Section 2 of this Act expands the captive insurance licensing authority for a series as defined under Chapter 69 of Title 18 to allow a Delaware series to be licensed as an agency, branch, or reciprocal captive insurance company.

Section 3 of this Act allows certain captive insurers to select the Delaware series form of business organization.

Section 4 of this Act makes the insurable interest provisions of § 2706 of Title 18 applicable to captive insurance companies.

In addition, this Act makes technical corrections to conform existing law to the standards of the Delaware Legislative Drafting Manual.
