HOUSE OF REPRESENTATIVES  
151st GENERAL ASSEMBLY

HOUSE CONCURRENT RESOLUTION NO. 40

CREATING THE "JUSTICE FORTY OVERSIGHT COMMITTEE."

1           WHEREAS, President Biden unveiled a plan to rebuild the infrastructure of the United States and the plan sets the  
2 target of delivering 40 percent of the overall benefits from the massive investment in clean energy and our infrastructure to  
3 disadvantaged communities; and

4           WHEREAS, through the use of tax credits, grants, and low-cost flexible loans, the President's plan addresses racial  
5 and environmental injustice to invest in communities disparately impacted by pollution and provide these communities with  
6 the benefits of clean energy investments; and

7           WHEREAS, many Delawareans see vast areas for improvement in the areas of housing, broadband access, and  
8 water systems throughout the State and active participation in the President's plan could help provide affordable housing,  
9 reliable and affordable high-speed Internet access, and clean drinking water to everyone in our State; and

10          WHEREAS, it is important to seize the opportunities provided through this plan and create a committee to locate  
11 and help organize disadvantaged communities to ensure that these communities derive the full benefit of these credits,  
12 grants, and loans to improve the overall quality of life in Delaware; and

13          WHEREAS, Delaware cannot afford to fall behind in the push for a cleaner and more just future.
