HOUSE OF REPRESENTATIVES
151st GENERAL ASSEMBLY

HOUSE BILL NO. 291

AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO EDUCATOR EVALUATIONS AND PROCEDURES FOR THE TERMINATION OF SERVICES OF PROFESSIONAL EMPLOYEES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

1 Section 1. Amend § 1270, Title 14 of the Delaware Code by making deletions as shown by strike through and
2 insertions as shown by underline as follows:

3 Subchapter VII. Educator Evaluations

4 § 1270 The Delaware Performance Appraisal System II.

5 (a) An educator holding an initial license pursuant to § 1210 of this title must receive a Delaware Performance
6 Appraisal System II (DPAS II) evaluation annually. An educator holding a continuing license pursuant to § 1211 of this
7 title or an advanced license pursuant to § 1213 of this title must receive a Delaware Performance Appraisal System II
8 (DPAS II) evaluation at least every 2 academic years. For purposes of this subchapter only, the term “educator” shall also
9 include specialists who practice in Delaware public schools, whether or not they are licensed and certified by the
10 Department. The evaluation must be consistent with the Delaware Professional Teaching Standards and the Delaware
11 Administrators’ Standards, and must otherwise be in accordance with the criteria and requirements of this section.

12 (b) The Department, with the consent of the State Board of Education, shall promulgate rules and regulations to
13 administer the Delaware Performance Appraisal System II (DPAS II). The DPAS II must include an overall rating and a
14 student-improvement component rating, and must identify what constitutes satisfactory performance and unsatisfactory
15 performance on the overall evaluation and on each component of the evaluation. For the purposes of § 1273 of this title,
16 DPAS II must also include a definition of “pattern of ineffective teaching” and define “pattern of ineffective
17 administration” as it relates to unsatisfactory performance on the overall DPAS II evaluation.

18 (c) (1) DPAS II must have no more than 5 components and must have a strong focus on student improvement, with
19 1 component dedicated exclusively to student improvement. All components must be weighted equally beginning in the
20 2017-18 academic year.

21 (2) For all Part A and Part B goals, the educator, as well as the administrator, may propose measures to be
22 used to provide data to judge progress towards the goals. The proposed measures must be approved by the
23 administrator, and not result in additional assessments for students. With regard to Part B goals, the measures must be
24 selected from a list of the standardized measures approved by the Department.

25 (3) The measure of student improvement must take into consideration student absence, student mobility,
26 student chronic noncompliance with school rules, chronic failure by parents to abide by the Parents' Declaration of
27 Responsibilities under § 157 of this title, and other factors that may adversely affect the evaluation. If a student has
28 missed more than 15% of the class time, the student's performance shall only be used with the agreement of the teacher
29 under this chapter.

30 (d) A local school district may develop and implement other assessment tools that measure annual student
31 improvement, including assessments in other content areas. Assessment tools developed and implemented pursuant to this
32 subsection must be approved by the Secretary and must be funded with local funds.

33 (e) Nothing in this section prevents a local school district from administering other evaluations in addition to the
34 Delaware Performance Appraisal System II, provided that administration of additional evaluations is reported to the
35 Department.

36 (f) A local school district, vocational-technical school district or charter school may make application to the
37 Department for a waiver of the provisions of the DPAS II evaluation system, which shall be granted, subject to the
38 provisions of rules and regulations promulgated pursuant to this subchapter, if the request for a waiver is based on a locally
39 developed evaluation process that is demonstrated to be the product of the collective bargaining process pursuant to Chapter
40 40 of this title and community review and is as rigorous and as educationally sound as DPAS II, provides for evaluating
41 educator performance by measuring student growth using multiple measures over the course of a curricular year, and
42 contains a mechanism for certifying evaluators and for quality control.

43 (g) The Department shall implement the Delaware Teacher Growth and Support System through a pilot program in
44 no less than three local education agencies for the 2021-2022 academic year. During the 2022-2023 academic year,
45 additional non-participating local education agencies may join the pilot program. The pilot program shall weigh all
46 performance areas equally, shall incorporate professional growth plans for teachers, and shall meet the following
47 requirements for each participating local education agency:

48 (1) Any such pilot program shall be conducted with the consent of the local education agency and
49 organization representing the local education agency's educators for collective bargaining purposes, if applicable.

50 (2) The performance area dedicated to student improvement shall contain a Part I and a Part II. Part I shall
51 contain at least one individual professional learning goal created by the teacher and administrator that is focused on the
52 continuous improvement of skills aligned to the Delaware Teacher Growth and Support System teacher observation
53 rubric. Part II shall contain at least two individual student improvement goals selected by the teacher and administrator
54 that demonstrate the teacher's contribution to student growth for his or her current cohort of students. If the teacher and
55 administrator do not agree, the administrator's decision is final. Each "Part II" goal shall be based upon a measure that
56 has been approved by the Department. Measures may be created by a local education agency but must be approved by
57 the Department prior to use. The administrator shall assess the progress toward goals, regardless of whether the teacher
58 has satisfied the requirements of § 1403(a) of this title, is on a directed professional growth plan, or has a satisfactory
59 rating on his or her most recent performance evaluation.

60 (3) Notwithstanding any other provision of law, rule or regulation to the contrary, grades 3 through 8 and high
61 school state assessments required under § 151 of this title shall not be required as a measure of student growth as part
62 of a teacher's evaluation.

63 (4) The measure of student improvement must take into consideration student absence, student mobility,
64 student chronic noncompliance with school rules, chronic failure by parents to abide by the Parents' Declaration of
65 Responsibilities under § 157 of this title, and other factors that may adversely affect the evaluation. If a student has
66 missed more than 15% of the class time, the student's performance shall only be used with the agreement of the teacher
67 under this chapter.

68 (5) a. Local education agencies that participated in the 2021-2022 school year pilot may continue to use the
69 Delaware Teacher Growth and Support System during the 2022-2023 academic year. Evidence collected and feedback
70 provided under this subsection shall be used as part of a teacher's evaluation cycle and to assign an official summative
71 rating for the 2022-2023 academic year. Any local education agency that participated in the 2021-2022 school year
72 pilot that does not continue to use the Delaware Teacher Growth and Support System during the 2022-2023 school year
73 shall apply to the Department for approval to revert back to the Delaware Performance Appraisal System II (DPAS II)
74 or an approved alternate evaluation system.

75 b. Any such decision regarding continued use of the Delaware Teacher Growth and Support System
76 during the 2022-2023 school year shall be made with the consent of the school district and organization
77 representing the district's educators for collective bargaining purposes. Approval granted under this subsection
78 shall be for the 2022-2023 school year only.

79 c. For the 2022-2023 school year any local education agency that makes the decision not to continue with
80 the Delaware Teacher Growth and Support System shall implement DPAS II or an approved alternate evaluation
81 system in accordance with this section.

82 ~~(5)(6)~~ Beginning with the ~~2022-2023~~ 2023-2024 academic year, the Delaware Teacher Growth and Support

SYNOPSIS

This Act continues the changes made to the Delaware Performance Appraisal System II created under Senate Bill 42 of the 151st General Assembly, with modifications. In order to maintain an evaluation system under current operational challenges, this bill modifies Senate Bill 42 by allowing evidence collected during the observation and feedback cycle to be used a part of the evaluation cycle, to assign a summative rating, and to place educators on improvement plans, if needed. Additionally, this bill extends the pilot for the Delaware Teacher Growth and Support System, created under House Bill 133 of the 151st General Assembly, to the 2022-2023 school year, moving the start date for statewide implementation to the 2023-2024 school year.

This bill also reconciles inconsistencies that have arisen with educators' hearing rights as outlined in Chapter 14 of Title 14 due to the suspension of the state assessment in 2019-2020 school year and low participation in the 2020-2021 school year. Additionally, this bill aligns Chapter 14 with the new educator evaluation system, the Delaware Teacher Growth and Support System, by placing the emphasis on building a culture of professionalism and learning within every school, which is measured in a summative evaluation, rather than one component of an evaluation.
