HOUSE OF REPRESENTATIVES  
151st GENERAL ASSEMBLY

HOUSE BILL NO. 481

AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO THE DELAWARE HIGHER  
EDUCATION OFFICE AND APPROVAL OF POSTSECONDARY INSTITUTIONS.

1 WHEREAS, the higher education industry has expanded substantially to online and for-profit programs, leaving  
2 residents with little access to resources to evaluate the quality and validity of programs compared to traditional programs at  
3 postsecondary institutions; and

4 WHEREAS, institutional closure is on the rise across the country, leaving students without options to complete  
5 their credentials or obtain refunds for financial aid; and

6 WHEREAS, persons may choose to offer courses without incorporating in Delaware, leaving Delaware residents  
7 without a path to monitor quality and student protections; and

8 WHEREAS, the Delaware Higher Education Office has integrated into the Department of Education and aligned  
9 its priorities to support students in the transition into post-secondary education such that several of the Office's previous  
10 responsibilities are no longer under its purview; and

11 WHEREAS, students enrolled in postsecondary education want a transparent system that offers high quality  
12 courses and protections in the event of school closure; and

13 WHEREAS, Delaware has seen a rise of persons opening postsecondary institutions without incorporating and  
14 without the Department's authorization, thereby exposing students to predatory practices and loan servicing.

#### SYNOPSIS

This Act will amend the Delaware Code relating to the powers of the Delaware Higher Education Office and the state authorization of private postsecondary institutions. The intent of the Act is to increase consumer protections for students enrolled in private postsecondary institutions as it relates to student loans, distance education, and predatory practices. The Act will also clarify the current functions of the Delaware Higher Education Office relating to student support for transitions into postsecondary education and execution of state financial aid programs through the elimination of functions that are no longer under the purview of the Delaware Higher Education Office. This Act establishes responsibilities for certain postsecondary institutions, private schools, and trade schools prior to ceasing operation.

This Act changes the penalty for an individual violating chapter 85 from a fine not to exceed \$500 to a fine of a minimum of \$500 for each offense and changes the penalty for a person violating chapter 85 from a fine not to exceed \$1,000 to a fine of a minimum of \$1000 for each offense.

This Act also makes technical corrections to conform existing law to the standards of the Delaware Legislative Drafting Manual.

Finally, this Act requires a greater than majority vote for passage because § 11 of Article VIII of the Delaware constitution requires the affirmative vote of three-fifths of the members elected to each house of the General Assembly to impose a fee.
