"The Board may, after a hearing or review of documentation, determine whether such discipline is grounds to deny licensure.".

FURTHER AMEND Senate Bill No. 180 by deleting Section 2 of the Bill in its entirety and inserting in lieu thereof the following:

"Section 2. Amend § 2523, Title 24 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

§ 2523. Exemptions.

Nothing in this chapter may be construed to prevent any of the following:

(10) A pharmacist who is licensed in a jurisdiction or territory of the United States from providing pharmacy services in this State during emergency circumstances, as determined by the Board in coordination with the Secretary of State, or a declared local, jurisdictional, or national disaster. This exemption applies for a period as determined by the Board and the Secretary of State, so long as such person abides by Delaware laws, rules, and regulations relating to pharmacy. In order to be eligible for this exemption, the pharmacist must notify the Board of the pharmacist's intent to practice in this State pursuant to this paragraph.".

FURTHER AMEND Senate Bill No. 180 by inserting a new section after line 1389 as follows:

"Section 3. Section 1 of this Act takes effect 1 year after its enactment into law. Section 2 of this Act takes effect upon its enactment into law.".

SYNOPSIS

This Amendment makes changes to language to correctly reflect the intent of the paragraphs regarding licensure and remain consistent with current practices. It also modifies an existing definition term to provide clarity in the circumstances the term is meant to apply and makes the requisite change to that term in the relevant statutory section. The Amendment also adds a provision that allows a pharmacist licensed in another state to practice in Delaware under emergency circumstances as determined by the Board and the Secretary of State.
