A petition not accepted within 90 days is void, and a petition for the annexation of the territory may not be resubmitted to the Town Council for reconsideration until 1 year from the date of the original annexation petition.

(2) Resolution of the Town Council. The Town Council may adopt a resolution proposing the annexation of a territory contiguous to the Town. A resolution under this paragraph must describe the territory proposed to be annexed,

state the reasons for the proposed annexation, and identify the proposed zoning district classification for the territory.
Upon adoption of a resolution under this paragraph, the Town Council shall adopt a resolution under subsection (b) of this section. The resolution under this paragraph may be adopted at the same Town Council meeting at which the resolution required in subsection (b)(1) is also adopted.

(b) Annexation Procedure. After annexation is proposed under subsection (a) of this section, the annexation procedure is as follows:

(1) Resolution and Notice. The Town Council shall adopt a resolution notifying property owners and residents of the Town and the territory proposed for annexation that the Town proposes to annex the territory which adjoins its then-corporate limits.

2. Identify the zoning district classification proposed for the territory.
3. State that a qualified resident has the right to object to the annexation.
4. Fix a time and place for a public hearing on the proposed annexation and zoning.

b. A resolution under this paragraph (b)(1) of this section may also provide that if the annexation is finally approved, the Town is not obligated to provide municipal services or extend municipal facilities or improvements unless and until the Town Council, in the sole exercise of its reasonable discretion, determines that it is appropriate for the Town to do so or the owner or developer of a territory, or portion of the territory, proposed for annexation, binds itself to any of the following as required by the Town:

1. To pay in full all costs and expenses, with reasonable surety acceptable to the Town, to provide the municipal services.

4. Send a copy of the public notice, via certified mail, to the owners of record of the lands proposed to be included in the annexation at their addresses as shown on the public tax records. Written notice to 1 co-owner constitutes notice to all.

(2) A qualified resident may file a written objection to the annexation with the Town at any time before the close of the public hearing held under paragraph (b)(3) of this section. For purposes of this section, a “qualified resident” means an individual residing in the territory proposed for annexation who is not a property owner but who is qualified under paragraph (b)(6)a.2. of this section to vote for the annexation.

(3) Public Hearing. At the public hearing, the Town Council shall hear comments and opinion and obtain facts from the public regarding the proposed annexation and proposed zoning district classification. The Town Council is not bound to act in response to information or comments offered at the public hearing.

(4) Annexations Not Requiring Special Election; Resolution Ordering Special Election.

a. The Town Council may, within 6 months of the public hearing and without holding a special election, vote to accept the annexation by adopting a final resolution annexing the territory under paragraph (b)(10) of this section if all of the following apply:

1. The proposed annexation is either initiated at the written petition of all of the owners of record of all lands proposed for the annexation or consented to in a notarized writing signed by all the owners and submitted to the Town Council no later than the conclusion of the public hearing held under paragraph (b)(3) of this section.

2. The Town has not received a written objection from a qualified resident of the territory proposed for annexation.

b. If all owners of property considered for annexation do not petition or consent to annexation or if a qualified resident of the territory proposed for annexation submits a written objection, the Town Council may adopt a resolution ordering a special election regarding the proposed annexation. This resolution is also the determination of the Town Council to proceed with the annexation and zoning district classification proposed in the resolution if the election results are in favor of the annexation. A resolution under this paragraph (b)(4)b. of this section must do all of the following:

1. Set the date, time, and place of the special election, which must be between 14 and 60 days after the date of the resolution proposing the special election.

2. Describe the territory proposed for annexation and the zoning district classifications that will be assigned to the territory if annexed.

2. An individual or legal entity owning record title to real property in a parcel proposed for annexation is entitled to 1 vote.

b. Paragraph (b)(6)a. of this section must be construed with the principle of "1 person, 1 vote". If a voter is entitled to vote by virtue of both residence and ownership of property or is entitled to vote by ownership of 2 or more parcels of real property, that voter is entitled to only 1 vote.

c. An individual or a legal entity entitled to vote under paragraph (b)(6)a. of this section may cast a vote by a duly executed and acknowledged power of attorney and the power of attorney constitutes conclusive evidence of the right of the individual to vote in the special election on behalf of the legal entity or individual granting the power if the power of attorney is filed as follows:

1. The power of attorney must be surrendered to the Board of Special Elections.

2. The Board of Special Elections must file the power of attorney in the Office of the Town Manager.

(7) Conduct of the Special Election. The form of ballot for a special election under this section is as follows:

_____ For the proposed annexation.

_____ Against the proposed annexation.

(8) The Town Board of Elections appointed under Section 7(f) shall act as a Board of Special Elections for the annexation and is the sole and final judge of the legality of the votes offered at the special election. The Board shall keep a true and accurate list of each individual and legal entity who votes. The polling place must be open for the period of time that the Town Council determines is reasonable and appropriate, but the polling place must be open for no less than 1 hour. A person in the polling place at the time the polls close must be permitted to cast a vote.

(9) Results of Special Election; final resolution. The territory proposed to be annexed is considered approved for annexation if a majority of the votes in the special election are cast in favor of the proposed annexation.

(10)a. The Town Council must adopt a final resolution annexing the territory that includes all of the following:

1. A statement that includes the annexed territory within the limits of the Town.

2. The zoning district classification of the territory.

3. If the resolution proposing annexation under paragraph (b)(1) of this section provided that the Town is not obligated to provide municipal services or to extend municipal facilities or improvements to the annexed territory, a statement containing the same provisions.

b. Copies of the final resolution under paragraph (b)(10)a. of this section, signed by the Mayor and certified by the secretary, with municipal seal affixed, together with a plot of the area annexed, must be filed immediately for record in the Office of the Recorder of Deeds in and for Sussex County and sent to the Office of State Planning or its successor agency.

c. The Town Council may publish and post notice of the final resolution annexing the territory as follows:

1. Published no less than 1 time in a newspaper of general circulation in the Town.

2. Posted in at least 5 public places in the Town and in at least 1 place, viewable to the public, in the territory annexed.

3. Be in bold print or bordered in black and include a description of the territory annexed and the zoning district classification.

4. State that a challenge to the annexation must be filed within 60 days from the date of the first publication or posting of the notice.

d. The territory annexed is part of the Town from the date of the adoption of the final resolution. Failure to record the resolution, the plot accompanying the resolution, or to publish or post notice of the final annexation resolution does not invalidate the annexation.

(11) Simultaneous Annexation Proceedings. If multiple parcels otherwise meet the requirements of this section for contiguity, in conducting the special election, the Town Council may do any of the following:

a. Combine all contiguous parcels proposed for annexation as 1 "territory".

b. Simultaneously conduct a special election for each parcel or a combination of contiguous parcels.

(12)a. Annexation Agreements. Annexations may be made contingent on an annexation agreement with the Town that addresses each matter relevant to the annexed lands if annexed, such as zoning, subdivision approval, site plan approval, tax relief, public utilities, and public improvements. If the Town Council approves an annexation agreement, the agreement is deemed a material part of the annexation, and the Town and the petitioners are bound to honor the provisions of the agreement unless released by the other party.

b. An annexation agreement may not extend beyond 7 years from the date the property is annexed into the Town and is void and unenforceable after the expiration of 7 years. The termination of an annexation agreement does not impact the annexed property's status as being included in the Town's municipal boundaries.

c. An annexation agreement may be modified or amended by mutual agreement of the petitioner and the Town Council at any time before the resolution ordering the special election under paragraph (b)(4)b. of this section or, when a special election is not required, the adoption of the final resolution under paragraph (b)(10) of this section. A substantial modification or amendment to an annexation agreement constitutes the withdrawal of the original petition and the filing of a new annexation petition.

(13)Property Owned by the State of Delaware; Highways, Streets, Roads, and Alleys; Ponds, Canals, Streams, and Other Waters.

a. Real property owned by the State of Delaware may be annexed into the Town without the State casting a vote in the special election, provided the State agency having control and supervision of the real property does not provide the Town with written notice of an objection to the annexation within 30 days after notice of the resolution proposing the annexation under paragraph (b)(4)b. of this section.

b. Highways, Streets, Roads, and Alleys; Ponds, Canals, Streams, and Other Waters. Contiguity with the Town's existing corporate limits, or with other territory that is contiguous with the Town's existing corporate limits, is not interrupted by the existence of a highway, street, road, alley, pond, canal, stream, or other body of water running parallel with and between the Town and the parcel sought to be annexed. However, this paragraph (b)(13)b. of this section may not be construed to allow a right of way, utility easement, waterway, or like entity to be annexed in "corridor" fashion or to be utilized as a corridor route for annexation to create contiguity.

(14)Limitations. An action contesting the annexation of a territory under this section may not be brought after the expiration of 60 days from the publication of a notice under paragraph (b)(10)c.

(15)Re-submission of Proposed Annexation. Nothing in this section prohibits the Town Council from resubmitting a proposal for annexation to the voters of a territory, or a portion thereof, under this section.
