(4) The Department, through the Associate Secretary, ~~Administration and Innovation~~, Educator Support, may deny an applicant's application for a license for failure to meet the qualifications for a license. The Department may further deny a license to an applicant who otherwise meets the requirements of this subsection for any of the causes enumerated in § 1218(a) or (b) of this title. The Department shall not take action to deny a license under this subsection without providing the applicant with written notice of the reasons for denial and with an opportunity for a full and fair hearing before the Secretary of Education or the Secretary's designee. The burden of proof in a license denial action is on the applicant to show by a preponderance of the evidence that the applicant should not be denied a license because that applicant meets the qualifications for licensure pursuant to the applicable laws and regulations.

The provisions of § 1218(c) of this title shall apply to any automatic suspension under this subsection with the exception that the license holder may request an expedited hearing before the Secretary of Education within 20 calendar days from the date the notice of the Department's decision to temporarily suspend the license holder's license was mailed. In the event that the license holder requests an expedited hearing in a timely manner, the Secretary of Education or the Secretary's designee shall convene a hearing within 90 days of the receipt of such a request. An order of suspension under this subsection shall remain in effect until the final order of the Associate Secretary, ~~Administration and Innovation~~ Educator Support or the Secretary of Education becomes effective.
