DELAWARE STATE SENATE
150th GENERAL ASSEMBLY

SENATE BILL NO. 88

AN ACT TO AMEND TITLE 8 OF THE DELAWARE CODE RELATING TO THE GENERAL CORPORATION LAW.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE (Two-thirds of all members elected to each house thereof concurring therein):

1 Section 1. Amend § 108, Title 8 of the Delaware Code by making deletions as shown by strike through and
2 insertions as shown by underline as follows:

3 § 108 Organization meeting of incorporators or directors named in certificate of incorporation.

4 (b) The persons calling the meeting shall give to each other incorporator or director, as the case may be, at least 2
5 days' ~~written~~ notice thereof in writing or by electronic transmission by any usual means of communication, which notice
6 shall state the time, place and purposes of the meeting as fixed by the persons calling it. Notice of the meeting need not be
7 given to anyone who attends the meeting or who ~~signs a waiver of~~ waives notice either before or after the meeting.

8 (c) Any action permitted to be taken at the organization meeting of the incorporators or directors, as the case may
9 be, may be taken without a meeting if each incorporator or director, where there is more than 1, or the sole incorporator or
10 director where there is only 1, ~~signs an instrument which states the action so taken~~ consents thereto in writing or by
11 electronic transmission. Any person (whether or not then an incorporator or director) may provide, whether through
12 instruction to an agent or otherwise, that a consent to action will be effective at a future time (including a time determined
13 upon the happening of an event), no later than 60 days after such instruction is given or such provision is made and such
14 consent shall be deemed to have been given for purposes of this subsection at such effective time so long as such person is
15 then an incorporator or director, as the case may be, and did not revoke the consent prior to such time. Any such consent
16 shall be revocable prior to its becoming effective.

17 Section 2. Amend Title 8 of the Delaware Code to add a new § 116 as shown by underline as follows:

18 § 116. Document Form, Signature and Delivery.

19 (a) Except as provided in subsection (b) of this section, without limiting the manner in which any act or
20 transaction may be documented, or the manner in which a document may be signed or delivered:

21 (1) Any act or transaction contemplated or governed by this chapter or the certificate of incorporation or
22 bylaws may be provided for in a document, and an electronic transmission shall be deemed the equivalent of a written

23 document. "Document" means (i) any tangible medium on which information is inscribed, and includes handwritten,
24 typed, printed or similar instruments, and copies of such instruments and (ii) an electronic transmission.

25 (2) Whenever this chapter or the certificate of incorporation or bylaws requires or permits a signature, the
26 signature may be a manual, facsimile, conformed or electronic signature. "Electronic signature" means an electronic
27 symbol or process that is attached to, or logically associated with, a document and executed or adopted by a person
28 with an intent to authenticate or adopt the document.

29 (3) Unless otherwise agreed between the sender and recipient, an electronic transmission shall be deemed
30 delivered to a person for purposes of this chapter and the certificate of incorporation and bylaws when it enters an
31 information processing system that the person has designated for the purpose of receiving electronic transmissions of
32 the type delivered, so long as the electronic transmission is in a form capable of being processed by that system and
33 such person is able to retrieve the electronic transmission. Whether a person has so designated an information
34 processing system is determined by the certificate of incorporation, the bylaws or from the context and surrounding
35 circumstances, including the parties' conduct. An electronic transmission is delivered under this section even if no
36 person is aware of its receipt. Receipt of an electronic acknowledgement from an information processing system
37 establishes that an electronic transmission was received but, by itself, does not establish that the content sent
38 corresponds to the content received.

39 This chapter shall not prohibit one or more persons from conducting a transaction in accordance with Chapter 12A
40 of Title 6 so long as the part or parts of the transaction that are governed by this chapter are documented, signed and
41 delivered in accordance with this subsection (a) or otherwise in accordance with this chapter. This subsection (a) shall apply
42 solely for purposes of determining whether an act or transaction has been documented, and the document has been signed
43 and delivered, in accordance with this chapter, the certificate of incorporation and the bylaws.

44 (b) Subsection (a) of this section shall not apply to: (1) a document filed with or submitted to the Secretary of
45 State, the Register in Chancery, or a court or other judicial or governmental body of this State; (2) a document comprising
46 part of the stock ledger; (3) a certificate representing a security; (4) any document expressly referenced as a notice (or
47 waiver of notice) by this chapter, the certificate of incorporation or bylaws; (5) a consent in lieu of a meeting given by a
48 director, stockholder or incorporator; (6) a ballot to vote on actions at a meeting of stockholders; and (7) an act or
49 transaction effected pursuant to Section 280 or subchapters III, XIII or XVI of this chapter. The foregoing shall not create
50 any presumption about the lawful means to document a matter addressed by this subsection (b), or the lawful means to sign
51 or deliver a document addressed by this subsection (b). A provision of the certificate of incorporation or bylaws shall not

52 limit the application of subsection (a) of this section unless the provision expressly restricts one or more of the means of
53 documenting an act or transaction, or of signing or delivering a document, permitted by subsection (a).

54 (c) In the event that any provision of this chapter is deemed to modify, limit or supersede the Electronic
55 Signatures in Global and National Commerce Act, [15 U.S.C. [§§] 7001 et. seq.], the provisions of this chapter shall control
56 to the fullest extent permitted by section 7002(a)(2) of such act.

57 Section 3. Amend § 136, Title 8 of the Delaware Code by making deletions as shown by strike through and
58 insertions as shown by underline as follows:

59 § 136 Resignation of registered agent not coupled with appointment of successor.

60 (a) The registered agent of ~~1 or more corporations~~ a corporation, including a corporation which has become void
61 pursuant to Section 510 of this title, may resign without appointing a successor by filing a certificate of resignation with the
62 Secretary of State, but such resignation shall not become effective until 30 days after the certificate is filed. The certificate
63 shall be executed and acknowledged by the registered agent, shall contain a statement that written notice of resignation was
64 given to ~~each affected~~ the corporation at least 30 days prior to the filing of the certificate by mailing or delivering such
65 notice to the corporation at its address last known to the registered agent and shall set forth the date of such notice. The
66 certificate shall include such information last provided to the registered agent pursuant to Section 132(d) of this title for a
67 communications contact for the affected corporation. Such information regarding the communications contact shall not be
68 deemed public. A certificate filed pursuant to this section must be on the form prescribed by the Secretary of State.

69 Section 4. Amend § 141, Title 8 of the Delaware Code by making deletions as shown by strike through and
70 insertions as shown by underline as follows:

71 § 141 Board of directors; powers; number, qualifications, terms and quorum; committees; classes of directors;
72 nonstock corporations; reliance upon books; action without meeting; removal.

73 (f) Unless otherwise restricted by the certificate of incorporation or bylaws, any action required or permitted to be
74 taken at any meeting of the board of directors or of any committee thereof may be taken without a meeting if all members
75 of the board or committee, as the case may be, consent thereto in writing, or by electronic transmission ~~and the writing or~~
76 ~~writings or electronic transmission or transmissions are filed with the minutes of proceedings of the board, or committee.~~
77 ~~Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes~~
78 ~~are maintained in electronic form.~~ Any person (whether or not then a director) may provide, whether through instruction to
79 an agent or otherwise, that a consent to action will be effective at a future time (including a time determined upon the
80 happening of an event), no later than 60 days after such instruction is given or such provision is made and such consent
81 shall be deemed to have been given for purposes of this subsection at such effective time so long as such person is then a

82 director and did not revoke the consent prior to such time. Any such consent shall be revocable prior to its becoming
83 effective. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of the proceedings
84 of the board of directors, or the committee thereof, in the same paper or electronic form as the minutes are maintained.

85 Section 5. Amend § 160, Title 8 of the Delaware Code by making deletions as shown by strike through and
86 insertions as shown by underline as follows:

87 § 160 Corporation's powers respecting ownership, voting, etc., of its own stock; rights of stock called for
88 redemption.

89 (d) Shares which have been called for redemption shall not be deemed to be outstanding shares for the purpose of
90 voting or determining the total number of shares entitled to vote on any matter on and after the date on which ~~written~~ notice
91 of redemption has been sent to holders thereof and a sum sufficient to redeem such shares has been irrevocably deposited or
92 set aside to pay the redemption price to the holders of the shares upon surrender of certificates therefor.

93 Section 6. Amend § 163, Title 8 of the Delaware Code by making deletions as shown by strike through and
94 insertions as shown by underline as follows:

95 § 163 Payment for stock not paid in full.

96 The capital stock of a corporation shall be paid for in such amounts and at such times as the directors may require.
97 The directors may, from time to time, demand payment, in respect of each share of stock not fully paid, of such sum of
98 money as the necessities of the business may, in the judgment of the board of directors, require, not exceeding in the whole
99 the balance remaining unpaid on said stock, and such sum so demanded shall be paid to the corporation at such times and
100 by such installments as the directors shall direct. The directors shall give ~~written~~ notice of the time and place of such
101 payments, which notice shall be ~~mailed~~ given at least 30 days before the time for such payment, to each holder of or
102 subscriber for stock which is not fully paid at such holder's or subscriber's last known ~~post-office~~ address.

103 Section 7. Amend § 212, Title 8 of the Delaware Code by making deletions as shown by strike through and
104 insertions as shown by underline as follows:

105 § 212 Voting rights of stockholders; proxies; limitations.

106 (c) Without limiting the manner in which a stockholder may authorize another person or persons to act for such
107 stockholder as proxy pursuant to subsection (b) of this section, the following shall constitute a valid means by which a
108 stockholder may grant such authority:

109 (1) A stockholder may execute a writing document authorizing another person or persons to act for such
110 stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder's authorized officer,

111 director, employee or agent ~~signing such writing or causing such person's signature to be affixed to such writing by~~
112 ~~any reasonable means including, but not limited to, by facsimile signature.~~

113 (2) A stockholder may authorize another person or persons to act for such stockholder as proxy by
114 transmitting or authorizing the transmission of ~~a telegram, cablegram, or other means of an~~ an electronic transmission to
115 the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like
116 agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any
117 such ~~telegram, cablegram or other means of~~ transmission must either set forth or be submitted with information from
118 which it can be determined that the ~~telegram, cablegram or other electronic~~ transmission was authorized by the
119 stockholder. If it is determined that such ~~telegrams, cablegrams or other electronic~~ transmissions are valid, the
120 inspectors or, if there are no inspectors, such other persons making that determination shall specify the information
121 upon which they relied.

122 (d) Any copy, facsimile telecommunication or other reliable reproduction of the ~~writing or transmission document~~
123 (including any electronic transmission) created pursuant to subsection (c) of this section may be substituted or used in lieu
124 of the original ~~writing or transmission document~~ for any and all purposes for which the original ~~writing or transmission~~
125 document could be used, provided that such copy, facsimile telecommunication or other reproduction shall be a complete
126 reproduction of the entire original ~~writing or transmission document~~.

127 Section 8. Amend § 222, Title 8 of the Delaware Code by making deletions as shown by strike through and
128 insertions as shown by underline as follows:

129 § 222 Notice of meetings and adjourned meetings.

130 (a) Whenever stockholders are required or permitted to take any action at a meeting, a ~~written~~ notice of the
131 meeting in the form of a writing or electronic transmission shall be given which shall state the place, if any, date and hour
132 of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to
133 be present in person and vote at such meeting, the record date for determining the stockholders entitled to vote at the
134 meeting, if such date is different from the record date for determining stockholders entitled to notice of the meeting, and, in
135 the case of a special meeting, the purpose or purposes for which the meeting is called.

136 (b) Unless otherwise provided in this chapter, the ~~written~~ notice of any meeting shall be given not less than 10 nor
137 more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting as of the record date
138 for determining the stockholders entitled to notice of the meeting. ~~If mailed, notice is given when deposited in the United~~
139 ~~States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the~~

140 corporation. ~~An affidavit of the secretary or an assistant secretary or of the transfer agent or other agent of the corporation~~
141 ~~that the notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.~~

142 Section 9. Amend § 228, Title 8 of the Delaware Code by making deletions as shown by strike through and
143 insertions as shown by underline as follows:

144 § 228 Consent of stockholders or members in lieu of meeting [For application of section, see 81 Del. Laws, c. 86,
145 § 40]

146 (d)(1) ~~A telegram, cablegram or other~~ An electronic transmission consenting to an action to be taken and
147 transmitted by a stockholder, member or proxyholder, or by a person or persons authorized to act for a stockholder, member
148 or proxyholder, shall be deemed to be written and signed for the purposes of this section, provided that any such ~~telegram,~~
149 ~~cablegram or other~~ electronic transmission sets forth or is delivered with information from which the corporation can
150 determine (A) that the ~~telegram, cablegram or other~~ electronic transmission was transmitted by the stockholder, member or
151 proxyholder or by a person or persons authorized to act for the stockholder, member or proxyholder and (B) the date on
152 which such stockholder, member or proxyholder or authorized person or persons transmitted such ~~telegram, cablegram or~~
153 electronic transmission. ~~No consent given by telegram, cablegram or other electronic transmission shall be deemed to have~~
154 ~~been delivered until such consent is reproduced in paper form and until such paper form shall be delivered to the~~
155 ~~corporation by delivery to its registered office in this State, its principal place of business or an officer or agent of the~~
156 ~~corporation having custody of the book in which proceedings of meetings of stockholders or members are recorded.~~
157 ~~Delivery made to a corporation's registered office shall be made by hand or by certified or registered mail, return receipt~~
158 ~~requested. Notwithstanding the foregoing limitations on delivery, consents given by telegram, cablegram or other~~
159 ~~electronic transmission, may be otherwise delivered to the principal place of business of the corporation or to an officer or~~
160 ~~agent of the corporation having custody of the book in which proceedings of meetings of stockholders or members are~~
161 ~~recorded if, to the extent and in the manner provided by resolution of the board of directors or governing body of the~~
162 ~~corporation. A consent given by electronic transmission is delivered to the corporation upon the earliest of: (i) when the~~
163 consent enters an information processing system, if any, designated by the corporation for receiving consents, so long as the
164 electronic transmission is in a form capable of being processed by that system and the corporation is able to retrieve that
165 electronic transmission; (ii) when a paper reproduction of the consent is delivered to the corporation's principal place of
166 business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of
167 stockholders or members are recorded; (iii) when a paper reproduction of the consent is delivered to the corporation's
168 registered office in this State by hand or by certified or registered mail, return receipt requested; or (iv) when delivered in
169 such other manner, if any, provided by resolution of the board of directors or governing body of the corporation. Whether

170 the corporation has so designated an information processing system to receive consents is determined by the certificate of
171 incorporation, the bylaws or from the context and surrounding circumstances, including the conduct of the corporation. A
172 consent given by electronic transmission is delivered under this section even if no person is aware of its receipt. Receipt of
173 an electronic acknowledgement from an information processing system establishes that a consent given by electronic
174 transmission was received but, by itself, does not establish that the content sent corresponds to the content received.

175 (2) Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in
176 lieu of the original writing for any and all purposes for which the original writing could be used, provided that such
177 copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

178 Section 10. Amend § 230, Title 8 of the Delaware Code by making deletions as shown by strike through and
179 insertions as shown by underline as follows:

180 § 230 Exception to requirements of notice.

181 (c) The exception in paragraph (b)(1) of this section to the requirement that notice be given shall not be
182 applicable to any notice returned as undeliverable if the notice was given by electronic transmission. The exception in
183 paragraph (b)(1) of this section to the requirement that notice be given shall not be applicable to any stockholder or member
184 whose electronic mail address appears on the records of the corporation and to whom notice by electronic transmission is
185 not prohibited by Section 232 of this title.

186 Section 11. Amend § 232, Title 8 of the Delaware Code by making deletions as shown by strike through and
187 insertions as shown by underline as follows:

188 § 232 ~~Notice by electronic transmission.~~ Delivery of notice; notice by electronic transmission.

189 (a) Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to
190 stockholders given by the corporation under any provision of this chapter, the certificate of incorporation, or the bylaws
191 may be given in writing directed to the stockholder's mailing address (or by electronic transmission directed to the
192 stockholder's electronic mail address, as applicable) as it appears on the records of the corporation and shall be given (1) if
193 mailed, when the notice is deposited in the U.S. mail, postage prepaid, (2) if delivered by courier service, the earlier of
194 when the notice is received or left at such stockholder's address or (3) if given by electronic mail, when directed to such
195 stockholder's electronic mail address unless the stockholder has notified the corporation in writing or by electronic
196 transmission of an objection to receiving notice by electronic mail or such notice is prohibited by subsection (e) of this
197 section. A notice by electronic mail must include a prominent legend that the communication is an important notice
198 regarding the corporation.

199 ~~(a)~~ (b) Without limiting the manner by which notice otherwise may be given effectively to stockholders, but
200 subject to subsection (e) of this section, any notice to stockholders given by the corporation under any provision of this
201 chapter, the certificate of incorporation, or the bylaws shall be effective if given by a form of electronic transmission
202 consented to by the stockholder to whom the notice is given. Any such consent shall be revocable by the stockholder by
203 written notice or electronic transmission to the corporation. ~~Any such consent shall be deemed revoked if (1) the~~
204 ~~corporation is unable to deliver by electronic transmission 2 consecutive notices given by the corporation in accordance~~
205 ~~with such consent and (2) such inability becomes known to the secretary or an assistant secretary of the corporation or to~~
206 ~~the transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat~~
207 ~~such inability as a revocation shall not invalidate any meeting or other action.~~

208 ~~(b)~~ (c) Notice given pursuant to subsection ~~(a)~~ (b) of this section shall be deemed given:

209 (1) If by facsimile telecommunication, when directed to a number at which the stockholder has consented to
210 receive notice;

211 ~~(2) If by electronic mail, when directed to an electronic mail address at which the stockholder has consented~~
212 ~~to receive notice;~~

213 ~~(3)~~ (2) If by a posting on an electronic network together with separate notice to the stockholder of such
214 specific posting, upon the later of (A) such posting and (B) the giving of such separate notice; and

215 ~~(4)~~ (3) If by any other form of electronic transmission, when directed to the stockholder.

216 ~~An affidavit of the secretary or an assistant secretary or of the transfer agent or other agent of the corporation that~~
217 ~~the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the~~
218 ~~facts stated therein.~~

219 ~~(e)~~ (d) For purposes of this chapter, (1) “electronic transmission” means any form of communication, not directly
220 involving the physical transmission of paper, including the use of, or participation in, 1 or more electronic networks or
221 databases (including 1 or more distributed electronic networks or databases), that creates a record that may be retained,
222 retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through
223 an automated process, (2) “electronic mail” means an electronic transmission directed to a unique electronic mail address
224 (which electronic mail shall be deemed to include any files attached thereto and any information hyperlinked to a website if
225 such electronic mail includes the contact information of an officer or agent of the corporation who is available to assist with
226 accessing such files and information) and (3) “electronic mail address” means a destination, commonly expressed as a
227 string of characters, consisting of a unique user name or mailbox (commonly referred to as the “local part” of the address)

228 and a reference to an internet domain (commonly referred to as the “domain part” of the address), whether or not displayed,
229 to which electronic mail can be sent or delivered.

230 ~~(d) [Repealed.]~~

231 (e) Notwithstanding the foregoing, a notice may not be given by an electronic transmission from and after the
232 time that (1) the corporation is unable to deliver by such electronic transmission 2 consecutive notices given by the
233 corporation and (2) such inability becomes known to the secretary or an assistant secretary of the corporation or to the
234 transfer agent, or other person responsible for the giving of notice, provided, however, the inadvertent failure to discover
235 such inability shall not invalidate any meeting or other action.

236 (f) An affidavit of the secretary or an assistant secretary or of the transfer agent or other agent of the corporation
237 that notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

238 ~~(e) (g) No provision of this section, except for subsections (a)(1), (d)(2) and (d)(3) of this section. This section~~
239 ~~shall not apply to § 164, § 296, § 311, § 312, or § 324 of this title.~~

240 Section 12. Amend § 251, Title 8 of the Delaware Code by making deletions as shown by strike through and
241 insertions as shown by underline as follows:

242 § 251 Merger or consolidation of domestic corporations [For application of this section, see 79 Del. Laws, c. 327,
243 § 8 and 80 Del. Laws, c. 265, § 17]

244 (b) The board of directors of each corporation which desires to merge or consolidate shall adopt a resolution
245 approving an agreement of merger or consolidation and declaring its advisability. The agreement shall state:

246 (1) The terms and conditions of the merger or consolidation;

247 (2) The mode of carrying the same into effect;

248 (3) In the case of a merger, such amendments or changes in the certificate of incorporation of the surviving
249 corporation as are desired to be effected by the merger (which amendments or changes may amend and restate the
250 certificate of incorporation of the surviving corporation in its entirety), or, if no such amendments or changes are
251 desired, a statement that the certificate of incorporation of the surviving corporation shall be its certificate of
252 incorporation;

253 (4) In the case of a consolidation, that the certificate of incorporation of the resulting corporation shall be as
254 is set forth in an attachment to the agreement;

255 (5) The manner, if any, of converting the shares of each of the constituent corporations into shares or other
256 securities of the corporation surviving or resulting from the merger or consolidation, or of cancelling some or all of
257 such shares, and, if any shares of any of the constituent corporations are not to remain outstanding, to be converted

258 solely into shares or other securities of the surviving or resulting corporation or to be cancelled, the cash, property,
259 rights or securities of any other corporation or entity which the holders of such shares are to receive in exchange for, or
260 upon conversion of such shares and the surrender of any certificates evidencing them, which cash, property, rights or
261 securities of any other corporation or entity may be in addition to or in lieu of shares or other securities of the surviving
262 or resulting corporation; and

263 (6) Such other details or provisions as are deemed desirable, including, without limiting the generality of the
264 foregoing, a provision for the payment of cash in lieu of the issuance or recognition of fractional shares, rights or other
265 securities of the surviving or resulting corporation or of any other corporation or entity the shares, rights or other
266 securities of which are to be received in the merger or consolidation, or for any other arrangement with respect thereto,
267 consistent with § 155 of this title.

268 The agreement so adopted shall be executed by an authorized person, provided that if the agreement is filed, it
269 shall be executed and acknowledged in accordance with § 103 of this title. Any of the terms of the agreement of merger or
270 consolidation may be made dependent upon facts ascertainable outside of such agreement, provided that the manner in
271 which such facts shall operate upon the terms of the agreement is clearly and expressly set forth in the agreement of merger
272 or consolidation. The term “facts,” as used in the preceding sentence, includes, but is not limited to, the occurrence of any
273 event, including a determination or action by any person or body, including the corporation.

274 (c) The agreement required by subsection (b) of this section shall be submitted to the stockholders of each
275 constituent corporation at an annual or special meeting for the purpose of acting on the agreement. Due notice of the time,
276 place and purpose of the meeting shall be ~~mailed~~ given to each holder of stock, whether voting or nonvoting, of the
277 corporation at the stockholder’s address as it appears on the records of the corporation, at least 20 days prior to the date of
278 the meeting. The notice shall contain a copy of the agreement or a brief summary thereof. At the meeting, the agreement
279 shall be considered and a vote taken for its adoption or rejection. If a majority of the outstanding stock of the corporation
280 entitled to vote thereon shall be voted for the adoption of the agreement, that fact shall be certified on the agreement by the
281 secretary or assistant secretary of the corporation, provided that such certification on the agreement shall not be required if
282 a certificate of merger or consolidation is filed in lieu of filing the agreement. If the agreement shall be so adopted and
283 certified by each constituent corporation, it shall then be filed and shall become effective, in accordance with § 103 of this
284 title. In lieu of filing the agreement of merger or consolidation required by this section, the surviving or resulting
285 corporation may file a certificate of merger or consolidation, executed in accordance with § 103 of this title, which states:

286 (1) The name and state of incorporation of each of the constituent corporations;

- 287 (2) That an agreement of merger or consolidation has been approved, adopted, executed and acknowledged by
288 each of the constituent corporations in accordance with this section;
- 289 (3) The name of the surviving or resulting corporation;
- 290 (4) In the case of a merger, such amendments or changes in the certificate of incorporation of the surviving
291 corporation as are desired to be effected by the merger (which amendments or changes may amend and restate the
292 certificate of incorporation of the surviving corporation in its entirety), or, if no such amendments or changes are
293 desired, a statement that the certificate of incorporation of the surviving corporation shall be its certificate of
294 incorporation;
- 295 (5) In the case of a consolidation, that the certificate of incorporation of the resulting corporation shall be as
296 set forth in an attachment to the certificate;
- 297 (6) That the executed agreement of consolidation or merger is on file at an office of the surviving or resulting
298 corporation, stating the address thereof; and
- 299 (7) That a copy of the agreement of consolidation or merger will be furnished by the surviving or resulting
300 corporation, on request and without cost, to any stockholder of any constituent corporation.

301 Section 13. Amend § 253, Title 8 of the Delaware Code by making deletions as shown by strike through and
302 insertions as shown by underline as follows:

303 § 253 Merger of parent corporation and subsidiary corporation or corporations.

314 outstanding stock of all the subsidiary corporations, parties to a merger as aforesaid, the resolution of the board of directors
315 of the parent corporation shall state the terms and conditions of the merger, including the securities, cash, property, or rights
316 to be issued, paid, delivered or granted by the surviving corporation upon surrender of each share of the subsidiary

317 corporation or corporations not owned by the parent corporation, or the cancellation of some or all of such shares. Any of
318 the terms of the resolution of the board of directors to so merge may be made dependent upon facts ascertainable outside of

320 expressly set forth in the resolution. The term "facts," as used in the preceding sentence, includes, but is not limited to, the

322 corporation be not the surviving corporation, the resolution shall include provision for the pro rata issuance of stock of the
323 surviving corporation to the holders of the stock of the parent corporation on surrender of any certificates therefor, and the
324 certificate of ownership and merger shall state that the proposed merger has been approved by a majority of the outstanding
325 stock of the parent corporation entitled to vote thereon at a meeting duly called and held after 20 days' notice of the purpose
326 of the meeting ~~mailed~~ given to each such stockholder at the stockholder's address as it appears on the records of the
327 corporation if the parent corporation is a corporation of this State or state that the proposed merger has been adopted,
328 approved, certified, executed and acknowledged by the parent corporation in accordance with the laws under which it is
329 organized if the parent corporation is a foreign corporation. If the surviving corporation is a foreign corporation:

330 (1) Section 252(d) of this title or § 258(c) of this title, as applicable, shall also apply to a merger under this
331 section; and

336 § 255 Merger or consolidation of domestic nonstock corporations.

337 (b) Subject to subsection (d) of this section, the governing body of each corporation which desires to merge or
338 consolidate shall adopt a resolution approving an agreement of merger or consolidation. The agreement shall state:

339 (1) The terms and conditions of the merger or consolidation;

340 (2) The mode of carrying the same into effect;

341 (3) In the case of a merger, such amendments or changes in the certificate of incorporation of the surviving
342 corporation as are desired to be effected by the merger (which amendments or changes may amend and restate the
343 certificate of incorporation of the surviving corporation in its entirety), or, if no such amendments or changes are
344 desired, a statement that the certificate of incorporation of the surviving corporation shall be its certificate of
345 incorporation;

346 (4) In the case of a consolidation, that the certificate of incorporation of the resulting corporation shall be as
347 is set forth in an attachment to the agreement;

348 (5) The manner, if any, of converting the memberships or membership interests of each of the constituent
349 corporations into memberships or membership interests of the corporation surviving or resulting from the merger or
350 consolidation, or of cancelling some or all of such memberships or membership interests, and, if any memberships or
351 membership interests of any of the constituent corporations are not to remain outstanding, to be converted solely into
352 memberships or membership interests of the surviving or resulting corporation or to be cancelled, the cash, property,
353 rights or securities of any other corporation or entity which the holders of such memberships or membership interests
354 are to receive in exchange for, or upon conversion of, such memberships or membership interests, which cash,
355 property, rights or securities of any other corporation or entity may be in addition to or in lieu of memberships or
356 membership interests of the surviving or resulting corporation; and

357 (6) Such other details or provisions as are deemed desirable, including, without limiting the generality of the
358 foregoing, a provision for the payment of cash in lieu of the issuance or recognition of fractional shares, rights or other
359 securities of any other corporation or entity the shares, rights or other securities of which are to be received in the
360 merger or consolidation, or for some other arrangement with respect thereto, consistent with § 155 of this title.

361 The agreement so adopted shall be executed by an authorized person, provided that if the agreement is filed, it
362 shall be executed and acknowledged in accordance with § 103 of this title. Any of the terms of the agreement of merger or
363 consolidation may be made dependent upon facts ascertainable outside of such agreement, provided that the manner in
364 which such facts shall operate upon the terms of the agreement is clearly and expressly set forth in the agreement of merger
365 or consolidation. The term “facts,” as used in the preceding sentence, includes, but is not limited to, the occurrence of any
366 event, including a determination or action by any person or body, including the corporation.

367 (c) Subject to subsection (d) of this section, the agreement shall be submitted to the members of each constituent
368 corporation, at an annual or special meeting thereof for the purpose of acting on the agreement. Due notice of the time,
369 place and purpose of the meeting shall be ~~mailed~~ given to each member of each such corporation who has the right to vote
370 for the election of the members of the governing body of the corporation and to each other member who is entitled to vote
371 on the merger under the certificate of incorporation or the bylaws of such corporation, at the member’s address as it appears
372 on the records of the corporation, at least 20 days prior to the date of the meeting. The notice shall contain a copy of the
373 agreement or a brief summary thereof. At the meeting the agreement shall be considered and a vote, in person or by proxy,
374 taken for the adoption or rejection of the agreement. If the agreement is adopted by a majority of the members of each such
375 corporation entitled to vote for the election of the members of the governing body of the corporation and any other

376 members entitled to vote on the merger under the certificate of incorporation or the bylaws of such corporation, then that
377 fact shall be certified on the agreement by the officer of each such corporation performing the duties ordinarily performed
378 by the secretary or assistant secretary of a corporation, provided that such certification on the agreement shall not be
379 required if a certificate of merger or consolidation is filed in lieu of filing the agreement. If the agreement shall be adopted
380 and certified by each constituent corporation in accordance with this section, it shall be filed and shall become effective in
381 accordance with § 103 of this title. The provisions set forth in the last sentence of § 251(c) of this title shall apply to a
382 merger under this section, and the reference therein to “stockholder” shall be deemed to include “member” hereunder.

383 Section 15. Amend § 262, Title 8 of the Delaware Code by making deletions as shown by strike through and
384 insertions as shown by underline as follows:

385 § 262 Appraisal rights [For application of this section, see 79 Del. Laws, c. 72, § 22; 79 Del. Laws, c. 122, § 12;
386 80 Del. Laws, c. 265, § 18; and 81 Del. Laws, c. 354, § 17]

387 (d) Appraisal rights shall be perfected as follows:

388 (1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be
389 submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall
390 notify each of its stockholders who was such on the record date for notice of such meeting (or such members who
391 received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available
392 pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the
393 constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations
394 is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such
395 stockholder’s shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a
396 written demand for appraisal of such stockholder’s shares; provided that a demand may be delivered to the corporation
397 by electronic transmission if directed to an information processing system (if any) expressly designated for that
398 purpose in such notice. Such demand will be sufficient if it reasonably informs the corporation of the identity of the
399 stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder’s shares. A proxy or
400 vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action
401 must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or
402 consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who
403 has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date
404 that the merger or consolidation has become effective; or

405 (2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then
406 either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting
407 corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent
408 corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights
409 are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in
410 such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of
411 this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify
412 such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may,
413 within 20 days after the date of ~~mailing of~~ giving such notice or, in the case of a merger approved pursuant to § 251(h)
414 of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after
415 the date of ~~mailing of~~ giving such notice, demand in writing from the surviving or resulting corporation the appraisal of
416 such holder's shares; provided that a demand may be delivered to the corporation by electronic transmission if directed
417 to an information processing system (if any) expressly designated for that purpose in such notice. Such demand will be
418 sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends
419 thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date
420 of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the
421 effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such
422 constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the
423 surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such
424 effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first
425 notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of
426 the offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice
427 need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such
428 holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer
429 agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of
430 fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to
431 receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10
432 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger
433 or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to

434 the effective date, the record date shall be the close of business on the day next preceding the day on which the notice
435 is given.

436 (e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation
437 or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to
438 appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a
439 determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days
440 after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or
441 joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to
442 accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or
443 consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof,
444 upon ~~written~~ request given in writing (or by electronic transmission directed to an information processing system (if any)
445 expressly designated for that purpose in the notice of appraisal), shall be entitled to receive from the corporation surviving
446 the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of
447 the merger or consolidation (or, in the case of a merger approved pursuant to § 251(h) of this title, the aggregate number of
448 shares (other than any excluded stock (as defined in § 251(h)(6)d. of this title)) that were the subject of, and were not
449 tendered into, and accepted for purchase or exchange in, the offer referred to in § 251(h)(2)), and, in either case, with
450 respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such
451 ~~written~~ statement shall be ~~mailed~~ given to the stockholder within 10 days after such stockholder's ~~written~~-request for such a
452 statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery
453 of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of
454 this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on
455 behalf of such person may, in such person's own name, file a petition or request from the corporation the statement
456 described in this subsection.

460 (b) The board of directors of the corporation which desires to convert under this section shall adopt a resolution

462 the approval of such conversion by the stockholders of the corporation. Such resolution shall be submitted to the
463 stockholders of the corporation at an annual or special meeting. Due notice of the time, and purpose of the meeting shall be

464 ~~mailed~~ given to each holder of stock, whether voting or nonvoting, of the corporation at the address of the stockholder as it
465 appears on the records of the corporation, at least 20 days prior to the date of the meeting. At the meeting, the resolution
466 shall be considered and a vote taken for its adoption or rejection. If all outstanding shares of stock of the corporation,
467 whether voting or nonvoting, shall be voted for the adoption of the resolution, the conversion shall be authorized.

474 for that purpose, shall cause notice of the adoption of the resolution and of a meeting of stockholders to take action upon
475 the resolution to be ~~mailed~~ given to each stockholder entitled to vote thereon as of the record date for determining the

482 to file annual franchise tax reports required, and for failure to pay taxes or penalties from which it would have been exempt
483 if the reports had been filed, shall be deemed to have filed all the reports and be relieved of all the taxes and penalties, upon
484 satisfactory proof submitted to the Secretary of State of its right to be classified as an exempt corporation pursuant to §
485 501(b) of this title, and upon filing with the Secretary of State a certificate of revival in manner and form as required by §
486 312 of this title.

487 Section 19. Amend § 390, Title 8 of the Delaware Code by making deletions as shown by strike through and

499 taken for its adoption or rejection. If all outstanding shares of stock of the corporation, whether voting or nonvoting, shall
500 be voted for the adoption of the resolution, the corporation shall file with the Secretary of State a certificate of transfer if its
501 existence as a corporation of this State is to cease or a certificate of transfer and domestic continuance if its existence as a
502 corporation of this State is to continue, executed in accordance with § 103 of this title, which certifies:

652 \$1,000,000, or fraction thereof in excess of \$1,000,000, of the average gross assets thereof during the taxable year,
653 whichever be the least, provided that in no case shall the tax on any corporation for a full taxable year under this subsection

SYNOPSIS

Section 1. Section 1 of this Act amends Section 108(b) to clarify that notice of an initial organization meeting may be given in writing or by electronic transmission. The amendments also eliminate the express requirement that a waiver of that notice be signed, to clarify that notice may be waived in any manner permitted by Section 229. Section 108(c) is being amended to clarify that a consent of incorporator may become effective in the future in the same manner that a consent of directors may become effective in the future under Section 141(f).

Section 2. Section 2 of this Act amends Title 8 to insert a new Section 116. New Section 116(a) establishes non-exclusive, safe harbor methods to reduce certain acts or transactions to a written or electronic document and to sign and deliver a document manually or electronically. The terminology in Section 116(a) is based on analogous provisions in Section 232, the Delaware Uniform Electronic Transactions Act (“UETA”) and the Model Business Corporation Act, with modifications. Section 116(a) permits corporate transactions (such as entering into agreements of merger not filed with the Secretary of State, voting agreements among stockholders and statutory voting trusts) to be documented, signed and delivered through “DocuSign” and similar electronic means.

The Section 116(a) safe harbor provisions apply solely for purposes of determining whether an act or transaction has been documented, and whether a document has been signed and delivered, in accordance with the DGCL and a corporation's certificate of incorporation and bylaws. Section 116(a) does not preempt any statute of frauds or other law that might require actions be documented, or that documents be signed and delivered, in a specified manner.

Section 116(a) clarifies how its provisions operate in connection with a transaction conducted pursuant to UETA. To the extent UETA does not apply to a transaction (under Section 12A-103 of UETA) because the transaction is governed by the DGCL, the parties to the transaction can satisfy the DGCL by complying with Section 116(a).

Section 116(b) addresses certain actions and documents that are not governed by Section 116(a). There is no presumption that these excluded items are prohibited from being effected by electronic or other means, but Section 116 may not be relied on as a basis for documenting an act or transaction, or signing or delivering a document, if the exclusions set forth in Section 116(b) apply. Many of these excluded items are governed by separate provisions that facilitate the use of electronic media, including documents filed with the Secretary of State (governed by Section 103(h)), documents comprising part of the stock ledger (governed by Section 119), notices (governed by Section 232, in the case of stockholder meetings), waivers of notice (governed by Section 229) and actions taken by directors, stockholders or incorporators (governed by Sections 141(f), 228(d) and 108(c), respectively).

Section 116(b) permits certificate of incorporation and bylaw provisions that restrict the use of Section 116(a), but those restrictions must be expressly stated. A provision merely specifying that an act or transaction will be documented in writing, or that a document will be signed or delivered manually, will not prohibit the application of Section 116(a).

Section 116(c) addresses the interaction between the provisions of the DGCL and the Electronic Signatures in Global and National Commerce Act (the "E-Sign Act"). Section 116(c) evidences an intent to allow the DGCL to govern the documentation of actions, and the signature and delivery of documents, to the fullest extent the DGCL is not preempted by the E-Sign Act.

Section 3. Section 3 of this Act amends Section 136(a) to permit a registered agent of a Delaware corporation, including a corporation which has become void pursuant to Section 510 of this title, to resign by filing a certificate of resignation. It further adds the requirement to include the last known information for a communications contact for the affected corporation, as last provided to the registered agent pursuant to Section 132(d) of Title 8. The communications contact information will not be deemed public, and falls within the exception set forth in Section 10002(l)(6) of Title 29 to the definition of "public record" for purposes of the Freedom of Information Act (29 Del. C. §§ 10001 et. seq.). This section clarifies that the Secretary of State shall provide the form to be used for certificates to be filed under Section 136(a).

Section 4. Section 4 of this Act amends Section 141(f) to clarify that action by unanimous consent of directors may be treated as taken before the consents relating to the action are filed in a minute book.

Section 5. Section 5 of this Act amends Section 160(d). As a result of the clarifying amendment to Section 160(d), a notice of redemption may be given in the form, and delivered in the manner, permitted by amended Section 232.

Section 6. Section 6 of this Act amends Section 163. As a result of the clarifying amendments to Section 163, a notice requiring payment on partly paid shares of capital stock may be given in the form, and delivered in the manner, permitted by amended Section 232.

Section 7. Section 7 of this Act amends Sections 212(c) and 212(d) to conform to Section 116, to use the term "document" consistently in each of those sections and to clarify that a proxy may be documented, executed and delivered in accordance with Section 116(a). The amendments to Sections 212(c) and 212(d) also eliminate references to proxies given by telegram and cablegram because those methods of granting proxies are included in the definition of electronic transmission.

Section 8. Section 8 of this Act amends Section 222(a) and Section 222(b) to delete the requirement that a corporation must give stockholders a notice of meeting in writing, in order to conform these provisions to amended Section 232, which allows a notice of meeting to be given in writing or by electronic mail. The amendments to Section 222(b) delete the provisions on how a notice of meeting is delivered to stockholders because delivery is addressed by amended Section 232.

Section 9. Section 9 of this Act amends Section 228(d) to expand the methods of delivery of consents given by electronic transmission. The amendments to Section 228(d) also eliminate redundant terms, including eliminating references to consents given by telegram or cablegram because those methods of giving consents are already included in the definition of an electronic transmission.

Section 10. Section 10 of this Act amends Section 230(c). Amended Section 230(c) provides that if a corporation has an electronic mail address for a stockholder or member, and notice by electronic mail is permitted by Section 232, then the corporation is not relieved of the obligation to send that stockholder or member notices pursuant to the returned mail exception to notice provided in Section 230(b).

Section 11. Section 11 of this Act amends Section 232. New Section 232(a) addresses the default means of giving notices to stockholders. As amended, notices may be given to stockholders by mail (in the same manner as permitted by the provisions formerly included in Section 222(b)), courier or electronic mail. Section 232(a) applies to any notice that is required to be given under chapter 1 of Title 8, or under the certificate of incorporation or bylaws. Accordingly, no provision of the certificate of incorporation or bylaws (including any provision requiring notice to be in writing or mailed)

may prohibit the corporation from giving notice in the form, or delivering notice in the manner, permitted by Section 232(a). The amendments enabling notice by electronic mail to stockholders apply solely for purposes of chapter 1 of Title 8, the certificate of incorporation and the bylaws, and do not affect, limit or eliminate or override the application of any other law, rule or regulation applicable to a corporation or by which such corporation or its securities may be bound (including any obligations of a corporation prescribed by Regulation 14A or Regulation 14C promulgated under the Securities Exchange Act of 1934).

Section 232(b) (formerly designated as Section 232(a)) is being amended to provide that a stockholder need not specifically consent to receiving notices by electronic mail because new Section 232(a) governs notice given by electronic mail.

Section 232(d) (formerly designated as Section 232(c)) includes new definitions for electronic mail and electronic mail address, which are based on similar terms defined in the Controlling the Assault of Non-Solicited Pornography and Marketing (CAN-SPAM) Act of 2003, (codified at 15 U.S.C. §§ 7701 et seq.). The CAN-SPAM Act established requirements for the distribution of commercial electronic mail messages.

Section 232(e) (which is similar to provisions that formerly appeared in Section 232(a)) prohibit notice from being given by electronic transmission after the corporation becomes aware that two consecutive notices were not successfully delivered by such transmission.

Section 232(f) includes provisions (similar to the provisions formerly in Section 222(b) and Section 232(b)) for transmittal affidavits that serve as prima facie evidence that notice has been given to stockholders.

Section 232(g) (formerly designated as Section 232(e)) identifies certain types of notices that must continue to be given in the manner specified by those provisions addressed in Section 232(g).

Section 12. Sections 12 through 14 and Sections 16, 17 and 19 of this Act amend Sections 251, 253, 255, 266, 275 and 390, respectively. Sections 251(b) and 255(b) are being amended to permit any authorized person to execute an agreement of merger or consolidation, except that any agreement filed with the Secretary of State must be executed by a person, and in the manner, authorized by Section 103.

As a result of clarifying amendments to Sections 251(c), 253(a), 255(c), 266(b), 275(a) and 390(b), the notices of stockholder meeting contemplated by those sections may be given in the form, and delivered in the manner, permitted by amended Section 232.

Section 13. Section 15 of this Act amends Section 262. Section 262(d) is being amended to clarify its notice provisions and conform those provisions to amended Section 232(a). As a result of these clarifying amendments, a corporation may deliver a notice of appraisal rights by courier or electronic mail, instead of delivering the notice by mail. Section 262(d) is also being amended to permit the delivery of demands for appraisal by electronic transmission, but only if the corporation expressly designates, in the notice of appraisal rights given by the corporation, an information processing system for receipt of electronic delivery of demands. Among other things, this amendment permits a corporation to designate an electronic mail address for purposes of receiving a stockholder demand for appraisal.

Section 262(e) is being amended to clarify that a request for a statement of the number of shares and holders entitled to appraisal may be given by electronic transmission. Amended Section 262(e) also clarifies that such statement need not be mailed and instead may be given by the corporation in any manner permitted by amended Section 232(a).

The amendments to Section 262 shall be effective with respect to agreements of merger or consolidation consummated pursuant to an agreement entered into on or after August 1, 2019.

Section 14. Section 18 of this Act amends Section 313(a) to provide that Section 313 applies to an exempt corporation whose certificate of incorporation or charter has become forfeited pursuant to Section 136(b) for failure to obtain a registered agent.

Section 15. Section 20 of this Act amends Section 391(a)(11) to provide for the fee payable to the Delaware Secretary of State for any certificate issued via the Secretary of State's online services, and Section 391(a)(16) to increase the fee payable to the Delaware Secretary of State for a written report of a record search.

Section 16. Section 21 of this Act amends Section 503(h) to reflect fee increases to the alternative minimum amount of annual franchise tax payable by a regulated investment company for each \$1,000,000, or fraction thereof in excess of \$1,000,000, of the company's average gross assets during the taxable year, and increases the maximum annual franchise tax payable by a regulated investment company.

Section 17. Sections 22 through 24 of this Act relate to the effectiveness of the amendments to Title 8. Section 22 of this Act provides that Sections 1 through 14 and Sections 16 through 20 of this Act are effective on August 1, 2019. Section 23 of this Act provides that Section 15 of this Act (relating to the amendments to Section 262) are effective only with respect to a merger or consolidation consummated pursuant to an agreement entered into on or after August 1, 2019. Section 24 of this Act provides that Section 21 of this Act (relating to the amendments to Section 503(h)) are effective for the tax year beginning on January 1, 2019.
