21          ~~such person; or to refuse to issue a license to anyone reported by a superintendent to have been expelled from school. Such~~  
22          ~~expelled person shall remain ineligible for the issuance of a new license, or for the renewal or reinstatement of a present or~~

former license until the Division receives such proof as it may require that such person is again eligible for a driver's license.

#### SYNOPSIS

Previously, a school superintendent was required to notify the DMV any time a student was expelled from a public school, at which time the DMV was permitted to suspend or refuse to issue or renew the expelled student a driver's license. This bill eliminates the ability for the DMV to suspend a student's driver's license who has been expelled from a public school.
