BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

1 Section 1. Amend Chapter 9, Title 19 of the Delaware Code by making deletions as shown by strike through and

7 ~~shall the minimum rate, under this subsection, be less than \$2.23 per hour. Employees engaged in occupations in which~~
8 ~~tips or gratuities customarily constitute part of the remuneration may not be paid a wage rate that is less than 65% of the~~
9 ~~wage rate prescribed in subsection (a) of this section so long as the tips or gratuities are sufficient to bring them to the wage~~
10 ~~rate prescribed in subsection (a) of this section.~~

SYNOPSIS

The minimum wage for employees who receive tips or gratuities has not changed since 1983, when the overall state minimum wage was \$3.35 per hour. Tipped wage workers at that time were paid a percentage – 66.67% – of the minimum wage, which was \$2.23 per hour. In 1989, the General Assembly changed the hourly wage to a flat \$2.23 per hour, where it has remained since. Had the calculation been left unchanged, the tipped wage would have increased along with the minimum wage. Therefore, this bill ensures that employees who receive tips or gratuities also receive a minimum wage increase when other employees in the State receive a minimum wage increase.
