HOUSE OF REPRESENTATIVES  
151st GENERAL ASSEMBLY

HOUSE BILL NO. 291

AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO EDUCATOR EVALUATIONS AND  
PROCEDURES FOR THE TERMINATION OF SERVICES OF PROFESSIONAL EMPLOYEES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

1           Section 1. Amend § 1270, Title 14 of the Delaware Code by making deletions as shown by strike through and  
2     insertions as shown by underline as follows:

3           Subchapter VII. Educator Evaluations

4           § 1270 The Delaware Performance Appraisal System II.

5           (a) An educator holding an initial license pursuant to § 1210 of this title must receive a Delaware Performance  
6     Appraisal System II (DPAS II) evaluation annually. An educator holding a continuing license pursuant to § 1211 of this  
7     title or an advanced license pursuant to § 1213 of this title must receive a Delaware Performance Appraisal System II  
8     (DPAS II) evaluation at least every 2 academic years. For purposes of this subchapter only, the term “educator” shall also  
9     include specialists who practice in Delaware public schools, whether or not they are licensed and certified by the  
10    Department. The evaluation must be consistent with the Delaware Professional Teaching Standards and the Delaware  
11    Administrators’ Standards, and must otherwise be in accordance with the criteria and requirements of this section.

12          (b) The Department, with the consent of the State Board of Education, shall promulgate rules and regulations to  
13     administer the Delaware Performance Appraisal System II (DPAS II). The DPAS II must include an overall rating and a  
14     student-improvement component rating, and must identify what constitutes satisfactory performance and unsatisfactory  
15     performance on the overall evaluation and on each component of the evaluation. For the purposes of § 1273 of this title,  
16     DPAS II must also include a definition of “pattern of ineffective teaching” and define “pattern of ineffective  
17     administration” as it relates to unsatisfactory performance on the overall DPAS II evaluation.

18          (c) (1) DPAS II must have no more than 5 components and must have a strong focus on student improvement, with  
19     1 component dedicated exclusively to student improvement. All components must be weighted equally beginning in the  
20     2017-18 academic year.

(2) For all Part A and Part B goals, the educator, as well as the administrator, may propose measures to be used to provide data to judge progress towards the goals. The proposed measures must be approved by the administrator, and not result in additional assessments for students. With regard to Part B goals, the measures must be selected from a list of the standardized measures approved by the Department.

(3) The measure of student improvement must take into consideration student absence, student mobility, student chronic noncompliance with school rules, chronic failure by parents to abide by the Parents' Declaration of Responsibilities under § 157 of this title, and other factors that may adversely affect the evaluation. If a student has missed more than 15% of the class time, the student's performance shall only be used with the agreement of the teacher under this chapter.

(d) A local school district may develop and implement other assessment tools that measure annual student improvement, including assessments in other content areas. Assessment tools developed and implemented pursuant to this subsection must be approved by the Secretary and must be funded with local funds.

(e) Nothing in this section prevents a local school district from administering other evaluations in addition to the Delaware Performance Appraisal System II, provided that administration of additional evaluations is reported to the Department.

(f) A local school district, vocational-technical school district or charter school may make application to the Department for a waiver of the provisions of the DPAS II evaluation system, which shall be granted, subject to the provisions of rules and regulations promulgated pursuant to this subchapter, if the request for a waiver is based on a locally developed evaluation process that is demonstrated to be the product of the collective bargaining process pursuant to Chapter 40 of this title and community review and is as rigorous and as educationally sound as DPAS II, provides for evaluating educator performance by measuring student growth using multiple measures over the course of a curricular year, and contains a mechanism for certifying evaluators and for quality control.

(g) The Department shall implement the Delaware Teacher Growth and Support System through a pilot program in no less than three local education agencies for the 2021-2022 academic year. During the 2022-2023 academic year, additional non-participating local education agencies may join the pilot program. The pilot program shall weigh all performance areas equally, shall incorporate professional growth plans for teachers, and shall meet the following requirements for each participating local education agency:

(1) Any such pilot program shall be conducted with the consent of the local education agency and organization representing the local education agency's educators for collective bargaining purposes, if applicable.

(2) The performance area dedicated to student improvement shall contain a Part I and a Part II. Part I shall contain at least one individual professional learning goal created by the teacher and administrator that is focused on the continuous improvement of skills aligned to the Delaware Teacher Growth and Support System teacher observation rubric. Part II shall contain at least two individual student improvement goals selected by the teacher and administrator that demonstrate the teacher's contribution to student growth for his or her current cohort of students. If the teacher and administrator do not agree, the administrator's decision is final. Each "Part II" goal shall be based upon a measure that has been approved by the Department. Measures may be created by a local education agency but must be approved by the Department prior to use. The administrator shall assess the progress toward goals, regardless of whether the teacher has satisfied the requirements of § 1403(a) of this title, is on a directed professional growth plan, or has a satisfactory rating on his or her most recent performance evaluation.

(3) Notwithstanding any other provision of law, rule or regulation to the contrary, grades 3 through 8 and high school state assessments required under § 151 of this title shall not be required as a measure of student growth as part of a teacher's evaluation.

(4) The measure of student improvement must take into consideration student absence, student mobility, student chronic noncompliance with school rules, chronic failure by parents to abide by the Parents' Declaration of Responsibilities under § 157 of this title, and other factors that may adversely affect the evaluation. If a student has missed more than 15% of the class time, the student's performance shall only be used with the agreement of the teacher under this chapter.

(5) a. Local education agencies that participated in the 2021-2022 school year pilot may continue to use the Delaware Teacher Growth and Support System during the 2022-2023 academic year. Evidence collected and feedback provided under this subsection shall be used as part of a teacher's evaluation cycle and to assign an official summative rating for the 2022-2023 academic year. Any local education agency that participated in the 2021-2022 school year pilot that does not continue to use the Delaware Teacher Growth and Support System during the 2022-2023 school year shall apply to the Department for approval to revert back to the Delaware Performance Appraisal System II (DPAS II) or an approved alternate evaluation system.

b. Any such decision regarding continued use of the Delaware Teacher Growth and Support System during the 2022-2023 school year shall be made with the consent of the school district and organization representing the district's educators for collective bargaining purposes. Approval granted under this subsection shall be for the 2022-2023 school year only.

c. For the 2022-2023 school year any local education agency that makes the decision not to continue with the Delaware Teacher Growth and Support System shall implement DPAS II or an approved alternate evaluation system in accordance with this section.

(5)(6) Beginning with the ~~2022-2023~~ 2023-2024 academic year, the Delaware Teacher Growth and Support System will replace the Delaware Performance Appraisal System II for all licensed and certified teachers.

(h)(1) Notwithstanding any provision of this section, the ~~educator evaluation system~~ Delaware Performance Appraisal System II under this section is ~~suspended~~ modified for the ~~2020-2021~~ 2021-2022 and 2022-2023 academic school year years. ~~In lieu of the educator evaluation system,~~ Educators must engage in an observation and feedback cycle designed to provide coaching, and support related to hybrid and remote learning practices that encourage all of the following:

2. Novice teachers shall receive a minimum of 2 announced or unannounced observations within the observation and feedback cycle.

(3) The evaluator shall record feedback provided to an educator under this subsection in the Data Service Center platform and must include all of the following:

a. Component and Criterion level ratings as developed for the 2020-2021 school year year: and shared by the Department in a guidance document.

b. Any narrative language related to recommendations or commendations on the educator's performance. ~~Recommendations on performance may not result in a formal improvement plan.~~

(4) The only forms that an educator must complete under this subsection are the following:

#### SYNOPSIS

This Act continues the changes made to the Delaware Performance Appraisal System II created under Senate Bill 42 of the 151st General Assembly, with modifications. In order to maintain an evaluation system under current operational challenges, this bill modifies Senate Bill 42 by allowing evidence collected during the observation and feedback cycle to be used a part of the evaluation cycle, to assign a summative rating, and to place educators on improvement plans, if needed. Additionally, this bill extends the pilot for the Delaware Teacher Growth and Support System, created under House Bill 133 of the 151st General Assembly, to the 2022-2023 school year, moving the start date for statewide implementation to the 2023-2024 school year.

This bill also reconciles inconsistencies that have arisen with educators' hearing rights as outlined in Chapter 14 of Title 14 due to the suspension of the state assessment in 2019-2020 school year and low participation in the 2020-2021 school year. Additionally, this bill aligns Chapter 14 with the new educator evaluation system, the Delaware Teacher Growth and Support System, by placing the emphasis on building a culture of professionalism and learning within every school, which is measured in a summative evaluation, rather than one component of an evaluation.
