52 29.

53 Section 4. This Act takes effect January 1, 2022.

SYNOPSIS

This Act requires that meetings of the Board of Trustees for the University of Delaware, Delaware State University, and Delaware Technical and Community College must be livestreamed using technology that permits the public to hear all participants contemporaneously. This Act also requires that recordings of the livestreamed meetings must be maintained on a public website.

This Act also makes technical corrections to conform existing law to the standards of the Delaware Legislative Drafting Manual.

This Act requires a greater than majority vote for passage because § 1 of Article IX of the Delaware Constitution requires the affirmative vote of two-thirds of the members elected to each house of the General Assembly to amend a charter issued to a corporation for educational purposes sustained in whole or part by the State, including the University of Delaware and Delaware State University.
