HOUSE OF REPRESENTATIVES
150th GENERAL ASSEMBLY

HOUSE BILL NO. 110

AN ACT TO AMEND TITLE 4, 16, AND 30 OF THE DELAWARE CODE CREATING THE DELAWARE
MARIJUANA CONTROL ACT.

WHEREAS, current federal and state policies prohibiting the use of marijuana inadequately control the use of the substance and instead, contribute to the development of a robust black market;

WHEREAS, the legalization of marijuana would effectively eliminate the black market for marijuana in Delaware by diverting demand away from such illicit cartels and enterprises, and provide law enforcement officials the legal means necessary to ensure the safe legal use of marijuana in Delaware;

WHEREAS, the legalization of marijuana would address criminal justice concerns related to the production, possessions, and transportation of the substance, recognizing a black individual is four times more likely to be arrested for marijuana possession than a white individual despite equal rates of use;

WHEREAS, the creation of a legal framework to regulate the production and sale of marijuana in the State of Colorado and the State of Washington has generated a \$1 billion industry and yielded more than 18,000 well-paying jobs in each state;

WHEREAS, Delaware recognizes the economic benefits of a legal marijuana market as well as the importance of regulating the substance in a manner similar to alcohol and restricting its use to persons over 21 years old;

NOW, THEREFORE:

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE (Three-fifths of all members elected to each house thereof concurring therein):

(9) Coordinate with the Division of Small Business, Development and Tourism and the Department of Agriculture to connect potential marijuana establishments licensed under this chapter with programs that support

business development, including farms and programs that support small businesses owned by minorities, women, and veterans.

(10) Establish rules and regulations for the effective collection of data regarding retail sales of marijuana and marijuana products by consumers to track compliance of possession limits.

828 consider the application and protest and, specifically, the concerns of the members of the community within which the
829 license is to operate.

830 (2) The Commissioner may hold a hearing in the absence of a protest.

831 (3) The Commissioner shall cause notice of the time and location of the hearing to be published in 2
832 consecutive issues of the same newspapers within which the applicant published notice of the applicant's application
833 for the license.

834 (4) The Commissioner shall send notice of the time and location of the hearing to the applicant and to each of
835 the persons who signed the protest and provided a legible name and address; provided, however, that it is sufficient for
836 the Commissioner to send notice to a legal agent representing a person.

837 (5) The Commissioner shall conduct the hearing and shall make and keep a record of the hearing. The record
838 must include the evidence, the Commissioner's findings of fact, the Commissioner's decision, and a brief statement of
839 the reasons for the decision.

840 (6) The Commissioner shall issue a written decision after the hearing. The Commissioner's decision must
841 show the manner in which the Commissioner construed the law and applied it to the facts, must recite any objections

presented by the community, and must show how and the extent to which the Commissioner took community concerns into account and gave them due consideration when making the decision.

(c) The Commissioner's decision on an application must be in writing and is final and conclusive unless a party to such hearing files an appeal within 30 days from the date of the postmark on the Commissioner's decision by mailing notice of the appeal to the Commissioner's office. Upon receipt of the appeal, the Commissioner shall notify the chair of the Appeals Commission of the pending appeal and the chair shall convene the Appeals Commission with at least 20 days' notice to all parties. The Appeals Commission shall hear the appeal and shall review the matter on the record; act in accordance with the Administrative Procedures Act, Chapter 101 of Title 29; and affirm, reverse, or modify the decision of the Commissioner. A decision of the Commissioner may only be reversed upon a finding of abuse of discretion.

(d) A party who is aggrieved by a final decision of the Appeals Commission may file a written appeal with the Superior Court within 30 days of the date that the Appeals Commission's decision was mailed. The Superior Court's review of an appeal shall be on the record and in accordance with the Administrative Procedures Act, subchapter V of Chapter 101 of Title 29. The Superior Court's review shall take into account the experience and specialized competence of the Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the absence of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the record and is free from legal error.

§ 1331. Decision upon application for renewal of license; time of making.

§ 1332. Grounds for refusal of license; transfer or extension of premises.

(a) The Commissioner may not grant a license under this chapter in any county or subdivision thereof, if granting a license is contrary to any law in such county or subdivision thereof adopted under § 1329 of this chapter.

(b) The Commissioner may refuse to license an applicant if the Commissioner has substantial evidence that would reasonably support a belief that any of the following apply:

(1) There are sufficient licensed premises in the locality, or the granting of a license in the locality stated in the application is not otherwise demanded by public interest or convenience.

(2) The applicant appears to be financially irresponsible.

(3) The applicant has made false statements to the Commissioner.

871 (4) The applicant, including any of the applicant's directors or officers, or any of the applicant's shareholders
872 who hold more than 10% of the outstanding issued shares, has been convicted of an offense that is substantially related
873 to the qualifications, functions, or duties of the business or profession for which the application is made, except that if
874 the Commissioner determines that the applicant is otherwise suitable to be issued a license, and granting the license
875 would not compromise public safety, the Commissioner shall conduct a thorough review of the nature of the crime,
876 conviction, circumstances, and evidence of rehabilitation of the applicant, and shall evaluate the suitability of the
877 applicant to be issued a license based on the evidence found through the review. In determining which offenses are
878 substantially related to the qualifications, functions, or duties of the business or profession for which the application is
879 made, the Commissioner shall include, but not be limited to, the following:

880 a. A violent felony conviction as defined in §4201(c) of Title 16 or its functional equivalent under the
881 laws of the United States, any state or territory of the United States, or any other country.

890 e. A felony drug conviction as defined in Chapter 47 of Title 16 or its functional equivalent under the
891 laws of the United States, any state or territory of the United States, or any other country.

892 f. Except as provided in subparagraphs d. and e., a prior conviction, where the sentence, including any
893 term of probation, incarceration, or supervised release, is completed, for possession of, possession for sale, sale,
894 manufacture, transportation, or cultivation of a controlled substance is not considered substantially related, and
895 shall not be the sole ground for denial of a license.

896 (6) A substantial objection to the granting of the license has been presented by the community within which
897 the license is to operate, or that the granting of such license is otherwise not in the public interest. For the purposes of
898 this subsection, the term "substantial objection" includes 1 or more of the following:

899 a. Any objection, or group of objections, presented to the Commissioner either individually or as a group,
900 by persons who reside within 5 miles of where the licensee is to operate, sufficient to give the Commissioner

901 reason to believe that a majority of the residents in that 5 mile radius within which the licensee is to operate
902 oppose the issuance of the license.

903 b. Any objection, or group of objections, presented to the Commissioner either individually or as a group,
904 the content of which gives the Commissioner reason to believe the quality of life of the community within which
905 the licensee is to operate will be adversely affected by the granting of the license.

906 (c) The Commissioner may refuse to grant a license to sell marijuana, marijuana products, or marijuana
907 accessories to any new establishment to be located in the vicinity of a church, school, college or substance abuse treatment

910 school, or college may thereafter be located in the vicinity of such establishment.

911 (d) The Commissioner shall refuse to grant a license for the sale of marijuana, marijuana products, or marijuana
912 accessories for consumption on or off the premises when there is an existing licensed establishment of the same type within
913 1200 feet by accessible public road or street in any incorporated city or town, or within 1 mile by accessible public road or
914 street in any unincorporated or rural area. If there is an existing licensed establishment less than 1 mile but more than nine
915 tenths of 1 mile by accessible public road or street in any unincorporated or rural area, the Commissioner may grant such
916 license. This subsection does not apply to any of the following:

921 such center or mall consists of 1 or more than 1 separate buildings.

922 (e) Any holder of an existing license who desires to move the location of the existing license due to the destruction
923 of the building, loss of lease, diversion of highway traffic pattern, or other reason beyond the control of the licensee, shall
924 have preference in the issuance of a new license provided that the application satisfies this section and all other
925 requirements under this chapter.

926 (f) The Commissioner may not grant a new license of any type and may not grant an extension of premises of an
927 existing license of any type unless the application for said new license or for said extension is accompanied by a Certificate
928 of Compliance from the appropriate political subdivision showing all of the following:

929 (1) That the premises where the license is to be used are properly zoned for the applicant's intended use.

930 (2) That all necessary permits have been approved.

(3) That the applicant has complied with all other applicable licensing requirements of the appropriate political subdivision.

(g) Subsection (f) of this section does not apply to any application for a temporary extension of premises as authorized by Commissioner rule if such application has not been objected to by the appropriate political subdivision and the political subdivision was provided with notice of the application by the applicant within 7 days of the date the application is filed with the Commissioner.

§ 1333. Finality of Commissioner's decision refusing license.

If an application is not timely protested, but the Commissioner determines that the application should nevertheless be denied, the Commissioner shall render the decision promptly in writing. The Commissioner's decision shall be final and conclusive unless, within 30 days after notice thereof has been mailed by the Commissioner's office, the applicant files an appeal in the office of the Commissioner. The appeal shall follow the procedure outlined in § 1330 of this chapter.

§ 1334. Improvements to premises.

The Commissioner may not require an applicant to make improvements to the premises before the issuance of a license; however, the Commissioner may issue a license to sell marijuana, marijuana products, or marijuana accessories upon the condition that certain improvements shall be made to the premises.

§ 1335. Grounds for cancellation, suspension, or fines.

(a) The Commissioner may cancel every license made use of on behalf of any person other than the one to whom or on behalf of whom it has been issued.

(1) Suspend the licensee's license.

(2) Cancel the licensee's license if the Commissioner determines the violations to be repeated and continuous, or egregious.

967 purchased or sold under this chapter.

968 (8) Use any seal, labels, or wrapper not purchased from or through the Commissioner which are deceptively
969 similar to those used by the Commissioner.

970 (9) Be convicted of a felony or be convicted of violating any of the marijuana laws of this State, general or

974 (11) Discipline, threaten, or otherwise penalize any person for refusing to violate or aiding the enforcement of
975 the provisions of this chapter or the rules of the Commissioner.

976 (d) Notwithstanding subsection (b) of this section, the Commissioner may cancel or suspend a license if there is
977 any other reason which, in the opinion of the Commissioner, warrants cancelling or suspending the license.

978 (e) The Commissioner may not cancel or suspend any license for the sale of marijuana products or impose any fine
979 for an alleged violation of § 1305 of this chapter where the licensee or its employee has made a reasonable effort to
980 determine the age of a purchaser of the marijuana products. For purposes of this subsection, a licensee or its employee is
981 deemed to have made a reasonable effort to determine the age of a purchaser if, prior to any sale of marijuana products, the
982 licensee or its employee requires the purchaser to display identification, with a photograph of the purchaser thereon affixed,
983 which sets forth information that would lead a reasonable person to believe the purchaser to be 21 years of age or older.

984 (f) The Commissioner may also suspend a license for any of the grounds for refusal of a license under § 1332 of
985 this chapter.

986 (g) The Commissioner may cancel any retail license if it has reasonable grounds to believe that the license was
987 granted in violation of this chapter, or any rule enacted pursuant to § 1324 of this chapter.

988 § 1336. Public hearing and right of appeal.

989 (a) The Commissioner may not cancel or suspend a license, or fine a licensee, before both of the following occur:

990 (1) The licensee has been given a public hearing by the Commissioner at which time the licensee is entitled to
991 legal representation and to present witnesses.

992 (2) The ground for canceling or suspending a license is established by clear and convincing evidence.

993 (b) The Commissioner shall keep a full and complete record of all proceedings incident to a hearing under
994 subsection (a) of this section. The Commissioner shall record all testimony at such hearing, but need not have it transcribed
995 unless an order of the Commissioner is appealed to the Superior Court under subsection (d) of this section.

996 (c) An order of the Commissioner relative to suspension or cancellation of a license, or fining a licensee, becomes
997 final 10 days after the licensee receives notice thereof, unless, within 10 days of the date of the postmark on the
998 Commissioner's decision, a written appeal is filed in the Superior Court. No bond may be required for filing such appeal.

999 (d) The appeal must state the grounds upon which a review is sought. After the appeal is filed, service shall be
1000 made by the Sheriff upon the Commissioner. The Commissioner shall certify and file with the court all documents and
1001 papers and a transcript of all testimony taken in the matter, together with the Commissioner's findings therein as soon as
1002 practicable but in no event later than 20 calendar days from the date of service of the appeal. The Superior Court's review of
1003 an appeal shall be on the record and the Superior Court shall take into account the experience and specialized competence
1004 of the Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the
1005 absence of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the
1006 record and is free from legal error.

1007 (e) An appeal without bond may be taken from the decision of the Superior Court to the Supreme Court in the
1008 same manner as is provided in civil cases. Upon the final determination of judicial proceedings, the Commissioner shall
1009 enter an order in accordance with such determination, or shall take such further or other action as the Court may order. A
1010 petition for Supreme Court review shall act as a supersedeas.

1011 § 1337. Effect of cancellation or surrender of license; notice.

1012 (a) The cancellation or acceptance of a surrender of a license entails the loss of the privilege conferred by the
1013 license and entails the acceptance of or the seizure by the Commissioner of any marijuana or marijuana products found in
1014 the possession of the licensee, except those which occur solely by reason of the death of the licensee.

1015 (b) Notice of the order of the cancellation or acceptance of the surrender of a license may be served by an officer
1016 designated by the Commissioner; by affixing a duplicate thereof to the outside of the entrance door of the licensed
1017 premises; by leaving a duplicate with the holder of the license, or with any member of the family of the holder over the age
1018 of 18 years at the residence of the holder; or otherwise as in the judgment of the Commissioner will give notice of such

1019 cancellation or acceptance of the surrender. All cancellations or acceptances of surrender of a license take effect as soon as
1020 the order is served.

1021 (c) The cancellation or acceptance of surrender of a license does not prevent the filing of any criminal proceedings
1022 for any offense against the licensee while the license was in force. No conviction obtained for any offense prevents the
1023 Commissioner from cancelling a license or from making at the same time a seizure of marijuana or marijuana products as
1024 provided in this title.

1025 (d) The Commissioner shall adopt regulations for seizure of marijuana and marijuana products that preserves and
1026 does not destroy the marijuana or marijuana products.

1027 § 1338. Payments to former licensee.

1028 The Department of Finance shall, within 30 days of the date of the cancellation or acceptance of surrender of a
1029 license, remit to the former licensee a part of the license fee which has been paid and pertains to the unexpired term of the
1030 license. In addition, the Commissioner shall remit to the former licensee the amount originally received by the
1031 Commissioner from the former licensee in payment for such marijuana or marijuana products accepted or seized as remains
1032 in packages sealed by the Commissioner, after paying or deducting therefrom all costs and expenses incurred by the
1033 Commissioner by reason of the acceptance or seizure of the marijuana or marijuana products of the former licensee. When
1034 other legally acquired marijuana or marijuana products have been accepted or seized under this section, the value thereof as
1035 determined by the Commissioner must be remitted by the Commissioner to the former licensee, after paying or deducting
1036 therefrom all costs and expenses incurred by the Commissioner by reason of the acceptance or seizure of the marijuana or
1037 marijuana products of the former licensee. No payment may be made for illegally acquired marijuana or marijuana products
1038 that have been seized under this section.

1039 § 1339. Transfer of license.

1040 (a) The rights conferred by a license may be transferred by the Commissioner to any representative designated by
1041 the person to whom or on behalf of whom the license was originally granted, if such representative is a person approved by
1042 the Commissioner. In the case of death of a licensee, the Commissioner may transfer the license to a qualified person
1043 recommended by the executor or administrator of the estate of the deceased licensee.

1044 (b) In instances where the Commissioner has approved the transfer of a license, all matters concerning marijuana
1045 inventories must be handled directly between the transferor and the transferee and all payments must be made directly and
1046 not through the Commissioner.

1047 (c) A non-refundable \$5,000 transfer fee is required for the transfer of any marijuana establishment license that
1048 may be adjusted annually for inflation

1049 § 1340. Death of licensee; payments to licensee's estate.

1050 If any licensee dies and no application is made for transfer of the license, or the Commissioner refuses to permit
1051 the transfer of the license to another person, the Department of Finance shall return to the legal representative of such
1052 deceased licensee a share of the license fee received by the Department proportionate to the number of full calendar months
1053 of the unexpired term. If the marijuana or marijuana products in possession of the licensee at the time of the licensee's death
1054 are delivered to the Commissioner and the Commissioner ascertains that such marijuana or marijuana products have been
1055 received by the deceased licensee according to law, the Commissioner must pay to the legal representative the amount
1056 originally received by the Commissioner for such marijuana or marijuana products less 10% thereof, or the appraised value
1057 less 10% thereof.

1058 Subchapter IV. Marijuana Regulation Fund.

1059 § 1341. Marijuana Regulation Fund.

1060 The Marijuana Regulation Fund is established consisting of fees collected and civil penalties imposed under this
1061 chapter and taxes imposed under this subchapter. The Department of Finance shall administer the fund.

1062 § 1342. Levy and rate of marijuana control enforcement tax; collection.

1063 (a) A tax is imposed on the retail sale of marijuana products under this chapter in this State. This tax is not
1064 imposed on the sale of medical marijuana products under Chapter 49A of Title 16.

1065 (b) The tax imposed under this section is at the rate of 15% of the retail sales price of the marijuana product.

1066 (c) If the tax imposed under this section does not equal an amount calculable to a whole cent, the tax shall be equal
1067 to the next higher whole cent.

1068 (d) Except as otherwise provided by the Commissioner, the amount of the tax shall be separately stated on an
1069 invoice, receipt, or other similar document that the marijuana retailer provides to the consumer at the time the retail sale
1070 occurs.

1071 (e) A person may not knowingly sell, purchase, install, transfer, or possess electronic devices or software programs
1072 for the purposes of either of the following:

1073 (1) Hiding or removing records of retail sales of marijuana products.

1074 (2) Falsifying records of retail sales of marijuana products.

1075 (f) A marijuana retailer may not discount a marijuana item or offer a marijuana item for free if the retail sale of the
1076 marijuana item is made in conjunction with the retail sale of any other item.

1077 § 1343. Collection of tax; quarterly reports of retail marijuana store licensees.

1078 (a) The marijuana control enforcement tax imposed on the consumer under § 1342 of this chapter shall be
1079 collected at the point of sale and remitted by each retail marijuana store licensee that engages in the retail sale of marijuana
1080 products. The marijuana control enforcement tax is considered a tax upon the retail marijuana store licensee that is required
1081 to collect the tax, and the retail marijuana store licensee is considered a taxpayer.

1082 (b) A retail marijuana store licensee shall file a report to the Commissioner on or before the last day of January,
1083 April, July, and October of each year for the previous calendar quarter.

1084 (c) A retail marijuana store licensee shall pay the marijuana control enforcement tax to the Commissioner in the
1085 form and manner prescribed by the Commissioner, but not later than with each quarterly report, without regard to an
1086 extension granted under subsection (e) of this section.

1087 (d) A retail marijuana store licensee shall file the reports required under this section regardless of whether any tax
1088 is owed.

1089 (e) For good cause, the Commissioner may extend the time for filing a report under this section. The extension
1090 may be granted at any time if a written request is filed with the Commissioner during or prior to the period for which the
1091 extension may be granted. The Commissioner may not grant an extension of more than 30 days.

1092 (f) The fact that a retail marijuana store licensee's name is signed to a report is prima facie evidence for all
1093 purposes that the reports were actually signed by such distributor or a duly authorized agent. Such statements shall contain
1094 a declaration by the person making the same, to the effect that the statements contained therein are true and are made under
1095 penalties of perjury, which declaration shall have the same force and effect as a verification of the return and are in lieu of
1096 such verification.

1097 (g) The quarterly reports or payments of tax under this section are considered to have been duly and timely filed if
1098 such reports or payments are deposited in the United States mail with postage prepaid on or before the last day of January,
1099 April, July, and October of each year for the previous calendar quarter. The Commissioner may grant a retail marijuana
1100 store licensee a reasonable extension of time for good cause.

1101 (h) In lieu of depositing tax payments in the United States mail, a retail marijuana store licensee may hand deliver
1102 said payment to the Commissioner or the Commissioner may require retail marijuana stores to make electronic transfers of
1103 such funds to the appropriate state account.

1104 (i) When the last day of January, April, July, and October falls on a weekend or state holiday, the due date of the
1105 statement and tax shall be the next following business day of the State.

1106 § 1344. Retention of records by retail marijuana store licensee; penalties.

(a) Each retail marijuana store licensee shall maintain and keep, for a period of 3 years, such records of marijuana products sold within this State by such retail marijuana store licensee, together with invoices, bills of lading, and other pertinent records and papers as may be required by the Commissioner for the reasonable administration of this chapter.

(b) Whoever violates this section shall be fined not more than \$1,000 and the costs of prosecution, or imprisoned not more than 1 year, or both.

§ 1345. Inspection of records.

(a) The Commissioner, or any agent or employee duly authorized by the Commissioner, may inspect the record of all purchases, receipts, sales, and distribution of marijuana products of every retail marijuana store licensee shall at all times during the business hours of the day.

(b) The Commissioner shall inspect the records of all purchases, receipts, sales, and distribution of marijuana products of retail marijuana store licensees to the extent deemed necessary by the Secretary, by or through such agent or employee as may be duly authorized by it, to ascertain whether the retail marijuana store licensees are complying with this chapter. If it is found that the retail marijuana store licensee are not complying with this chapter, the Commissioner shall report to the Attorney General in what respects the retail marijuana store licensee are failing to so comply with this chapter.

§ 1346. Discontinuance, sale, or transfer of business by retail marijuana store licensee; penalties.

(a) Whenever a person ceases to engage in business as retail marijuana store licensee within this State under § 1337 through § 1340 of this chapter, all taxes, penalties, and interest under this chapter not yet due and payable under the provisions of this chapter shall, notwithstanding such provisions, become due and payable concurrently with the discontinuance, sale, or transfer, and the retail marijuana store licensee shall concurrently with such discontinuance, sale, or transfer make a report and pay all such taxes, interest, and penalties.

(b) If a retail marijuana store license is transferred under § 1339 of this chapter, the purchaser or transferee shall be liable to this State for the amount of all taxes, penalties, and interest under this chapter, accrued against any retail marijuana store licensee selling or transferring a business, on the date of such sale or transfer, but only to the extent of the value of the property and business thereby acquired from such distributor or retailer.

(c) A person who violates this section is punished with a fine of not less than \$50 and the costs of the prosecution, or imprisoned not more than 1 year, or both.

§ 1347. Penalties for failure to file reports or pay tax when due.

(a) When a retail marijuana store licensee fails to file monthly reports with the Commissioner under § 1343 of this chapter or when a retail marijuana store licensee fails to pay the Commissioner the amount of taxes due to this State as

required by § 1342 of this chapter, a penalty of \$50 for each business day accrues up to a maximum of \$3,000 for each report.

(b) Any tax due under § 1342 of this chapter bears an interest at the rate of 1% per month, or fraction thereof, until the tax due is paid.

(c) Commissioner may waive all or any part of the penalty and interest when it is established to the satisfaction of the Commissioner that failure to file the monthly report or pay the tax by the last day of January, April, July, and October was not with intent to violate the law.

§ 1348. Enforcement; liability; notices of determination and assessment.

(a) Every person who collects any amount under § 1342 of this chapter shall hold the same in trust for the State and for the payment thereof to the Commissioner in the manner and at the time provided in § 1343 of this chapter.

(b) In any action or proceeding for the collection of the marijuana control enforcement tax or penalties or interest imposed in connection therewith, an assessment by the Commissioner of the amount of the tax due and interest or penalties due to the State constitutes prima facie evidence of the claim of the State, and the retail marijuana store licensee has the burden of proof to show that the assessment was incorrect and contrary to law.

(c) Promptly after the date of a determination of the marijuana control enforcement tax or penalties or interest due, the Commissioner shall notify the person against whom the assessment is made by mail. Within 60 days after the date of notification, such person may file with the Commissioner a petition for redetermination of such assessment. Every petition for redetermination must state specifically the reason or reasons which the petitioner believes entitles the petitioner to such redetermination. The Secretary must dispose of a petition for redetermination within 90 days after the receipt of the petition. The Secretary must promptly provide notice of the decision to the petitioner, in writing.

(d) The petitioner may appeal the decision by the Secretary under this section to the Superior Court of this State within 60 days of the date of the decision.

§ 1349. Collection of delinquent taxes.

If a retail marijuana store licensee is in default for more than 10 days in payment of any taxes or penalties thereon payable under the terms of this chapter, the Commissioner may issue a warrant under its official seal, and signed by its Secretary, directed to the sheriff of any county of the State, commanding the sheriff to levy upon and sell the goods and chattels of such retail marijuana store licensee, without exemption, found within the sheriff's jurisdiction, for the payment of the amount of such delinquency, with the added penalties and interest and the cost of executing the warrant, and to return such warrant to the Commissioner and to pay the Commissioner the money collected by virtue thereof within the time to be therein specified, which shall not be less than 20 nor more than 60 days from the date of the warrant. The sheriff, to whom

SYNOPSIS

The Delaware Marijuana Control Act regulates and taxes marijuana in the same manner as alcohol. It allows adults over the age of 21 to legally possess and consume under 1 ounce of marijuana for personal use. It does not permit people to grow their own marijuana.

Section 1: Amends Chapter 47 of Title 16 to provide that the offenses and penalties under Uniform Controlled Substances Act do not apply to marijuana-related conduct allowed under the Delaware Marijuana Control Act or the Delaware Medical Marijuana Act, Chapter 49A of Title 16.

Section 2: Amends § 4764 of Title 16 to eliminate any penalty for possessing 1 ounce or less of marijuana for individuals over the age of 21 but maintains the existing civil penalty for possession of 1 ounce or less for adults age 18 to 21.

Section 3: Amends § 4902A of Title 16 so that the definition of a registered safety compliance facility includes not just marijuana produced for medical use but also marijuana produced under the Delaware Marijuana Control Act.

Section 4: Amends § Chapter 4 of Title 4 to expand DATE's duties and powers to the Delaware Marijuana Control Act.

Section 5: This Act creates the Delaware Marijuana Control Act. Subchapter I contains definitions and general provisions. Where definitions or analogous provisions exist in the Delaware Code, the definitions are referenced and the language from existing statutes is used. This section of the Act permits individuals over age 21 to possess, use, purchase, or transport 1 ounce (28 grams) or less of marijuana, no more than 5 grams of which may be concentrated, by individuals 21 years of age or older if the individuals are in compliance with this chapter. It permits the operation of marijuana businesses if they operate under licenses granted under Chapter 49A of Title 16, but imposes the same limits on hours and holiday sales as apply to sales of alcohol. It prohibits the use of marijuana in public, by drivers or passengers in vehicles, and prohibits the smoking of marijuana anywhere that smoking tobacco or cigarettes is not permitted. Marijuana may not be sold in an establishment licensed to sell alcohol. Employers and some owners of residential housing can prohibit the use of marijuana. There are specific provisions imposing the same penalties as with alcohol sales, for individuals under the age of 21 using false identification to purchase marijuana, and for businesses that fail to verify the age of marijuana consumers.

This Act creates the Delaware Marijuana Control Act Oversight Committee. This Oversight Committee will coordinate the implementation of this Act with the Medical Marijuana Program, the Division of Public Health, the Division of Substance Abuse and Mental Health, and the public. The Oversight Committee will review the effectiveness of the Delaware Marijuana Control Act in regard to the safe operation of facilities licensed under this Act, the impact of this Act on public safety, and the impact of this Act on public health. The Commissioner must submit an annual report to the Governor and the members of the General Assembly setting forth all matters of interest and all statistics concerning marijuana regulation and control in the State including: the number of licenses of each variety issued with the State; including the name and address of each person licensed to cultivate, manufacture, or sell marijuana or marijuana products in the State; the amount of marijuana and marijuana products sold within the State; and the number of licenses of each kind granted and the number cancelled during the year.

Subchapter II creates the Marijuana Commissioner and Appeals Commission. The Commissioner has the power to conduct hearings if neighbors protest the license application of establishments that sell marijuana and subpoena power. It requires the Commissioner to coordinate with the Division of Small Business, Development, and Tourism so that potential businesses licensed under this Act have access to programs, particularly those that support small businesses owned by minorities, women, and veterans.

Subchapter III sets up the regulations and licenses under the Delaware Marijuana Control Act. The Marijuana Commissioner has the authority to adopt regulations to implement this Act and includes specific requirements that marijuana establishments must meet to obtain licenses. Regulations must require that products containing marijuana use of a symbol and a standard measurement to be used on all marijuana products so they are easily identified as containing marijuana and consumers can identify the amount of marijuana in different products; be in opaque, child-resistant packaging; and contain a warning label explaining evidence-based harms from consuming marijuana, including the impact on developing brains. The regulations must also contain security requirements, testing requirements, advertising restrictions, and require that food products comply with State food safety laws.

There are separate licensing requirements for retail marijuana stores, marijuana testing facilities, marijuana cultivation facilities, and marijuana product manufacturing facilities. The application fee for licenses is up to \$5000, which is the same as the application fee for facilities under the Delaware Medical Marijuana program. There is a \$10,000 biennial fee for each license issued under this Act, which is lower than the fee for compassion center under the Delaware Medical Marijuana program, with the exception of cultivation licenses that are determined by square footage of the grow rates. Within 10 months of the effective date of this Act, applications will be accepted from compassion centers and safety compliance facilities registered under Chapter 49A of Title 16 to operate as retail marijuana stores, marijuana cultivation facilities, marijuana product manufacturing facilities, and marijuana testing facilities. Subchapter IV creates the Marijuana Regulation Fund. This fund will consist of fees collected, penalties imposed, and taxes collected under this Act. It creates the marijuana control enforcement tax on retail marijuana in the amount of 15% that will be appropriated as determined by the General Assembly.

Section 6: Creates a State tax deduction for all ordinary and necessary expenses paid or incurred by a marijuana establishment to reflect the inability of a business licensed under this Act to deduct these expenses from federal taxes and thus state taxes. This creates a more level playing field with other businesses.

Section 7: Provides that the initial regulations required under this Act be adopted not later than 9 months after the effective date of this Act.

Section 8: This section allows for the expungement of prior marijuana related offenses as long as the individual has no convictions for violent felonies.

Section 9: This section allows the Sunset Committee to review the Oversight Committee in 2024.
