DELAWARE STATE SENATE  
151st GENERAL ASSEMBLY

SENATE CONCURRENT RESOLUTION NO. 44

CREATING AN AGING-IN-PLACE WORKING GROUP TO DEVELOP RECOMMENDATIONS RELATED TO  
HOME AND COMMUNITY BASED SERVICES.

1 WHEREAS, it is imperative to implement policies that will best support the needs of Delaware's rapidly growing  
2 population of senior citizens and their families; and

3 WHEREAS, the overwhelming majority of senior citizens, and 76% of Americans over age 50, report wanting to  
4 stay in their own homes for as long as possible; and

5 WHEREAS, aging-in-place promotes increased health and self-esteem in senior citizens, increased satisfaction  
6 from their families, and offers increased protection from highly infectious diseases like COVID-19; and

7 WHEREAS, robust home and community-based services enable successful aging-in-place; and

8 WHEREAS, in addition to home health care, home and community-based services provide aging  
9 Delawareans with critical supports, such as home-delivered food, transportation, and personal care services; and

10 WHEREAS, home and community-based services are delivered by public, private, and nonprofit  
11 organizations across Delaware; and

12 WHEREAS, the cost of in-home care and access to home and community-based support services present  
13 significant barriers to the long-term viability of seniors aging-in-place; and

14 WHEREAS, according to a 2019 survey from Genworth Financial on the cost of long-term care, the  
15 national average cost for a home health aide is \$4,385 a month; and

16 WHEREAS, in addition to facilitating successful aging-in-place, robust home and community-based  
17 services have the potential to cut costs for individuals and the State; and

18 WHEREAS, seniors from racial and ethnic minority groups encounter additional barriers, including  
19 cultural bias, when accessing services, ensuring that services are culturally competent is critical; and

20 WHEREAS, Delaware should seek to identify policy solutions that increase the equity, availability, and  
21 affordability of home and community-based services; and

22 WHEREAS, Delaware should be proactive in building a strong statewide home and community-based  
23 service infrastructure to support its aging and diversifying population and should work to enable residents to  
24 remain in their homes and community as long as possible.

25 NOW THEREFORE:

26 BE IT RESOLVED by the Senate of the 151<sup>st</sup> General Assembly of the State of Delaware, the House of  
27 Representatives concurring therein, that an Aging-In-Place Working Group is established to identify and develop policy  
28 recommendations to improve Delaware's home and community-based services infrastructure with the goal of  
29 allowing aging Delawareans to remain in their own home and community safely, independently and  
30 comfortably, regardless of age, income, or ability.

31 BE IT FURTHER RESOLVED that the Working Group be composed of the following members:

32 (1) A Senator from the Majority Caucus, appointed by the President Pro Tempore, who shall serve as  
33 Co-Chair.

34 (2) A Representative from the Majority Caucus, appointed by the Speaker of the House, who shall serve  
35 as Co-Chair.

36 (3) A Senator from the Minority Caucus, appointed by the President Pro Tempore.

37 (4) A Representative from the Minority Caucus, appointed by the Speaker of the House.

38 (5) A representative of the Department of Health & Social Services, representing the Division of Services  
39 for Aging and Adults with Physical Disabilities.

40 (6) A representative of the Department of Health & Social Services, representing the Division of  
41 Medicaid and Medical Assistance.

42 (7) A representative of the AARP, appointed by the Director of the AARP Delaware.

43 (8) A representative of the Alzheimer's Association Delaware Valley Chapter.

44 (9) A representative of the Delaware Aging Network.

45 (10) A representative of the Delaware Healthcare Association.

46 (11) A representative of the Delaware Association of Home and Community Care.

47 (12) Five members of the public, appointed by the Governor, representing the following categories: an  
48 adult social service provider; an adult care recipient; an adult caregiver; a senior center representative; and a

49 representative of a federally qualified health center. Public appointees should include individuals from diverse  
50 backgrounds, and efforts should be made to appoint representatives from all three counties.  
51 BE IT FURTHER RESOLVED that the working group is to deliver recommendations on policies and  
52 implementation strategies to the General Assembly by March 30, 2022.

#### SYNOPSIS

This Concurrent Resolution creates an Aging-in-Place Working Group that will develop a plan to guide policies designed to promote successful aging-in-place for seniors in Delaware. The group will deliver preliminary recommendations to the General Assembly by March 30, 2022.
