnership, corporation, or other association engaged in the sale or in the cultivation or manufacture of marijuana or
450 marijuana products or in any undertaking, industry, or business in which marijuana or marijuana products are used or
451 required. Prior to taking the oath of office, the Commissioner and members of the Appeals Commission must wholly and
452 fully dispose of all interests, except those permitted by § 1324 of this chapter. One copy of the statement must be inserted in

471 facility to ensure that the operation of smaller facilities is not made unreasonably impracticable. The Commissioner shall

476 marijuana establishment if more qualified applicants apply than the Commissioner may license under this subchapter
477 and that ensures applicants will follow best practices for community engagement, consumer protection, food safety,
478 worker safety, family support jobs, diversity, public safety, and environmental stewardship. The competitive scoring

520 (12) Standards for marijuana product manufacturers to use so that consumers can determine the amount of
521 marijuana in each product and compare the amount of marijuana in different products based upon the standard
522 measurements, including a definition of the amount of delta-9 tetrahydrocannabinol that constitutes a single serving in
523 a marijuana product.

601 verify that the purchaser has a valid government-issued photo identification card showing that the individual is 21
602 years of age or older. If an individual under 21 years of age presents a fraudulent proof of age, any action relying on

605 under 21 years of age and is exhibiting fraudulent proof of age in an attempt to obtain any retail marijuana or

613 acting in good faith and upon reasonable grounds therefor, may detain and question such person in a reasonable
614 manner for the purpose of ascertaining whether the person is guilty of any unlawful act regarding the purchase of
615 retail marijuana. The questioning of an individual by an employee or a law enforcement officer does not render the
616 licensee, the employee, or the law enforcement officer civilly or criminally liable for slander, false arrest, false
617 imprisonment, malicious prosecution, or unlawful detention.

618 (h) A retail marijuana store must provide a sample of its products to a facility that has a marijuana testing facility

629 edible product that does not contain marijuana, including sodas, candies, or baked goods.

630 (2) A retail marijuana store may not sell any retail marijuana or retail marijuana products that contain nicotine
631 or alcohol if the sale of the alcohol would require a license under this title.

654 (d) A person who has a financial interest in a marijuana testing facility license from the Commissioner for testing
655 purposes may not have a financial interest in a registered compassion center, a marijuana cultivation facility, a marijuana
656 products manufacturing facility, or a retail marijuana store. A person that has a financial interest in a registered compassion
657 center, a marijuana cultivation facility, a marijuana products manufacturing facility, or a retail marijuana store may not
658 have a financial interest in a facility that has a marijuana testing facility license or is a registered safety compliance facility.

669 license as set forth in this subsection (b). A marijuana cultivation facility licensee must renew the license biennially by
670 paying the fee set forth in this subsection (b) and by providing documentation of a labor peace agreement.

671 (2) The license fee is based on the cannabis plant grow canopy area, which is calculated as follows:

672 a. Square footage of a cannabis plant grow canopy area is measured horizontally starting from the
673 outermost point of the furthest plant in a cannabis plant grow canopy area and continuing around the outside of all
674 plants located within the cannabis plant grow canopy area.

675 b. If a vertically tiered or shelving system is included in the cultivation area, the surface area of each tier

677 may not exceed 24 feet in height.

678 c. A cannabis plant grow canopy area is the total square feet in which a cannabis cultivator plants and
679 grows cannabis plants, and does not include areas exclusively used for harvesting, drying, curing, packaging,

872 community within which the license is to operate.

873 (2) The Commissioner may hold a hearing in the absence of a protest.

874 (3) The Commissioner shall cause notice of the time and location of the hearing to be published in 2
875 consecutive issues of the same newspapers within which the applicant published notice of the applicant's application
876 for the license.

879 the Commissioner to send notice to a legal agent representing a person.

880 (5) The Commissioner shall conduct the hearing and shall make and keep a record of the hearing. The record
881 must include the evidence, the Commissioner's findings of fact, the Commissioner's decision, and a brief statement of
882 the reasons for the decision.

886 into account and gave them due consideration when making the decision.

887 (c) The Commissioner's decision on an application must be in writing and is final and conclusive unless a party to
888 such hearing files an appeal within 30 days from the date of the postmark on the Commissioner's decision by mailing notice

894 (d) A party who is aggrieved by a final decision of the Appeals Commission may file a written appeal with the

896 of an appeal shall be on the record and in accordance with the Administrative Procedures Act, subchapter V of Chapter 101
897 of Title 29. The Superior Court's review shall take into account the experience and specialized competence of the
898 Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the absence
899 of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the record and is
900 free from legal error.

901 § 1353. Decision upon application for renewal of license; time of making.

902 On or before the first day of the month preceding the biennial expiration date of a license, the Commissioner shall
903 render a decision upon every application properly and completely made to it on or before the first day of the third month
904 preceding the biennial expiration date of a license.

905 § 1354. Grounds for refusal of license; transfer or extension of premises.

907 license is contrary to the law of any municipality or county adopted under § 1351 of this chapter.

908 (b) The Commissioner may refuse to license an applicant if the Commissioner has substantial evidence that would
909 reasonably support a belief that any of the following apply:

910 (1) There are sufficient licensed premises in the municipality or county, or the granting of a license in the
911 municipality or county stated in the application is not otherwise demanded by public interest or convenience.

912 (2) The applicant appears to be financially irresponsible.

914 (4) The applicant, including any of the applicant's directors or officers, or any of the applicant's shareholders
915 who hold more than 10% of the outstanding issued shares, has been convicted of an offense that may impact the
916 qualifications, functions, or duties of the business or profession for which the application is made, except that if the
917 Commissioner determines that the applicant is otherwise suitable to be issued a license, and granting the license would
918 not compromise public safety, the Commissioner shall conduct a thorough review of the nature of the crime,
919 conviction, circumstances, and evidence of rehabilitation of the applicant, and shall evaluate the suitability of the
920 applicant to be issued a license based on the evidence found through the review. In determining which offenses may
921 impact the qualifications, functions, or duties of the business or profession for which the application is made, the
922 Commissioner shall include the following:

923 a. A violent Title 11 or Title 31 felony conviction as defined in §4201(c) of Title 11 or its functional

936 States, any state or territory of the United States, or any other country.

937 (5) A substantial objection to the granting of the license has been presented by the community within which
938 the license is to operate, or that the granting of such license is otherwise not in the public interest. For the purposes of
939 this subsection, the term "substantial objection" includes 1 or more of the following:

940 a. Any objection, or group of objections, presented to the Commissioner either individually or as a group,
941 by persons who reside within 5 miles of where the licensee is to operate, sufficient to give the Commissioner
942 reason to believe that a majority of the residents in that 5 mile radius within which the licensee is to operate
943 oppose the issuance of the license.

944 b. Any objection, or group of objections, presented to the Commissioner either individually or as a group,
945 the content of which gives the Commissioner reason to believe the quality of life of the community within which
946 the licensee is to operate will be adversely affected by the granting of the license.

947 (c) A prior conviction, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of a
948 controlled substance may not be a ground for denial of a license.

950 accessories to any new establishment to be located in the vicinity of a church, school, college or substance abuse treatment
951 facility as defined under § 2203 of Title 16. The Commissioner may issue a license to any establishment located in the

953 school, or college may thereafter be located in the vicinity of such establishment.

954 (e) The Commissioner shall refuse to grant a license for the sale of marijuana, marijuana products, or marijuana
955 accessories when there is an existing licensed establishment of the same type within 1200 feet by accessible public road or
956 street in any incorporated city or town, or within 1 mile by accessible public road or street in any unincorporated or rural
957 area. If there is an existing licensed establishment less than 1 mile but more than nine tenths of 1 mile by accessible public
958 road or street in any unincorporated or rural area, the Commissioner may grant such license. This subsection does not apply
959 to any of the following:

966 of the building, loss of lease, diversion of highway traffic pattern, or other reason beyond the control of the licensee, shall
967 have preference in the issuance of a new license provided that the application satisfies this section and all other
968 requirements under this chapter.

969 (g) The Commissioner may not grant a new license of any type and may not grant an extension of premises of an
970 existing license of any type unless the application for said new license or for said extension is accompanied by a Certificate

973 (2) That all necessary permits have been approved.

975 political subdivision.

976 (h) Subsection (g) of this section does not apply to any application for a temporary extension of premises as

978 the political subdivision was provided with notice of the application by the applicant within 7 days of the date the
979 application is filed with the Commissioner.

980 § 1355. Finality of Commissioner's decision refusing license.

981 If an application is not timely protested, but the Commissioner determines that the application should nevertheless
982 be denied, the Commissioner shall render the decision promptly in writing. The Commissioner's decision shall be final and
983 conclusive unless, within 30 days after notice thereof has been mailed by the Commissioner's office, the applicant files an
984 appeal in the office of the Commissioner. The appeal shall follow the procedure outlined in § 1362 of this chapter.

985 § 1356. Improvements to premises.

986 The Commissioner may not require an applicant to make improvements to the premises before the issuance of a

1033 (1) The licensee has been given a public hearing by the Commissioner at which time the licensee is entitled to
1034 legal representation and to present witnesses.

1035 (2) The ground for canceling or suspending a license is established by clear and convincing evidence.

1036 (b) The Commissioner shall keep a full and complete record of all proceedings incident to a hearing under
1037 subsection (a) of this section. The Commissioner shall record all testimony at such hearing, but need not have it transcribed
1038 unless an order of the Commissioner is appealed to the Superior Court under subsection (c) of this section.

1039 (c) An order of the Commissioner relative to suspension or cancellation of a license, or fining a licensee, becomes
1040 final 10 days after the licensee receives notice thereof, unless, within 10 days of the date of the postmark on the
1041 Commissioner's decision, a written appeal is filed in the Superior Court. No bond may be required for filing such appeal.

1042 (d) The appeal must state the grounds upon which a review is sought. After the appeal is filed, service shall be
1043 made by the Sheriff upon the Commissioner. The Commissioner shall certify and file with the court all documents and
1044 papers and a transcript of all testimony taken in the matter, together with the Commissioner's findings therein as soon as
1045 practicable but in no event later than 20 calendar days from the date of service of the appeal. The Superior Court's review of
1046 an appeal shall be on the record and the Superior Court shall take into account the experience and specialized competence
1047 of the Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the

1048 absence of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the
1049 record and is free from legal error.

1050 (e) An appeal without bond may be taken from the decision of the Superior Court to the Supreme Court in the
1051 same manner as is provided in civil cases. Upon the final determination of judicial proceedings, the Commissioner shall
1052 enter an order in accordance with such determination, or shall take such further or other action as the Court may order. A
1053 petition for Supreme Court review shall act as a supersedeas.

1054 § 1363. Effect of cancellation or surrender of license; notice.

1055 (a) The cancellation or acceptance of a surrender of a license entails the loss of the privilege conferred by the
1056 license and entails the acceptance of or the seizure by the Commissioner of any marijuana or marijuana products found in
1057 the possession of the licensee, except those which occur solely by reason of the death of the licensee.

1058 (b) Notice of the order of the cancellation or acceptance of the surrender of a license may be served by an officer
1059 designated by the Commissioner; by affixing a duplicate thereof to the outside of the entrance door of the licensed
1060 premises; by leaving a duplicate with the holder of the license, or with any member of the family of the holder over the age
1061 of 18 years at the residence of the holder; or otherwise as in the judgment of the Commissioner will give notice of such
1062 cancellation or acceptance of the surrender. All cancellations or acceptances of surrender of a license take effect as soon as
1063 the order is served.

1064 (c) The cancellation or acceptance of surrender of a license does not prevent the filing of any criminal proceedings
1065 for any offense against the licensee while the license was in force. No conviction obtained for any offense prevents the
1066 Commissioner from cancelling a license or from making at the same time a seizure of marijuana or marijuana products as
1067 provided in this title.

1068 (d) The Commissioner shall adopt regulations for seizure of marijuana and marijuana products that preserves and
1069 does not destroy the marijuana or marijuana products.

1070 § 1364. Payments to former licensee.

1071 The Commissioner shall, within 30 days of the date of the cancellation or acceptance of surrender of a license,
1072 remit to the former licensee a part of the license fee which has been paid and pertains to the unexpired term of the license.
1073 In addition, the Commissioner shall remit to the former licensee the amount originally received by the Commissioner from
1074 the former licensee in payment for such marijuana or marijuana products accepted or seized as remains in packages sealed
1075 by the Commissioner, after paying or deducting therefrom all costs and expenses incurred by the Commissioner by reason
1076 of the acceptance or seizure of the marijuana or marijuana products of the former licensee. When other legally acquired
1077 marijuana or marijuana products have been accepted or seized under this section, the value thereof as determined by the

1078 Commissioner must be remitted by the Commissioner to the former licensee, after paying or deducting therefrom all costs
1079 and expenses incurred by the Commissioner by reason of the acceptance or seizure of the marijuana or marijuana products
1080 of the former licensee. No payment may be made for illegally acquired marijuana or marijuana products that have been
1081 seized under this section.

1082 Subchapter VI. Transfer of License; Death of Licensee

1083 § 1366. Transfer of license.

1084 (a) The rights conferred by a license may be transferred by the Commissioner to any representative designated by
1085 the person to whom or on behalf of whom the license was originally granted, if such representative is a person approved by
1086 the Commissioner. In the case of death of a licensee, the Commissioner may transfer the license to a qualified person
1087 recommended by the executor or administrator of the estate of the deceased licensee.

1088 (b) In instances where the Commissioner has approved the transfer of a license, all matters concerning marijuana
1089 inventories must be handled directly between the transferor and the transferee and all payments must be made directly and
1090 not through the Commissioner.

1091 (c) A social equity or microbusiness license may not be transferred to a person who would not meet the criteria for
1092 the issuance of an original social equity or microbusiness license.

1093 § 1367. Death of licensee; payments to licensee's estate.

1094 If any licensee dies and no application is made for transfer of the license, or the Commissioner refuses to permit
1095 the transfer of the license to another person, the Commissioner shall return to the legal representative of such deceased
1096 licensee a share of the license fee received by the Department proportionate to the number of full calendar months of the
1097 unexpired term. If the marijuana or marijuana products in possession of the licensee at the time of the licensee's death are
1098 delivered to the Commissioner and the Commissioner ascertains that such marijuana or marijuana products have been
1099 received by the deceased licensee according to law, the Commissioner must pay to the legal representative the amount
1100 originally received by the Commissioner for such marijuana or marijuana products less 10% thereof, or the appraised value
1101 less 10% thereof.

1102 §§ 1368-1370. Reserved.

1104 § 1371. Commissioner approval.

1107 Commissioner.

1108 § 1372. Change in ownership.

1122 § 1373. Change in officers or directors.

1123 (a) Each person elected as an officer or director of a licensee shall notify the Commissioner within 7 days after the

1124 election and provide all information requested by the Commissioner.

1125 (b) No new officer or director may act as an officer or director until approved by the Commissioner.

1126 § 1374. Changes in financial interest.

1127 No person may obtain a financial interest in a license or licensee without doing all of the following:

1128 (1) Notification to the Commissioner.

1129 (2) Providing all information and documents requested by the Commissioner.

1130 § 1375. Fees.

1146 (d) Except as otherwise provided by the Commissioner, the amount of the tax shall be separately stated on an
1147 invoice, receipt, or other similar document that the marijuana retailer provides to the consumer at the time the retail sale
1148 occurs.

1149 (e) A person may not knowingly sell, purchase, install, transfer, or possess electronic devices or software programs
1150 for the purposes of either of the following:

1151 (1) Hiding or removing records of retail sales of marijuana products.

1180 store licensee shall concurrently with such discontinuance, sale, or transfer make a report and pay all such taxes, interest,
1181 and penalties.

1182 (b) If a retail marijuana store license is transferred under § 1366 of this chapter, the purchaser or transferee shall be

SYNOPSIS

The Delaware Marijuana Control Act regulates and taxes marijuana for recreational use in much the same manner as alcohol. It creates a framework for production, manufacture, and sale in a legal recreational marijuana industry.

Section 1: Amends Chapter 47 of Title 16 to provide that the offenses and penalties under Uniform Controlled Substances Act do not apply to marijuana-related conduct allowed under the Delaware Marijuana Control Act or the Delaware Medical Marijuana Act, Chapter 49A of Title 16.

Section 2: Amends § 4902A of Title 16 so that the definition of a registered safety compliance facility includes not just marijuana produced for medical use but also marijuana produced under the Delaware Marijuana Control Act.

Section 3: Amends Chapter 4 of Title 4 to expand the Division of Alcohol and Tobacco Enforcement's duties and powers to the Delaware Marijuana Control Act.

Section 4: This section is the Delaware Marijuana Control Act. Subchapter I contains definitions and general provisions. Where definitions or analogous provisions exist in the Delaware Code, the definitions are referenced and the language from existing statutes is used. This section of the Act permits individuals over age 21 to possess, use, purchase, or transport 1 ounce (28 grams) or less of marijuana, no more than 5 grams of which may be concentrated, if the individuals are in compliance with this chapter. It permits the operation of marijuana businesses if they operate under licenses granted under Chapter 49A of Title 16, but imposes the same limits on hours and holiday sales as apply to sales of alcohol. It prohibits the use of marijuana in public, by drivers or passengers in vehicles, and prohibits the smoking of marijuana anywhere that smoking tobacco or e-cigarettes is not permitted. Marijuana may not be sold in an establishment licensed to sell alcohol. It delineates the rights of property owners with respect to marijuana possession and consumption. There are specific provisions imposing the same penalties as with alcohol sales, for individuals under the age of 21 using false identification to purchase marijuana, and for businesses that fail to verify the age of marijuana consumers.

This Act creates the Delaware Marijuana Control Act Oversight Committee. This Oversight Committee will coordinate the implementation of this Act with the Medical Marijuana Program, the Division of Public Health, the Division of Substance Abuse and Mental Health, and the public. The Oversight Committee will review the effectiveness of the Delaware Marijuana Control Act in regard to the safe operation of facilities licensed under this Act, the impact of this Act on public safety, and the impact of this Act on public health. The Commissioner must submit an annual report to the Governor and the members of the General Assembly setting forth all matters of interest and all statistics concerning marijuana regulation and control in the State including: the number of licenses of each variety issued with the State; including the name and address of each person licensed to cultivate, manufacture, or sell marijuana or marijuana products in the State; the amount of marijuana and marijuana products sold within the State; the number of licenses of each kind granted and the number cancelled during the year, and the outcomes and effective of the issuance of social equity licenses.

Subchapter II creates the position of Marijuana Commissioner and an Appeals Commission. The Commissioner has the power to grant licenses for marijuana establishments, establish health and safety regulations for marijuana cultivation, regulate distribution, and hear complaints regarding establishments licensed under this Act. The Commissioner must consult with the Division of Alcohol and Tobacco Enforcement before adopting or establishing policies that concern enforcement. Finally, they must coordinate with the Division of Small Business, Development, and Tourism so that potential businesses licensed under this Act have access to programs, particularly those that support small businesses owned by minorities, women, and veterans.

Subchapter III sets up the regulations and licenses under the Delaware Marijuana Control Act. The Marijuana Commissioner has the authority to adopt regulations to implement this Act and include specific requirements that marijuana establishments must meet to obtain licenses. Regulations must require that products containing marijuana use a symbol and a standard measurement to be used on all marijuana products so they are easily identified as containing marijuana and consumers can identify the amount of marijuana in different products; be in opaque, child-resistant packaging; and contain a warning label explaining evidence-based harms from consuming marijuana, including the impact on developing brains.

The regulations must also contain security requirements, testing requirements, advertising restrictions, and require that food products comply with State food safety laws.

There are separate licensing requirements for retail marijuana stores, marijuana testing facilities, marijuana cultivation facilities, and marijuana product manufacturing facilities. Licensing requirements also differ between open licenses, social equity licenses, and microbusiness licenses. There is a \$10,000 biennial fee for most open licenses, with reduced licensing fees for microbusinesses and social equity licenses. Cultivation licenses are determined by square footage of the grow canopy area. As part of the competitive scoring process the Commissioner will use to determine which applicant may obtain licenses to operate each type of marijuana establishment, applicants for open licenses will submit a business plan, an environmental and sustainability plan, as well as attestations affirming that (1) the applicant has a labor peace agreement with a bona fide labor organization.

Subchapter III also establishes the criteria for a social equity applicant and requires the Commissioner to develop financial and technical assistance programming to aid social equity applicants. It also establishes the criteria for a microbusiness license.

Subchapter IV contains provisions relating to local control, procedural requirements for licenses and renewals, and hearings and appeals related to licenses.

Subchapters VI and VII provide the Commissioner the authority to refuse approval of changes in the ownership, officers, or directors, financial interest or lease in connection with any license. The subchapter also details the requirements when there is a change in ownership of a license or licensee, a change in officers and directors, and changes in the financial interest of a license or licensee.

Subchapter VIII deals with taxation and creates the Marijuana Regulation Fund and the Justice Reinvestment Fund. The Regulation Fund will consist of fees collected, penalties imposed, and taxes collected under this Act. It creates the marijuana control enforcement tax on retail marijuana in the amount of 15%. 7% of the tax revenue collected will be allocated to the Justice Reinvestment Fund, under the management of the Department of Justice where it will be used for projects to improve quality of life for communities most impacted by the prohibition of marijuana and “war on drugs” era policies. This subchapter also provides for an annual audit of the Office of the Commissioner.

Section 5: Creates a State tax deduction for corporations for all ordinary and necessary expenses paid or incurred by a marijuana establishment to reflect the inability of a business licensed under this Act to deduct these expenses from federal taxes and thus state taxes. This creates a more level playing field with other businesses.

Section 6: Creates a State tax deduction of ordinary and necessary business expenses for pass through entities operating under this Act.

Section 7: Allows the Director of Revenue to enter into an agreement with the Marijuana Commissioner for the inspection of any tax return.

Section 8: Exempts marijuana taxes paid or payable to the state from the gross receipts tax.

Section 9: Removes possession of marijuana from the list of activities that prohibits a person from at the same time possessing a handgun.

Section 10: Makes the provisions of the bill severable.

Section 11: Requires regulations required under new § 1331 of Title 4 to be adopted no later than one year from this bill’s effective date.
