275 producer licensing that the Insurance Commissioner and the non-governmental entity may deem appropriate.

276 (j) The Commissioner may participate, in whole or in part, with the NAIC, or any affiliates or subsidiaries the
277 NAIC oversees, in a centralized producer license registry where insurance producer licenses and appointments may be
278 centrally or simultaneously effected for all states that require an insurance producer license and participate in such
279 centralized producer license registry. If the Commissioner finds that participation in such a centralized producer license
280 registry is in the public interest, the Commissioner may adopt by rule any uniform standards and procedures as necessary
281 to participate in the registry. This includes the central collection of all fees for licenses or appointments that are processed
282 through the registry.

283 (k) Records

289 available for inspection by the Commissioner for a period of three years.

290 §1708. Nonresident Licensing

291 (a) Unless denied licensure pursuant to 1712, a nonresident person shall receive a nonresident producer
292 license if:

293 (1) The person is currently licensed as a resident and in good standing in his or her home state; and
294 (2) The person has submitted the proper request for licensure and has paid the fees required by
295 Title 18 Delaware Insurance Code Chapter 7. Notwithstanding any other provision of the Title,
296 every applicant for a nonresident license shall be subject to the same fees as a resident applicant;
297 and

298 (3) The person has submitted or transmitted to the Insurance Commissioner the application for
299 licensure that the person submitted to his or her home state, or in lieu of the same, a completed
300 Uniform Application or on forms prescribed by the Commissioner for license types and lines of
301 authority not available on the Uniform Application; and

302 (4) The person's home state awards non-resident producer licenses to residents of this state on the
303 same basis.

304 (5) Except where prohibited by state or federal law, by submitting an application for license, the
305 applicant shall be deemed to have appointed the Commissioner as the agent for service of process
306 on the applicant in any action or proceeding arising in this State out of or in connection with the
307 exercise of the license. Such appointment of the Commissioner as agent for service of process shall
308 be irrevocable during the period within which a cause of action against the applicant may arise out
309 of transactions with respect to subjects of insurance in this State. Process shall be served upon the
310 Commissioner or any Deputy Insurance Commissioner or such other person(s) as the
311 Commissioner shall designate by rule or regulation.

312 (b) The Insurance Commissioner may verify the producer's licensing status through the Producer Database
313 maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries.

314 A nonresident producer who moves from one state to another state or a resident producer who moves from this state to
315 another state shall file a change of address and provide certification from the new resident state within thirty (30) days of
316 the change of legal residence. No license fee or license application is required.

317 (c) Notwithstanding any other provision of this Chapter, a person licensed as a surplus lines broker in his or her
318 home state shall receive a nonresident surplus lines broker license pursuant to Subsection (a) of this section. Except as to

319 Subsection (a), nothing in this section otherwise amends or supercedes any provision of Chapter 19 of Title 18 of the
320 Delaware Code.

321 (d) Notwithstanding any other provision of this Chapter, a person licensed as a limited line credit insurance or
322 other type of limited lines producer in his or her home state shall receive a nonresident limited lines producer license,
323 pursuant to Subsection (a) of this section, granting the same scope of authority as granted under the license issued by the
324 producer's home state. For the purposes of § 1708 (e), limited line insurance is any authority granted by the home state
325 which restricts the authority of the license to less than the total authority prescribed in the associated major lines pursuant
326 to § 1707 (a)(1) through (6).

327 (e) Miscellaneous Limited Line Insurance: Insurance for an insurer authorized to do business in Delaware which
328 is permitted as a limited line of insurance in a Delaware nonresident producer's home state and is not described in this
329 section shall have the same scope of authority as granted under the limited license issued by the producer's resident state
330 which shall be briefly described on the license issued.

331 §1709. Exemption from Examination

332 (a) An individual who applies for an insurance producer license in this state who was previously
333 licensed for the same lines of authority in another state shall not be required to complete any prelicensing
334 education or examination. This exemption is only available if the person is currently licensed in that state or if
335 the application is received within ninety (90) days of the cancellation of the applicant's previous license and if
336 the prior state issues a certification that, at the time of cancellation, the applicant was in good standing in that
337 state or the state's Producer Database records, maintained by the National Association of Insurance
338 Commissioners, its affiliates or subsidiaries, indicate that the producer is or was licensed in good standing for the
339 line of authority requested.

340 (b) A person licensed as an insurance producer in another state who moves to this state shall make
341 application within ninety (90) days of establishing legal residence to become a resident licensee pursuant to §
342 1706. No prelicensing education or examination shall be required of that person to obtain any line of authority
343 previously held in the prior state except where the Insurance Commissioner determines otherwise by regulation.

344 (c) Every applicant for a license as a producer for title insurance who is an attorney licensed to practice
345 law in this state.

346 (d) Every applicant for a license as a Travel Accident & Baggage licensee.

347 §1710. Assumed Names

348 An insurance producer doing business under any name other than the producer's legal name is required to notify
349 the Insurance Commissioner prior to using the assumed name.

350 §1711. Temporary Licensing

351 (a) The Insurance Commissioner may issue a temporary insurance producer license for a period not to exceed
352 one hundred eighty (180) days without requiring an examination if the Insurance Commissioner deems that the temporary
353 license is necessary for the servicing of an insurance business in the following cases:

354 (1) To the surviving spouse or court-appointed personal representative of a licensed insurance producer
355 who dies or becomes mentally or physically disabled to allow adequate time for the sale of the insurance
356 business owned by the producer or for the recovery or return of the producer to the business or to
357 provide for the training and licensing of new personnel to operate the producer's business;

358 (2) To a member or employee of a business entity licensed as an insurance producer, upon the death or
359 disability of an individual designated in the business entity application or the license;

360 (3) To the designee of a licensed insurance producer entering active service in the armed forces of the
361 United States of America; or

362 (4) In any other circumstance where the Insurance Commissioner deems that the public interest will
363 best be served by the issuance of this license.

364 (b) The Insurance Commissioner may by order limit the authority of any temporary licensee in any way deemed
365 necessary to protect insureds and the public. The Insurance Commissioner may require the temporary licensee to have a
366 suitable sponsor who is a licensed producer or insurer and who assumes responsibility for all acts of the temporary
367 licensee and may impose other similar requirements designed to protect insureds and the public. The Insurance
368 Commissioner may by order revoke a temporary license if the interest of insureds or the public are endangered. A
369 temporary license may not continue after the owner or the personal representative disposes of the business.

370 §1712. License Denial, Nonrenewal or Revocation

371 (a) The Insurance Commissioner may place on probation, suspend, revoke or refuse to issue or renew an
372 insurance producer's license or may levy a penalty in accordance with § 1712 (d) or any combination of actions, for any
373 one or more of the following causes:

- 374 (1) Providing incorrect, misleading, incomplete or materially untrue information in the license
375 application;
- 376 (2) Violating any insurance laws, or violating any regulation, subpoena or order of the Insurance
377 Commissioner or of another state's Insurance Commissioner;
- 378 (3) Obtaining or attempting to obtain a license through misrepresentation or fraud;
- 379 (4) Improperly withholding, misappropriating or converting any monies or properties received in the
380 course of doing insurance business;
- 381 (5) Intentionally misrepresenting the terms of an actual or proposed insurance contract or application
382 for insurance;
- 383 (6) Having been convicted of a felony;
- 384 (7) Having admitted or been found to have committed any insurance unfair trade practice or fraud;
- 385 (8) Using fraudulent, coercive, or dishonest practices, or demonstrating incompetence,
386 untrustworthiness or financial irresponsibility in the conduct of business in this state or elsewhere;
- 387 (9) Having an insurance producer license, or its equivalent, denied, suspended or revoked in any other
388 state, province, district or territory;
- 389 (10) Forging another's name to an application for insurance or to any document related to an insurance
390 transaction;
- 391 (11) Improperly using notes or any other reference material to complete an examination for an
392 insurance license;
- 393 (12) Knowingly accepting insurance business from an individual who is not licensed;
- 394 (13) Failing to comply with an administrative or court order imposing a child support obligation; or
- 395 (14) Failing to pay state income tax or comply with any administrative or court order directing payment
396 of state income tax.

397 (b) In the event that the action by the Insurance Commissioner is to nonrenew or to deny an application for a
398 license, the Insurance Commissioner shall notify the applicant or licensee and advise, in writing, the applicant or licensee
399 of the reason for the denial or nonrenewal of the applicant's or licensee's license. The applicant or licensee may make
400 written demand upon the Insurance Commissioner within ten (10) days for a hearing before the Insurance Commissioner
401 to determine the reasonableness of the Insurance Commissioner's action. The hearing shall be held within twenty (20)

402 days and shall be held pursuant to the Administrative Procedures Act, 29 Del. C. §101 et seq. and such additional
403 implemented regulations as may be published by the Commissioner.

404 (c) The license of a business entity may be suspended, revoked or refused if the Insurance Commissioner finds,
405 after hearing, that an individual licensee's violation was known or should have been known by one or more of the
406 partners, officers or managers acting on behalf of the partnership or corporation and the violation was neither reported to
407 the Insurance Commissioner nor corrective action taken.

408 (d) In addition to or in lieu of any applicable denial, suspension or revocation of a license, a person may, after
409 hearing, be subject to a fine of not less than \$200 and not more than \$20,000 for each such violation. The
410 Commissioner's order shall specify the date upon which such fine shall be paid and shall revoke the license of any
411 licensee failing to comply with such order. The date on which payment shall be due shall be not less than thirty (30) days
412 following the date of the Commissioner's order unless otherwise specified in the order. The Commissioner may institute a
413 civil action to recover fines so levied and shall pay over all fines paid and recovered to the State Treasurer.

414 (e) The Insurance Commissioner shall retain the authority to enforce the provisions of and impose any penalty or
415 remedy authorized by this chapter and Title 18 Delaware Code against any person who is under investigation for or
416 charged with a violation of this chapter or Title 18 Delaware Code even if the person's license or registration has been
417 surrendered or has lapsed by operation of law. The Commissioner may, upon his or her discretion reinstate a suspended
418 license at any time, and may impose as conditions upon the reinstatement such terms and conditions as the Commissioner
419 determines appropriate.

420 (f) The Commissioner may place any individual, or business entity on probation for a period of one year for
421 violation of any insurance laws, rules, regulations and orders. The probationary period will not exceed one (1) year.
422 Until such person shall qualify for licensing in accordance with the applicable provisions of this Title. A person whose
423 license has been revoked or suspended on two occasions shall not again be licensed under this Title.

424 §1713. Conservation of producer business.

425 (a) If the Commissioner finds that the business of any licensed producer in this State has become financially
426 impaired or insolvent, or has been abandoned by the licensee, or has been conducted in such a manner as to require or
427 justify revocation of the licenses of that licensee, and if the Commissioner further finds that the conservation and
428 administration of the business of the licensee would be in the public interest, he/she shall file in the Court of Chancery in

429 the county in which the producer's business is located a petition for the appointment of the Commissioner as conservator
430 or receiver of such producer's business except by leave of the court.

431 (b) The petition shall be verified by the Commissioner and shall set forth the facts and circumstances from
432 which the existence of one or more of the grounds required under subsection A above, may be determined; such petition
433 may request that the licensee be required to show cause why the petition should not be granted.

434 (c) A copy of the petition, and of the order to show cause, if they are issued, shall be served upon the licensee in
435 the same manner as provided by law of this State for service of other legal process.

436 (d) Upon the filing of a petition and pending a hearing upon the order to show cause, the Court may, upon good
437 cause shown and without notice to the other party, appoint the Commissioner as temporary conservator or receiver of the
438 producer's business.

439 (e) The Commissioner shall, as conservator or receiver, be authorized and empowered to conduct and administer
440 the affairs of the producer business in order to expeditiously terminate such business and, to the extent reasonably
441 possible, to provide services and an accounting for funds to all persons previously insured and to insurers who have
442 previously been doing business through such producer. Subject to the Court's order, the Commissioner shall have the
443 power to collect funds owed to the producer on account of insurance business transacted by him/her, and to account for
444 and make payment of those funds to such persons as are entitled to them.

445 (f) The Commissioner may delegate the actual conduct and administration of the business of the producer and no
446 charges for services so rendered shall be made against the funds or assets of the producer business except by leave of the
447 Court.

448 (g) Except as expressly herein provided, receivership or conservatorship shall be subject to the applicable laws
449 of this State and to the order of any court of competent jurisdiction.

450 §1714. Commissions

451 (a) An insurance company or insurance producer shall not pay a commission, service fee, brokerage or other
452 valuable consideration to a person for selling, soliciting or negotiating insurance in this state if that person is required to
453 be licensed under this chapter and is not so licensed.

454 (b) A person shall not accept a commission, service fee, brokerage or other valuable consideration for selling,
455 soliciting or negotiating insurance in this state if that person is required to be licensed under this chapter and is not so
456 licensed. Renewal or other deferred commissions may be paid to a person for selling, soliciting or negotiating insurance

457 in this state if the person was required to be licensed under this chapter at the time of the sale, solicitation or negotiation
458 and was so licensed at that time.

459 (c) An insurer or insurance producer may pay or assign commissions, service fees, brokerages or other valuable
460 consideration to an insurance agency or to persons who do not sell, solicit or negotiate insurance in this state, unless the
461 payment would violate Title 18 Delaware Code, § 2303 and § 2304.

462 (d) No producer acting as a consultant may accept any fee, commission, or other consideration from an insurer
463 for any activity for which the producer acting as a consultant has received or will receive a fee from his/her client.
464 An insurer or insurance producer shall not pay a commission, service fee, brokerage or other valuable consideration to a
465 person for selling, soliciting or negotiating insurance in this state if that person is required to be licensed under this
466 chapter and is not so licensed. Nothing in this section allows an insurer to pay commissions to a non-appointed insurance
467 producer when an appointment is otherwise required.

468 §1715. Appointments

469 (a) An insurance producer shall not act as an agent of an insurer unless the insurance producer becomes an
470 appointed agent of that insurer. An insurance producer who is not acting as an agent of an insurer is not required to
471 become appointed.

472 (b) To appoint a producer as its agent, the appointing insurer shall file, in a format approved by the Insurance
473 Commissioner, a notice of appointment within fifteen (15) days from the date the agency contract is executed or the first
474 insurance application is submitted. An insurer may also elect to appoint a producer to all or some insurers within the
475 insurer's holding company system or group by the filing of a single appointment request. The group appointment
476 provision of this section is only applicable upon implementation by this Department of an electronic appointment process.

477 (c) Upon receipt of the notice of appointment, the Insurance Commissioner shall verify within a reasonable time
478 not to exceed thirty (30) days that the insurance producer is eligible for appointment. If the insurance producer is
479 determined to be ineligible for appointment, the Insurance Commissioner shall notify the insurer within five (5) days of its
480 determination.

481 (d) An insurer shall pay an appointment fee, in the amount and method of payment set forth in Title 18 Delaware
482 Code, Chapter 7, for each insurance producer appointed by the insurer.

483 §1716. Notification to Insurance Commissioner of Termination

484 (a) Termination for Cause. An insurer or authorized representative of the insurer that terminates the
485 appointment, employment, contract or other insurance business relationship with a producer shall notify the Insurance
486 Commissioner within thirty (30) days following the effective date of the termination, using a format prescribed by the
487 Insurance Commissioner, if the reason for termination is one of the reasons set forth in § 1712 or the insurer has
488 knowledge the producer was found by a court, government body, or self-regulatory organization authorized by law to
489 have engaged in any of the activities in § 1712. Upon the written request of the Insurance Commissioner, the insurer shall
490 provide additional information, documents, records or other data pertaining to the termination or activity of the producer.

491 (b) Termination Without Cause. An insurer or authorized representative of the insurer that terminates the
492 appointment, employment, or contract with a producer for any reason not set forth in § 1712, shall notify the Insurance
493 Commissioner within thirty (30) days following the effective date of the termination, using a format prescribed by the
494 Insurance Commissioner. Upon written request of the Insurance Commissioner, the insurer shall provide additional
495 information, documents, records or other data pertaining to the termination.

496 (c) Ongoing Notification Requirement. The insurer or the authorized representative of the insurer shall promptly
497 notify the Insurance Commissioner in a format acceptable to the Insurance Commissioner if, upon further review or
498 investigation, the insurer discovers additional information that would have been reportable to the Insurance Commissioner
499 in accordance with Subsection A had the insurer then known of its existence.

500 (d) Copy of Notification to be Provided to Producer.

501 (1) Within fifteen (15) days after making the notification required by Subsections A, B and C, the
502 insurer shall mail a copy of the notification to the producer at his or her last known address. If the
503 producer is terminated for cause for any of the reasons listed in § 1712, the insurer shall provide a copy
504 of the notification to the producer at his or her last known address by certified mail, return receipt
505 requested, postage prepaid or by overnight delivery using a nationally recognized carrier.

506 (2) Within thirty (30) days after the producer has received the original or additional notification, the
507 producer may file written comments concerning the substance of the notification with the Insurance
508 Commissioner. The producer shall, by the same means, simultaneously send a copy of the comments to
509 the reporting insurer, and the comments shall become a part of the Insurance Commissioner's file and
510 accompany every copy of a report distributed or disclosed for any reason about the producer as
511 permitted under Subsection F.

512 (e) Immunities.

513 (1) In the absence of actual malice, an insurer, the authorized representative of the insurer, a producer,
514 the Insurance Commissioner, or an organization of which the Insurance Commissioner is a member and
515 that compiles the information and makes it available to other Insurance Commissioners or regulatory or
516 law enforcement agencies shall not be subject to civil liability, and a civil cause of action of any nature
517 shall not arise against these entities or their respective agents or employees, as a result of any statement
518 or information required by or provided pursuant to this section or any information relating to any
519 statement that may be requested in writing by the Insurance Commissioner, from an insurer or producer;
520 or a statement by a terminating insurer or producer to an insurer or producer limited solely and
521 exclusively to whether a termination for cause under Subsection (a) was reported to the Insurance
522 Commissioner, provided that the propriety of any termination for cause under Subsection (a) is certified
523 in writing by an officer or authorized representative of the insurer or producer terminating the
524 relationship.

525 (2) In any action brought against a person that may have immunity under Paragraph (1) for making any
526 statement required by this section or providing any information relating to any statement that may be
527 requested by the Insurance Commissioner, the party bringing the action shall plead specifically in any
528 allegation that Paragraph (1) does not apply because the person making the statement or providing the
529 information did so with actual malice.

530 (3) Paragraph (1) or (2) shall not abrogate or modify any existing statutory or common law privileges
531 or immunities.

532 (f) Confidentiality.

533 (1) Any documents, materials or other information in the control or possession of the Department of
534 Insurance that is furnished by an insurer, producer or an employee or agent thereof acting on behalf of
535 the insurer or producer, or obtained by the Insurance Commissioner in an investigation pursuant to this
536 section shall be confidential by law and privileged, shall not be subject to Chapter 100 of Title 29, shall
537 not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private
538 civil action. However, the Insurance Commissioner is authorized to use the documents, materials or

539 other information in the furtherance of any regulatory or legal action brought as a part of the Insurance
540 Commissioner's duties.

541 (2) Neither the Insurance Commissioner nor any person who received documents, materials or other
542 information while acting under the authority of the Insurance Commissioner shall be permitted or
543 required to testify in any private civil action concerning any confidential documents, materials, or
544 information subject to Paragraph (1).

545 (3) In order to assist in the performance of the Insurance Commissioner's duties under this Chapter, the
546 Insurance Commissioner:

547 a. May share documents, materials or other information, including the confidential and
548 privileged documents, materials or information subject to Paragraph (1), with other state,
549 federal, and international regulatory agencies, with the National Association of Insurance
550 Commissioners, its affiliates or subsidiaries, and with state, federal, and international law
551 enforcement authorities, provided that the recipient agrees to maintain the confidentiality and
552 privileged status of the document, material or other information;

553 b. May receive documents, materials or information, including otherwise confidential and
554 privileged documents, materials or information, from the National Association of Insurance
555 Commissioners, its affiliates or subsidiaries and from regulatory and law enforcement officials
556 of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any
557 document, material or information received with notice or the understanding that it is
558 confidential or privileged under the laws of the jurisdiction that is the source of the document,
559 material or information; and

560 c. May enter into agreements governing sharing and use of information consistent with this
561 subsection.

562 d. No waiver of any applicable privilege or claim of confidentiality in the documents,
563 materials, or information shall occur as a result of disclosure to the Commissioner under this
564 section or as a result of sharing as authorized in Paragraph (3).

565 e. Nothing in this Chapter shall prohibit the Insurance Commissioner from releasing final,
566 adjudicated actions including for cause terminations that are open to public inspection pursuant

567 to Chapter 100 of Title 29 to a database or other clearinghouse service maintained by the
568 National Association of Insurance Commissioners, its affiliates or subsidiaries of the National
569 Association of Insurance Commissioners.

570 f. Penalties for Failing to Report. An insurer, the authorized representative of the insurer, or
571 producer that fails to report as required under the provisions of this section or that is found to
572 have reported with actual malice by a court of competent jurisdiction may, after notice and
573 hearing, have its license or certificate of authority suspended or revoked and may be fined in
574 accordance with Title 18 Delaware Code.

575 §1717. Reciprocity

576 (a) The Insurance Commissioner shall waive any requirements for a nonresident license applicant with a valid
577 license from his or her home state, except the requirements imposed by § 1708 of this chapter, if the applicant's home
578 state awards nonresident licenses to residents of this state on the same basis.

579 (b) A nonresident producer's satisfaction of his or her home state's continuing education requirements for
580 licensed insurance producers shall constitute satisfaction of this state's continuing education requirements if the
581 nonresident producer's home state recognizes the satisfaction of its continuing education requirements imposed upon
582 producers from this state on the same basis.

583 §1718. Additional or Continuing Education

584 In addition to meeting the standards prescribed in other sections of this chapter for the issuance of a license, the
585 Commissioner may promulgate regulations and/or prerequisites which will establish reasonable standards and criteria for
586 requiring additional or continuing education of licensees, in order to ensure the maintenance or improvement of a
587 licensee's insurance skills and knowledge. Failure to provide proof of meeting continuing education requirements may
588 result in suspension of license(s).

589 §1719. Reporting of Actions

590 (a) A producer shall report to the Insurance Commissioner any administrative action taken against the producer
591 in another jurisdiction or by another governmental agency in this state within (30) thirty days of the final disposition of
592 the matter. This report shall include a copy of the order, consent to order or other relevant legal documents.

593 (b) Within thirty (30) days of the initial pretrial hearing date, a producer shall report to the Insurance
594 Commissioner any criminal prosecution of the producer taken in any jurisdiction. The report shall include a copy of the
595 initial complaint filed, the order resulting from the hearing and any other relevant legal documents.

596 §1720. Regulations

597 The Insurance Commissioner may promulgate reasonable regulations as are necessary or proper to carry out the
598 purposes of this chapter.

599 §1721. Enforcement after license, lapses or is surrendered

600 The Commissioner shall retain authority to enforce the provisions of, and impose any penalty or remedy
601 authorized by, this chapter and title against any person who is under investigation for, or charged with, a violation of this
602 chapter and title even if, while the investigation or charges are pending, such person's license, or registration is
603 surrendered or lapses by operation of law.

604 §1722. Severability

605 If any provisions of this chapter, or the application of a provision to any person or circumstances, shall be held
606 invalid, the remainder of the chapter, and the application of the provision to persons or circumstances other than those to
607 which it is held invalid, shall not be affected.

608 §1723. Effective Date

609 This Chapter shall take effect March 1, 2002.

SYNOPSIS

This Bill replaces the current Insurance Department Statute for agent, broker and other licensees of the Department and creates a system of reciprocity for producer licensing and creates uniform standards for key areas of producer licensing. It complies with Public Law 106-102 (the Gramm-Leach-Bliley Act) which mandates that a majority of the states 1) enact uniform laws and regulations governing the licensure of individuals and entities authorized to sell and solicit the purchase of insurance within the state or 2) enact reciprocity laws and regulations governing the licensure of nonresident individuals and entities authorized to sell and solicit insurance within those states. If states do not enact such uniform laws and regulations or enact a system of reciprocal licensing by November 12, 2002, the National Association of Registered Agents and Brokers will be established to provide a mechanism through which uniform licensing, appointment, continuing education and other insurance producer sales qualification requirements and conditions can be adopted and applied on a multistate basis and Delaware will lose regulatory oversight.

This Bill when adopted will preserve the authority of Delaware to license insurance producers. It creates a system of reciprocity for producer licensing and creates a more uniform and efficient system of producer licensing.
