SYNOPSIS

This Act provides for an annual raffle license that will allow for the holding of up to 20 raffle events a year. If such license is obtained, the organization must provide notice to the Board at least 7 days prior to any raffle event but does not have to include details of the prizes or values in the notice. A report must still be filed after the raffle that lists prizes and values. The Act also changes the number of days in which a report must be filed from 30 to 90 if an organization has an annual raffle license.
