DELAWARE STATE SENATE  
152nd GENERAL ASSEMBLY

SENATE BILL NO. 297

AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO DIVERSITY AND INCLUSIVITY IN EDUCATION.

1 WHEREAS, the General Assembly recognizes the contributions of generations of Asian American and Pacific  
2 Islander communities who have enriched and strengthened this state and nation; and

3 WHEREAS, the General Assembly recognizes that it is impossible to tell the story of American life, strength, and  
4 resilience without telling the stories, histories, and perspectives of Asian Americans and Pacific Islanders; and

5 WHEREAS, teaching students about Asian American and Pacific Islander history and contributions is an  
6 important response to the hateful rhetoric and violence the Asian American and Pacific Islander community has  
7 experienced in recent years, and a preventive measure to guard against such rhetoric and violence in the future; and

8 WHEREAS, in recent years, at least one state specifically deleted language regarding the Asian American and  
9 Pacific Islander community from its laws relating to diversity and inclusivity in education; and

10 WHEREAS, in response to that deletion, several other states have undertaken or are undertaking efforts to  
11 explicitly include the Asian American and Pacific Islander community in their laws on diversity and inclusivity in  
12 education; and

13 WHEREAS, Delaware is stronger and more resilient because of our diversity and when all people are treated with  
14 dignity and respect; and

15 WHEREAS, the push for diversity and inclusivity in education should include not only the Asian American and  
16 Pacific Islander community but also all racial, cultural, and ethnic groups.

17 NOW, THEREFORE:

18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

19 Section 1. Amend § 122 of Title 14 of the Delaware Code by making deletions as shown by strike through and  
20 insertions as shown by underline as follows and by redesignating accordingly:

21 § 122. Rules and regulations.

22 (b) The Department shall prescribe rules and regulations:

23                   (7) Ensuring that the implementation of content standards is aligned to a culturally responsive education  
24                   with instruction that fosters academic achievement and cultural competence, intentionally acknowledges and  
25                   values diversity of contributions and the experiences of all learners, and provides opportunities for individuals to  
26                   see themselves and others in their learning, including by updating the Department’s current Diversity Regulation  
27                   to include a non-exhaustive list of racial, ethnic, and cultural groups and promoting the integration of their  
28                   contributions into local K-12 curricula.

#### SYNOPSIS
