25                                14. The Office of the Child Advocate.

#### SYNOPSIS

This bill updates the State Bureau of Identification's definition of "criminal justice agency" in two ways. First, by adding the Division of Management Support Services in the Department of Services for Children, Youth & Their Families to reflect the shift in some criminal justice functions to that Division from the Division of Family Services. Second, by clarifying that the Office of the Child Advocate is a criminal justice agency. The Office of the Child Advocate provides legal representation to children in foster care, and the Investigation Coordinator, located within the Office of the Child Advocate, is a member of the criminal multidisciplinary response to child abuse and neglect.
