DELAWARE STATE SENATE  
152nd GENERAL ASSEMBLY

SENATE SUBSTITUTE NO. 1  
FOR  
SENATE BILL NO. 1  
AS AMENDED BY  
HOUSE AMENDMENT NO. 1

AN ACT TO AMEND TITLE 25 OF THE DELAWARE CODE RELATING TO THE RESIDENTIAL LANDLORD-  
TENANT CODE.

WHEREAS, before the COVID-19 pandemic, approximately 18,000 eviction cases were filed each year in this State which has only 101,000 rental households; and

WHEREAS, evictions create significant costs for state and local government related to shelter funding, education funding, health care provided in hospitals instead of community-based providers, transportation costs for homeless youth, and foster care; and

WHEREAS, the Delaware Access to Justice Commission has found that “Legal aid organizations have the resources to serve the civil legal needs of only one-eighth of Delaware’s low-income population, leaving a large justice gap”; and

WHEREAS, numerous studies from around the country have shown that many tenants have defenses to the eviction that they are not able to assert, either at all or successfully, without the assistance of representation; and

WHEREAS, evictions have a disparate impact on Black and Latinx households in this State; and

WHEREAS, the General Assembly seeks to end the disparate impact of evictions based on race and gender; and

WHEREAS, evictions have significant, well-documented, and long-lasting effects on the lives of individuals and families, including poorer physical and mental health, increased risk of homelessness, increased risk of employment loss, loss of personal property, damage to credit standing, and relocation into substandard housing; and

WHEREAS, evictions, and the subsequent housing instability and displacement, damage the lives of children by negatively impacting their mental and physical health, decreasing school attendance rates, impeding academic performance, increasing instances of school discipline, and increasing the likelihood of out of home placement; and

WHEREAS, providing a right to representation to tenants in eviction cases is a proven means of significantly reducing the disruptive displacement of families and the resulting social, economic, and public health costs of such displacement; and

WHEREAS, tenants must be able to invoke and enforce the right to legal representation in any eviction-related proceeding to provide for equal access to justice and the courts; and

WHEREAS, the General Assembly declares that tenants facing an eviction from their home have a right to legal representation in eviction proceedings and related matters, and that the State should provide this legal representation to tenants to assist in the fair administration of justice.

NOW, THEREFORE:

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend Part III, Title 25 of the Delaware Code by making deletions as shown by strike through and insertions as shown by underline as follows:

a. An initial mediation conference between a landlord and tenant to facilitate an agreement for asserted rental agreement violations or non-payment of rent.

b. A designated United States Housing and Urban Development certified housing counselor or other representative approved by the Justice of the Peace Court or the Court's designee for the tenant that does all of the following:

Section 3. If any provision of this Act or the application of this Act to any person or circumstance is held invalid, the provisions of this Act are severable if the invalidity does not affect the other provisions of this Act that can be given effect without the invalid provision or the application of this Act that can be given effect without the invalid application.
