SYNOPSIS

This Act requires that home health-care services for Medicaid long-term care services and support providers be reimbursed for services by Medicaid-contracted organizations at a rate equal to or more than the rate set by the Division of Medicaid and Medical Assistance for equivalent services. This rate floor system is currently used for reimbursement rates for home health-care nursing services paid for by Medicaid-contracted organizations.

This Act also makes technical corrections to conform existing law to the standards of the Delaware Legislative Drafting Manual.
