57 § 10407. Review of regulations of executive branch agencies.

58 ~~In accordance with the provisions of this section, each executive branch agency shall conduct a periodic review of~~  
59 ~~regulations promulgated by such agency to determine which regulations, if any, should be modified or eliminated. The~~  
60 ~~review process hereunder shall commence no later than January 1, 2016, and shall recommence on a recurring basis every 4~~  
61 ~~years. Reviews by executive branch agencies hereunder shall be conducted in accordance with the following procedures:~~

62 ~~(1) Each executive branch agency shall be assigned a 3-month regulatory review period by the Office of the~~  
63 ~~Governor or any executive branch agency designated thereby. During such regulatory review period, each executive~~  
64 ~~branch agency shall solicit public input, and shall conduct its own in-depth internal review, to identify regulations~~  
65 ~~promulgated by such agency 4 years ago or more for possible modification or elimination.~~

66 (a) Within 4 years of the enactment of this law, each agency shall review all agency regulations existing at  
67 the time of enactment to determine whether such regulations should be readopted, amended, or repealed,  
68 consistent with the stated objectives of those statutes, to minimize economic impact of the regulations on small  
69 businesses in a manner consistent with the stated objective of applicable statutes. If the head of the agency  
70 determines that completion of the review of existing regulations is not feasible by the date established above, the  
71 agency shall publish a statement certifying such determination. The agency may extend the completion date for  
72 such review by 1 year.

73 (b) Regulations adopted after the enactment of this law shall be reviewed every 5 years after publication of  
74 such regulations as the final regulation to ensure that such regulations minimize the economic impact on small  
75 businesses in a manner consistent with the stated objectives of applicable statutes.

76 ~~(2)~~(c) During its regulatory review period, each executive branch agency:

77 a.1. Shall conduct at least 1 public hearing in each county, notice of which shall be provided in  
78 accordance with the Administrative Procedures Act, § 10101 et seq. of this title ("APA");

79 b.2. Shall accept recommendations and input, in person, by mail, by fax, and via an online submission  
80 form; and

81 e.3. Shall adopt procedures to allow for the submission of anonymous recommendations and input.

82           ~~(3) At the conclusion of its regulatory review period, each executive branch agency shall evaluate the~~  
83           ~~comments, proposals, and recommendations received or generated, and shall submit any revisions (i.e., regulations to~~  
84           ~~be eliminated or modified) to the Register of Regulations for publication in accordance with the APA.~~

85           ~~(4) No later than 12 months from the commencement of any regulatory review process described herein, the~~

87           ~~detailing the regulations eliminated or modified as a result of such process.~~

88           ~~(5) Notwithstanding the foregoing, each executive branch agency shall be required to consider only those~~  
89           ~~regulations adopted pursuant to the APA 4 years ago or more for which it has direct promulgating authority. In~~  
90           ~~connection herewith, no executive branch agency shall be required to consider regulations administered by an~~  
91           ~~executive branch agency but require adoption or amendment by a board, commission, or other agency, including but~~  
92           ~~not limited to regulations administered by the Department of State's Division of Professional Regulation that define~~  
93           ~~standards of conduct or qualifications of individuals applying for licensure or as licensed professionals. If an executive~~  
94           ~~branch agency does not have any regulations adopted pursuant to the APA 4 years ago or more for which it has direct~~  
95           ~~promulgating authority, it shall not be subject to the procedures described in this section.~~

96           ~~(6) In connection herewith, the Office of the Governor, or any executive branch agency designated thereby,~~  
97           ~~may promulgate guidelines to assist executive branch agencies in implementing the requirements of this section. Such~~  
98           ~~guidelines shall be subject to the APA, and may include but shall not be limited to:~~

99           ~~a. Coordinating the regulatory review period of each executive branch agency to maximize public input,~~  
100           ~~and to minimize the administrative burden imposed upon such agency and the Register of Regulations to the extent~~  
101           ~~possible;~~

102           ~~b. Requirements relating to the timing and content of any notice to be published by each executive branch~~  
103           ~~agency in connection with its regulatory review period; and~~

104           ~~c. A description of procedures to allow for the submission of anonymous recommendations and input.~~

105           ~~(d) In reviewing regulations to minimize the economic impact of the regulations on small businesses, the agency~~  
106           ~~must consider the following factors:~~

107           ~~(1) The continued need for the regulation;~~

108           ~~(2) The nature of complaints or comments received from the public concerning the regulation;~~

109           ~~(3) The complexity of the regulation;~~

111           ~~governmental regulations; and~~

(5) The length of time since the regulation has been evaluated and the degree to which technology, economic conditions, or other factors that have changed in the area affected by the regulation.

(e) Such review and readoption, amendment, or repeal done pursuant to this section must be preceded by publication pursuant to Chapter 101 of Title 29.

(f) The Registrar of Regulations must develop a system that provides sufficient notice to the promulgating agency of the expiration of the period of review referenced in this section.
