12 (b) The money received by the Insurance Commissioner in accordance with the provisions of § 707 of this title
13 shall be paid to the State Treasurer and shall be set aside as a special fund and shall be paid out by the State Treasurer,

15 municipal police department or bureau having a pension fund, or which shall hereafter by law have a police pension
16 fund. The State Treasurer shall determine the total number of state, county and municipal police entitled to benefits
17 under the provisions of this section and § 707 of this title from an annual registry in accordance with § 709(a) of this
18 title, and shall make distribution proportionately and on a per capita basis, subject to the provisions of subsection (c) of

(c) (1) The payments to the State referred to in this section for “state police,” as defined in § 706 of this title, shall be deposited into a special fund, to be managed by the State Board of Pension Trustees, to provide post-retirement increases for retired county and municipal police and firefighters. The State Board of Pension Trustees shall allocate the funds deposited in this special fund on a per capita basis to the account of each eligible county or municipality based upon the annual registry in accordance with § 709(b) of this title, provided that the eligible county or municipality has elected to participate in the State-administered County and Municipal Police/Firefighter Pension Plan for all new hires after the time a municipality or county elects into that plan in accordance with Chapter 88 of Title 11. No funds shall be disbursed from this special fund without the prior approval of the Board of Pension Trustees.

(2) Any county or municipality wishing to grant a post-retirement increase from this fund shall submit a proposal to the State Board of Pension Trustees outlining the proposal in such detail as the State Board of Pension Trustees may require. The State Board of Pension Trustees shall not approve any proposal for a post-retirement increase unless the county or municipality requesting such increase agrees to deposit into this special fund, prior to the implementation of such increase, sufficient funds to cover 25% of the total actuarial cost of such increase.
