HOUSE AMENDMENT NO. 1  
TO  
HOUSE BILL NO. 75

AMEND House Bill No. 75 between line 63 and line 64 by inserting the following:

“(f) Each public body shall maintain minutes of all meetings, including executive sessions, conducted pursuant to this section, and shall make such minutes available for public inspection and copying as a public record. Such minutes shall include a record of those members present and a record, by individual members (except where the public body is a town assembly where all citizens are entitled to vote), of each vote taken and action agreed upon. Such minutes or portions thereof, and any public records pertaining to executive sessions conducted pursuant to this section, may be withheld from public disclosure so long as public disclosure would defeat the lawful purpose for the executive session, but no longer. All public bodies ~~in the executive branch of state government~~ that are subject to the provisions of this chapter and meet 4 or fewer times per year shall electronically post draft minutes of open public meetings, identified as "draft minutes," to the designated State website approved by the Secretary of State within 20 working days after the conclusion of the meeting. Prior to being posted, draft minutes may be distributed to members of the public body who were present at the open public meeting. Draft minutes may continue to be revised and corrected up until final minutes are approved by the public body at an open meeting. All public bodies in the executive branch of state government that are subject to the provisions of this chapter shall electronically post final approved minutes of open public meetings to the designated State of Delaware website approved by the Secretary of State within 5 working days of final approval of said minutes.”.

FURTHER AMEND House Bill No. 75 on line 79 by deleting “~~6 months~~ 2 years” and inserting in lieu thereof “6 months”.

SYNOPSIS

This Amendment requires that all public bodies, not just those in the executive branch of state government, that are subject to the provisions of this chapter and meet 4 or fewer times per year, electronically post draft minutes of open public meetings, identified as "draft minutes," to the designated State website approved by the Secretary of State within 20 working days after the conclusion of the meeting.

This Amendment removes the extension of time to file a lawsuit challenging the validity under this chapter of any action of a public body and retains the current deadlines.
