DELAWARE STATE SENATE
151st GENERAL ASSEMBLY

SENATE BILL NO. 249

AN ACT TO AMEND TITLE 29 OF THE DELAWARE CODE RELATING TO THE OFFICE OF NEW DELAWAREANS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend Chapter 87, Title 29 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

Subchapter I-A. Office of New Delawareans

§ 8751. Legislative findings.

The General Assembly finds and declares as follows:

(1) In 2018, Delaware was home to 91,230 foreign-born individuals, which comprise 9% percent of the State's population.

(2) Throughout this State's history, immigrants have played a critical role in this State's economic, cultural, and political growth and success.

(3) Policies that promote the attraction, retention, and inclusion of immigrants and refugees will help enhance this State's economy and diversity, thereby improving the lives of all residents and helping to remove barriers that may undermine immigrants' full potential.

(4) Immigrants currently fill skilled positions throughout this State's economy and are a vital part of this State's economy and tax base. In 2018, immigrant business owners in this State generated more than \$51,000,000 in business revenue and immigrant spending power increased to \$2,700,000,000.

(5) 32% of immigrants in this State have a bachelor of arts, bachelor of science, or graduate degree, compared to 31% of United-States-born Delawareans.

(6) Organizations are providing leadership in this State's immigrant integration efforts through programs and services that connect newcomers and longtime Delawareans to economic opportunity.

(7) It is essential for this State's future that skilled, energetic, and entrepreneurial immigrants are attracted, retained, and integrated. Immigrants help to bolster this State's economy and strengthen the social, civic, and cultural fabric.

(8) This State enforces and provides for many services, licenses, and educational and economic opportunities, which makes it imperative to coordinate the work of state agencies, leverage relationships with partner and nonprofit organizations, and recommend policies and programs that support immigrant inclusion. Immigrants on the path to full civic and economic participation will benefit from a welcoming environment and policies that do all of the following:

a. Increase access to English language instruction and workforce development and employment.

b. Reduce exploitation and fraud against immigrants.

c. Connect new Delawareans to legal services and assist on the path to naturalization.

d. Provide individuals with meaningful access to State resources and opportunities regardless of English proficiency.
