SYNOPSIS

The Town Council for the Town of Millsboro determined that the way they award contracts should be improved. The amount that initiates the process is increased from \$20,000 to \$50,000 to better reflect the current cost of ordinary purchases that the Town must make. This Act also allows the Town of Millsboro to have the ability to award a contract to a bidder other than the lowest bidder while also laying out the factors that the Town Council must use in determining who is a responsive and responsible bidder in accordance with their bid vetting process.
