SYNOPSIS

This Act establishes a period of time when a license for a nonpublic school teacher, specialist, or administrator employed by this State and for a public education employee, i.e., a Department of Education employee, adult education employee, and prison education employee, does not expire. The Act defers the expiration of the license for an individual who is or is the spouse of active-duty military, is or is the spouse of a member of the National Guard, is or is the spouse of an individual in the military reserve, and for an individual who is or is the spouse of retired military. The Act provides that a license does not expire for 180 days after the date the individual or the individual's spouse returns from active

deployment if the person or the person's spouse holds an initial license and for 270 days after return from active deployment if the person or the person's spouse holds a continuing or advanced license. This does not apply to public school educators who are licensed and certified in accordance with subchapters II and III of Title 14. This Act also replaces the Associate Secretary, Administration and Innovation with the Associate Secretary, Educator Support throughout Section 121.

This Act also makes technical corrections to conform existing law to the standards of the Delaware Legislative Drafting Manual.
