(2) The Workforce Development Board must include the following criteria in the decision to approve a non-degree credit certificate program for FAST:

b. The job placement rate for graduates.

(d) A FAST payment under this section must be made as follows:

(1) The total amount of FAST payments for each eligible individual may not exceed \$10,000.

(2) A FAST payment may not pay an individual's tuition for longer than 12 months, but multiple tuition payments may be made on behalf of an individual.

(4) FAST payments must be paid on a first-come, first-served basis.

(5) The FAST program is subject to the availability of funds appropriated for this specific purpose. This subsection does not create a right or entitlement in an individual to receive a monetary payment under the compensation program.

(e) The Department of Labor may adopt policies and procedures to implement this section.

Section 2. This Act is effective upon enactment and is to be implemented the earlier of the following:

(1) Six months from the date of the Act's enactment.

(2) Upon promulgation of the list of approved non-degree credit certificate programs under § 3404(c) of Title 19 and the Secretary of the Department of Labor providing notice to the Registrar of Regulations, published in the Register of Regulations, that this contingency has been fulfilled.

Section 3. Section 3404 of Title 19 expires 2 years after the Act's enactment into law, unless terminated or extended by subsequent action of the General Assembly.

Section 4. The money appropriated to implement this Act, not to exceed \$1 million, shall be paid by the State Treasurer out of funds in the General Fund of the State of Delaware not otherwise appropriated or eligible federal funds.
