143rd GENERAL ASSEMBLY

SENATE SUBSTITUTE NO. 1

FOR

SENATE BILL NO. 109

AN ACT TO AMEND TITLE 6 OF THE DELAWARE CODE RELATING TO THE CLEAN CREDIT AND IDENTITY THEFT PROTECTION ACT.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend Title 6, Delaware Code by adding a new Chapter 22 to read as follows:

“Chapter 22. Credit and Identity Theft Protection.

§2201. Short Title.

This Chapter shall be known as the ‘Clean Credit and Identity Theft Prevention Act.’

§2202. Definitions.

For the purposes of this Chapter, the following terms shall have the following meanings:

(1) The term ‘person’ means any individual, partnership, corporation, trust, estate, cooperative, association, government or governmental subdivision or agency, or other entity.

(2) ‘Consumer’ means an individual who is a resident of Delaware.

(3) ‘Consumer reporting agency’ means any person which, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

(4) ‘Consumer report’ or ‘credit report’ means any written, oral, or other communication of any information

by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, credit score, credit capacity, character, general reputation, personal characteristics, or mode of living which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in establishing the consumer's eligibility for:

- a. credit or insurance to be used primarily for personal, family, or household purposes, except that nothing in this Chapter authorizes the use of credit evaluations, credit scoring or insurance scoring in the underwriting of personal lines of property or casualty insurance;
- b. employment purposes; or
- c. any other purpose authorized under section 15 U.S.C. § 1681b.

(5) 'Credit card' has the same meaning as in section 103 of the Truth in Lending Act.

(6) 'Credit history' means any written, oral, or other communication of any information by a consumer reporting agency bearing on a consumer's creditworthiness, credit standing, or credit capacity that is used or expected to be used, or collected in whole or in part, for the purpose of determining personal lines insurance premiums or eligibility for coverage.

(7) 'Debit card' means any card or device issued by a financial institution to a consumer for use in initiating an electronic fund transfer from the account holding assets of the consumer at such financial institution, for the purpose of transferring money between accounts or obtaining money, property, labor, or services.

§2203. Security Freeze.

(a) Definitions. For the purposes of this section, the following terms shall have the following meanings:

(1) 'Security freeze' means a notice, at the request of the consumer and subject to certain exceptions, that prohibits the consumer reporting agency from releasing all or any part of the consumer's credit report or any information derived from it without the express authorization of the consumer. If a security freeze is in place, such a report or information may not be released to a third party without prior express authorization from the consumer. This Chapter does not prevent a consumer reporting agency from advising a third party that a security freeze is in effect with respect to the consumer's credit report.

(2) 'Reviewing the account' or 'account review' includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

(b) Security Freeze: Timing, Covered Entities, Cost.

(1) A consumer may elect to place a 'security freeze' on his or her credit report by making a request by

certified mail or, through a secure electronic mail method when such method is made available. By January 31, 2009, consumer reporting agencies shall make available a secure electronic mail method of requesting a security freeze.

(2) A consumer reporting agency shall place a security freeze on a consumer's credit report no later than five business days after receiving a consumer's request. Within one year of this Act's effective date, a consumer reporting agency shall place a security freeze on a consumer's credit report no later than 3 business days after receiving a request from a consumer. Within two years of this Act's effective date, a consumer reporting agency shall place a security freeze on a consumer's credit report no later than one business day after receiving such a request.

(3) The consumer reporting agency shall send a written confirmation of the security freeze to the consumer within five business days of placing the freeze and at the same time shall provide the consumer with a unique personal identification number or password to be used by the consumer when providing authorization for the release of his or her credit for a specific period of time, or when permanently lifting the freeze. Within one year of this Act's effective date, the consumer reporting agency shall send such a written confirmation and unique personal identification number or password to the consumer no later than one business day after placing the freeze.

(4) If the consumer wishes to allow his or her credit report to be accessed for a specific period of time while a freeze is in place, he or she shall contact the consumer reporting agency, at a point of contact made available by the agency to receive requests such as via telephone, U. S. mail, certified mail, overnight mail, or secure electronic mail, with a request that the freeze be temporarily lifted, and provide the following:

- a. proper identification,
- b. the unique personal identification number or password provided by the consumer reporting agency pursuant to paragraph (3) of subsection (b), and
- c. the time period for which the report shall be available to users of the credit report..

(5) A consumer reporting agency that receives a request from a consumer to temporarily lift a freeze on a credit report pursuant to paragraph (4) of subsection (b) of this section shall comply with the request no later than three business days after receiving the request. By no later than January 31, 2009, a consumer reporting agency shall honor such a request made by electronic mail or by telephone within fifteen minutes of receiving the request.

(6) A consumer reporting agency shall develop procedures involving the use of telephone, or upon the consent of the consumer in the manner required by the Electronic Signatures in Global and National Commerce

Act [E-Sign] for legally required notices, by the Internet, e-mail, or other electronic media to receive and process a request from a consumer to temporarily lift a freeze on a credit report pursuant to paragraph (4) of subsection (b) in an expedited manner.

(7) A consumer reporting agency shall remove or temporarily lift a freeze placed on a consumer's credit report only in the following cases:

a. upon consumer request, pursuant to paragraph (4) or paragraph (10) of subsection (b);

b. if the consumer's credit report was frozen due to a material misrepresentation of fact by the consumer. If a consumer reporting agency intends to remove a freeze upon a consumer's credit report pursuant to this paragraph, the consumer reporting agency shall notify the consumer in writing five business days prior to removing the freeze on the consumer's credit report.

(8) If a third party requests access to a consumer credit report on which a security freeze is in effect, and this request is in connection with an application for credit or any other use, and the consumer does not allow his or her credit report to be accessed for that specific period of time, the third party may treat the application as incomplete.

(9) A security freeze shall remain in place until the consumer requests that the security freeze be removed. A consumer reporting agency shall remove a security freeze within three business days of receiving a request for removal from the consumer, who provides both of the following:

a. proper identification, and

b. the unique personal identification number or password provided by the consumer reporting agency pursuant to paragraph (3) of subsection (b).

Not later than January 31, 2009, a consumer reporting agency shall remove a security freeze within one business day after receiving such a request.

(10) A consumer reporting agency shall require proper identification of the person making a request to place or remove a security freeze.

(11) A consumer reporting agency may not suggest or otherwise state or imply to a third party that the consumer's security freeze reflects a negative credit score, history, report or rating.

(12) The provisions of this section do not apply to the use of a consumer credit report by any of the following:

a. a person, or the person's subsidiary, affiliate, agent, or assignee with which the consumer has or, prior to

- g. a person or entity for the purposes of prescreening or postscreening as permitted by the Federal Fair Credit Reporting Act.
- h. any person or entity administering a credit file monitoring subscription service to which the consumer has subscribed.
- i. any person or entity for the purpose of providing a consumer with a copy of his or her credit report upon the consumer's request.
- j. any property and casualty insurance company for use only in setting or adjusting a rate or underwriting for property and casualty insurance purposes.

(13) A consumer reporting agency may charge a consumer for a security freeze service only in the following discrete circumstances: (i) \$20.00 for the initial application for the consumer's first personal identification number or password and (ii) if the consumer fails to retain the original personal identification number or password provided by the agency, the consumer may not be charged for a one-time reissue of the same or a new personal identification number or password; however, the consumer may be charged no more than \$20.00 for subsequent instances of loss and reissuance of a new personal identification number or password. Notwithstanding the forgoing, no consumer who has been a victim of identity theft shall be charged any fee for placement of a security freeze on his or her report.

129 (c) Notice of Rights. At any time that a consumer is required to receive a summary of rights required under Section 609 of
130 the Federal Fair Credit Reporting Act, the following notice shall be included:

131 Delaware Consumers Have the Right to Obtain a Security Freeze.

132 You may obtain a security freeze on your credit report for no more than \$20.00 to protect your privacy and ensure that credit is not
133 granted in your name without your knowledge. You have a right to place a 'security freeze' on your credit report pursuant to
134 Delaware law. The security freeze will prohibit a consumer reporting agency from releasing any information in your credit report
135 without your express authorization or approval. You must separately request, by certified mail, that it be frozen by the three
136 consumer reporting agencies and pay each a \$20.00 fee to do so. After January 31, 2009, you will be able to request this freeze
137 from the agencies by e-mail.

138 The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent.

139 When you place a security freeze on your credit report, you will be sent a personal identification number or password to use if you
140 choose to remove the freeze on your credit report or to temporarily authorize the release of your credit report for a specific period of
141 time after the freeze is in place. To provide that authorization, you must contact the consumer reporting agency and provide all of
142 the following:

- 143 1. The unique personal identification number or password provided by the consumer reporting agency.
- 144 2. Proper identification to verify your identity.
- 145 3. The proper information regarding the period of time for which the report shall be available to users of
146 the credit report.
- 147 4. A consumer reporting agency that receives a request from a consumer to lift temporarily a freeze on a
148 credit report shall comply with the request no later than three business days after receiving the request
149 By January 31, 2009, the consumer reporting agency must temporarily lift the freeze within 15
150 minutes of receiving the request.

151 A security freeze does not apply to circumstances where you have an existing account relationship and a copy of your report is
152 requested by your existing creditor or its agents or affiliates for certain types of account review, collection, fraud control or similar
153 activities.

154 If you are actively seeking a new credit, loan, utility, telephone, or insurance account, you should understand that the procedures
155 involved in lifting a security freeze may slow your own applications for credit. You should plan ahead and lift a freeze with enough
156 advance notice before you apply for new credit for the lifting to take effect. Until January 31, 2009, you should lift the freeze at
157 least 3 business days before applying, and after that date you should lift the freeze at least 15 minutes before applying for a new

158 account.

159 You have a right to bring a civil action against someone who violates your rights under the credit reporting laws. The action can be
160 brought against a consumer reporting agency or a user of your credit report.”

161 (d) Violations; Penalties.

162 If a consumer reporting agency erroneously, whether by accident or design, violates the security freeze by releasing credit
163 information that has been placed under a security freeze, the affected consumer is entitled to:

164 (1) Notification within five business days of the release of the information, including specificity as to the
165 information released and the third party recipient of the information.

166 (2) File a complaint with the Federal Trade Commission.

167 (3) In a civil action against the consumer reporting agency recover:

168 a. injunctive relief to prevent or restrain further violation of the security freeze, and/or

169 b. a civil penalty in an amount not to exceed \$1,000 for each violation plus any damages available
170 under other civil laws, and

171 c. reasonable expenses, court costs, investigative costs, and attorney’s fees.

172 (4) Each violation of the security freeze shall be counted as a separate incident for purposes of imposing
173 penalties under this section.

174 §2204. Right to File a Police Report Regarding Identity Theft

175 (a) A person who knows or reasonably believes that he or she has been the victim of identity theft may contact the police
176 agency that has jurisdiction over his or her actual residence, which shall take a police report of the matter, and provide the
177 complainant with a copy of that report. Notwithstanding the fact that jurisdiction may lie elsewhere for investigation and
178 prosecution of a crime of identity theft, the local law enforcement agency shall take the complaint and provide the complainant with
179 a copy of the complaint and may refer the complaint to a law enforcement agency in that different jurisdiction.

180 (b) Nothing in this section interferes with the discretion of a police department to allocate resources for investigations of
181 crimes. A complaint filed under this section is not required to be counted as an open case for purposes such as compiling open case
182 statistics.”

183 Section 2. The Bank Commissioner, 24 months after enactment, shall deliver to the Governor, President Pro Tempore of
184 the Senate and the Speaker of the House, a report outlining (1) the feasibility of the requirement for temporarily removing a
185 consumer’s request for a credit freeze within 15 minutes, and on the industry’s progress and efforts toward progress, on meeting this
186 requirement, and (2) the feasibility of developing a secure electronic mail method of requesting a security freeze, and the industry’s

187 progress and effort toward meeting the requirements.

188 Section 3. Severability Clause. The provisions of this Act are severable. If any phrase, clause, sentence, provision or
189 section is declared to be invalid or preempted, in whole or in part, by federal law or regulation, the validity of the remainder of this
190 Act shall not be affected thereby.

SYNOPSIS

This Substitute Bill creates protections for Delaware Credit Consumers. This Act will permit consumers to “freeze” access to their credit files. Since identity thieves can only access the credit of their victims upon permitting access to the victim’s credit history, a “credit freeze” would stop identity theft in its tracks. This credit freeze would be easy to use and available to all consumers. By January 31, 2009, this Bill would require that consumer authorized access to credit histories take no longer than 15 minutes. The Bill also provides an identity theft victim the right to request that a police report be prepared regarding such crimes.
