SYNOPSIS

Currently, there is a manufacturer of firearm magazines in Georgetown that employs nearly 90 workers and produces 30, 20, 15, and 10 round magazines.

This Act excludes a person who manufactures a large-capacity magazine from the application of the law if the person manufactures the large-capacity magazine with the intent to sell the large-capacity magazine, or offer the large-capacity magazine for sale, to a person outside of this State. The Act also excludes a person who ships or transports the large-capacity magazine for a person who manufactures a large-capacity magazine for sale to a person outside of this State.

The enactment of this Act is contingent on the enactment of Senate Substitute No. 1 for Senate Bill No. 6.
