HOUSE OF REPRESENTATIVES
145th GENERAL ASSEMBLY

HOUSE BILL NO. 341

AN ACT TO AMEND TITLE 8 OF THE DELAWARE CODE RELATING TO THE GENERAL CORPORATION LAW.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE (Two-thirds of all members elected to each house thereof concurring therein):

1 **Section 1.** Amend § 102(a)(4), Title 8, Delaware Code, by striking said paragraph in its entirety and inserting in
2 lieu thereof a new paragraph (a)(4) to read as follows:

3 “(4) If the corporation is to be authorized to issue only 1 class of stock, the total number of shares of stock which
4 the corporation shall have authority to issue and the par value of each of such shares, or a statement that all such shares are
5 to be without par value. If the corporation is to be authorized to issue more than 1 class of stock, the certificate of
6 incorporation shall set forth the total number of shares of all classes of stock which the corporation shall have authority to
7 issue and the number of shares of each class and shall specify each class the shares of which are to be without par value and
8 each class the shares of which are to have par value and the par value of the shares of each such class. The certificate of
9 incorporation shall also set forth a statement of the designations and the powers, preferences and rights, and the
10 qualifications, limitations or restrictions thereof, which are permitted by § 151 of this title in respect of any class or classes
11 of stock or any series of any class of stock of the corporation and the fixing of which by the certificate of incorporation is
12 desired, and an express grant of such authority as it may then be desired to grant to the board of directors to fix by
13 resolution or resolutions any thereof that may be desired but which shall not be fixed by the certificate of incorporation.
14 The foregoing provisions of this paragraph shall not apply to nonstock corporations. In the case of nonstock corporations,
15 the fact that they are not authorized to issue capital stock shall be stated in the certificate of incorporation. The conditions of
16 membership, or other criteria for identifying members, of nonstock corporations shall likewise be stated in the certificate of
17 incorporation or the bylaws. Nonstock corporations shall have members, but failure to have members shall not affect
18 otherwise valid corporate acts or work a forfeiture or dissolution of the corporation. Nonstock corporations may provide
19 for classes or groups of members having relative rights, powers and duties, and may make provision for the future creation
20 of additional classes or groups of members having such relative rights, powers and duties as may from time to time be
21 established, including rights, powers and duties senior to existing classes and groups of members. Except as otherwise

22 provided in this chapter, nonstock corporations may also provide that any member or class or group of members shall have
23 full, limited, or no voting rights or powers, including that any member or class or group of members shall have the right to
24 vote on a specified transaction even if that member or class or group of members does not have the right to vote for the
25 election of the members of the governing body of the corporation. Voting by members of a nonstock corporation may be
26 on a per capita, number, financial interest, class, group, or any other basis set forth. The provisions referred to in the three
27 preceding sentences may be set forth in the certificate of incorporation or the bylaws. If neither the certificate of
28 incorporation nor the bylaws of a nonstock corporation state the conditions of membership, or other criteria for identifying
29 members, the members of the corporation shall be deemed to be those entitled to vote for the election of the members of the
30 governing body pursuant to the certificate of incorporation or bylaws of such corporation or otherwise until thereafter
31 otherwise provided by the certificate of incorporation or the bylaws;”.

32 **Section 2.** Amend § 102(b)(1), Title 8, Delaware Code, by striking said paragraph in its entirety and substituting
33 in lieu thereof a new paragraph (b)(1) to read as follows:

34 “(1) Any provision for the management of the business and for the conduct of the affairs of the corporation, and
35 any provision creating, defining, limiting and regulating the powers of the corporation, the directors, and the stockholders,
36 or any class of the stockholders, or the governing body, members, or any class or group of members of a nonstock
37 corporation; if such provisions are not contrary to the laws of this State. Any provision which is required or permitted by
38 any section of this chapter to be stated in the bylaws may instead be stated in the certificate of incorporation;”.

39 **Section 3.** Amend § 102(b)(2), Title 8, Delaware Code, by inserting the following immediately after the phrase
40 “The following provisions, in haec verba,” and before the word “viz”: “(i), for a corporation other than a nonstock
41 corporation;”.

42 **Section 4.** Further amend § 102(b)(2), Title 8, Delaware Code, by inserting immediately after the phrase “and
43 also on this corporation;” a new subparagraph (ii) to read as follows:

44 “or (ii), for a nonstock corporation, viz:

45 “Whenever a compromise or arrangement is proposed between this corporation and its creditors or any class of
46 them and/or between this corporation and its members or any class of them, any court of equitable jurisdiction within the
47 State of Delaware may, on the application in a summary way of this corporation or of any creditor or member thereof or on
48 the application of any receiver or receivers appointed for this corporation under § 291 of Title 8 of the Delaware Code or on
49 the application of trustees in dissolution or of any receiver or receivers appointed for this corporation under § 279 of Title 8
50 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the members or class of members of
51 this corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number

52 representing three fourths in value of the creditors or class of creditors, and/or of the members or class of members of this
53 corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this corporation as
54 consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if
55 sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors,
56 and/or on all the members or class of members, of this corporation, as the case may be, and also on this corporation”;

57 **Section 5.** Amend § 102(b)(6), Title 8, Delaware Code, by striking the phrase “or members” each time it appears
58 in said paragraph.

59 **Section 6.** Amend § 102(b)(7), Title 8, Delaware Code, by striking the phrase “(x) to a member of the governing
60 body of a corporation which is not authorized to issue capital stock, and (y)” where it appears in the third sentence thereof.

61 **Section 7.** Amend § 102(d), Title 8, Delaware Code, by striking the phrase “the corporation” where it appears in
62 the first sentence thereof, and substituting in lieu thereof the following: “a corporation other than a nonstock corporation”.

63 **Section 8.** Amend § 109(a), Title 8, Delaware Code, by striking said subsection in its entirety and by inserting in
64 lieu thereof the following:

65 “(a) The original or other bylaws of a corporation may be adopted, amended or repealed by the incorporators, by
66 the initial directors of a corporation other than a nonstock corporation or initial members of the governing body of a
67 nonstock corporation if they were named in the certificate of incorporation, or, before a corporation other than a nonstock
68 corporation has received any payment for any of its stock, by its board of directors. After a corporation other than a
69 nonstock corporation has received any payment for any of its stock, the power to adopt, amend or repeal bylaws shall be in
70 the stockholders entitled to vote. In the case of a nonstock corporation, the power to adopt, amend or repeal bylaws shall be
71 in its members entitled to vote. Notwithstanding the foregoing, any corporation may, in its certificate of incorporation,
72 confer the power to adopt, amend or repeal bylaws upon the directors or, in the case of a nonstock corporation, upon its
73 governing body. The fact that such power has been so conferred upon the directors or governing body, as the case may be,
74 shall not divest the stockholders or members of the power, nor limit their power to adopt, amend or repeal bylaws.”

75 **Section 9.** Amend Title 8, Delaware Code, by inserting a new section 114 to read as follows:

76 “§ 114. Application of chapter to nonstock corporations.

77 (a) Except as otherwise provided in subsections (b) and (c) of this section, the provisions of this chapter shall

98 (3) Subchapter V and Subchapter VI of this chapter.

99 (d) For purposes of this chapter:

100 (1) a “nonstock corporation” is any corporation organized under this chapter that is not authorized to
101 issue capital stock;
102 (2) a “membership interest” is, unless otherwise provided in a nonstock corporation’s certificate of
103 incorporation, a member’s share of the profits and losses of a nonstock corporation, or a member’s right
104 to receive distributions of the nonstock corporation’s assets, or both;

114 the governing body may constitute a quorum thereof and may otherwise provide that the business and affairs of the
115 corporation shall be managed in a manner different from that provided in this section. Except as may be otherwise provided
116 by the certificate of incorporation, this section shall apply to such a corporation, and when so applied, all references to the
117 board of directors, to members thereof, and to stockholders shall be deemed to refer to the governing body of the
118 corporation, the members thereof and the members of the corporation, respectively; and all references to stock, capital
119 stock, or shares thereof shall be deemed to refer to memberships of a non-profit nonstock corporation and to membership
120 interests of any other nonstock corporation.”

121 **Section 12.** Amend § 141(k)(1), Title 8, Delaware Code, by striking the term “shareholders” where it appears in

135 redemption is authorized by subsection (b) of § 151 of this title and then only in accordance with such section and the
136 certificate of incorporation, or (ii) in the case of a nonstock corporation, redeem any of its membership interests, unless
137 their redemption is authorized by the certificate of incorporation and then only in accordance with the certificate of
138 incorporation.”

139 **Section 18.** Amend § 170(a), Title 8, Delaware Code, by striking the phrase “, or to its members if the corporation
140 is a nonstock corporation,” where it appears in the first sentence of said subsection.

141 **Section 19.** Amend § 215, Title 8, Delaware Code, by striking said section in its entirety and substituting in lieu
142 thereof the following:

143 “§ 215. Voting rights of members of nonstock corporations; quorum; proxies.

144 (a) Sections 211 through 214 and 216 of this title shall not apply to nonstock corporations, except that § 211(a) and
145 (d) of this title and § 212(c), (d), and (e) of this title shall apply to such corporations, and, when so applied, all references
146 therein to stockholders and to the board of directors shall be deemed to refer to the members and the governing body of a
147 nonstock corporation, respectively; and all references to stock, capital stock, or shares thereof shall be deemed to refer to
148 memberships of a non-profit nonstock corporation and to membership interests of any other nonstock corporation.

149 (b) Unless otherwise provided in the certificate of incorporation or the bylaws of a nonstock corporation, and
150 subject to subsection (f) of this section, each member shall be entitled at every meeting of members to 1 vote on each matter
151 submitted to a vote of members. A member may exercise such voting rights in person or by proxy, but no proxy shall be
152 voted on after 3 years from its date, unless the proxy provides for a longer period.

153 (c) Unless otherwise provided in this chapter, the certificate of incorporation or bylaws of a nonstock corporation
154 may specify the number of members having voting power who shall be present or represented by proxy at any meeting in
155 order to constitute a quorum for, and the votes that shall be necessary for, the transaction of any business. In the absence of
156 such specification in the certificate of incorporation or bylaws of a nonstock corporation:

157 (1) One-third of the members of such corporation shall constitute a quorum at a meeting of such
158 members;

159 (2) In all matters other than the election of the governing body of such corporation, the affirmative vote
160 of a majority of such members present in person or represented by proxy at the meeting and entitled to
161 vote on the subject matter shall be the act of the members, unless the vote of a greater number is required
162 by this chapter;

163 (3) Members of the governing body shall be elected by a plurality of the votes of the members of the
164 corporation present in person or represented by proxy at the meeting and entitled to vote thereon; and

165 (4) Where a separate vote by a class or group or classes or groups is required, a majority of the members
166 of such class or group or classes or groups, present in person or represented by proxy, shall constitute a
167 quorum entitled to take action with respect to that vote on that matter and, in all matters other than the
168 election of members of the governing body, the affirmative vote of the majority of the members of such
169 class or group or classes or groups present in person or represented by proxy at the meeting shall be the
170 act of such class or group or classes or groups.

171 (d) If the election of the governing body of any nonstock corporation shall not be held on the day designated by the
172 bylaws, the governing body shall cause the election to be held as soon thereafter as convenient. The failure to hold such an
173 election at the designated time shall not work any forfeiture or dissolution of the corporation, but the Court of Chancery
174 may summarily order such an election to be held upon the application of any member of the corporation. At any election
175 pursuant to such order the persons entitled to vote in such election who shall be present at such meeting, either in person or
176 by proxy, shall constitute a quorum for such meeting, notwithstanding any provision of the certificate of incorporation or
177 the bylaws of the corporation to the contrary.

178 (e) If authorized by the governing body, any requirement of a written ballot shall be satisfied by a ballot submitted
179 by electronic transmission, provided that any such electronic transmission must either set forth or be submitted with
180 information from which it can be determined that the electronic transmission was authorized by the member or proxy
181 holder.

182 (f) Except as otherwise provided in the certificate of incorporation, in the bylaws, or by resolution of the governing
183 body, the record date for any meeting or corporate action shall be deemed to be the date of such meeting or corporate
184 action; provided, however, that no record date may precede any action by the governing body fixing such record date.”.

186 corporation as reflected on the records of the nonstock corporation” where it appears at the end of paragraph (2).

189 **Section 22.** Amend § 220(b), Title 8, Delaware Code, by inserting a comma (“,”) immediately following the
190 phrase “In every instance where the stockholder is other than a record holder of stock in a stock corporation”.

191 **Section 23.** Amend § 220(d), Title 8, Delaware Code, by striking said subsection in its entirety and inserting in
192 lieu thereof the following:

193 “(d) Any director shall have the right to examine the corporation’s stock ledger, a list of its stockholders and its
194 other books and records for a purpose reasonably related to the director’s position as a director. The Court of Chancery is
195 hereby vested with the exclusive jurisdiction to determine whether a director is entitled to the inspection sought. The Court
196 may summarily order the corporation to permit the director to inspect any and all books and records, the stock ledger and
197 the list of stockholders and to make copies or extracts therefrom. The burden of proof shall be upon the corporation to
198 establish that the inspection such director seeks is for an improper purpose. The Court may, in its discretion, prescribe any
199 limitations or conditions with reference to the inspection, or award such other and further relief as the Court may deem just
200 and proper.”

204 thereof the following:

205 “§ 225. Contested election of directors; proceedings to determine validity.

207 Chancery may hear and determine the validity of any election, appointment, removal or resignation of any director or
208 officer of any corporation, and the right of any person to hold or continue to hold such office, and, in case any such office is
209 claimed by more than 1 person, may determine the person entitled thereto; and to that end make such order or decree in any
210 such case as may be just and proper, with power to enforce the production of any books, papers and records of the
211 corporation relating to the issue. In case it should be determined that no valid election has been held, the Court of Chancery
212 may order an election to be held in accordance with § 211 or § 215 of this title. In any such application, service of copies of
213 the application upon the registered agent of the corporation shall be deemed to be service upon the corporation and upon the

218 stockholder. The Court may make such order respecting further or other notice of such application as it deems proper under
219 the circumstances.

220 (b) Upon application of any stockholder or upon application of the corporation itself, the Court of Chancery may
221 hear and determine the result of any vote of stockholders upon matters other than the election of directors or officers.
222 Service of the application upon the registered agent of the corporation shall be deemed to be service upon the corporation,
223 and no other party need be joined in order for the Court to adjudicate the result of the vote. The Court may make such order
224 respecting notice of the application as it deems proper under the circumstances.

225 (c) If 1 or more directors has been convicted of a felony in connection with the duties of such director or directors
226 to the corporation, or if there has been a prior judgment on the merits by a court of competent jurisdiction that 1 or more
227 directors has committed a breach of the duty of loyalty in connection with the duties of such director or directors to that
228 corporation, then, upon application by the corporation, or derivatively in the right of the corporation by any stockholder, in
229 a subsequent action brought for such purpose, the Court of Chancery may remove from office such director or directors if
230 the Court determines that the director or directors did not act in good faith in performing the acts resulting in the prior

231 conviction or judgment and judicial removal is necessary to avoid irreparable harm to the corporation. In connection with
232 such removal, the Court may make such orders as are necessary to effect such removal. In any such application, service of
233 copies of the application upon the registered agent of the corporation shall be deemed to be service upon the corporation
234 and upon the director or directors whose removal is sought; and the registered agent shall forward immediately a copy of

265 in accordance with § 103 of this title. The certificate of incorporation of any nonstock corporation may contain a provision
266 requiring any amendment thereto to be approved by a specified number or percentage of the members or of any specified
267 class of members of such corporation in which event such proposed amendment shall be submitted to the members or to

285 title, as applicable,” immediately following the phrase “subsection (d) of § 252 of this title” in the last sentence thereof.

286 **Section 39.** Amend § 253(c), Title 8, Delaware Code, by striking “§ 251 or § 252” in the third sentence thereof
287 and substituting in lieu thereof “§ 251, § 252, § 257, or § 258”.

288 **Section 40.** Amend § 253, Title 8, Delaware Code, by inserting two new subsections (f) and (g) reading as
289 follows:

290 “(f) This section shall apply to nonstock corporations if the parent corporation is such a corporation and is the
291 surviving corporation of the merger; provided, however, that references to the directors of the parent corporation shall be
292 deemed to be references to members of the governing body of the parent corporation, and references to the board of
293 directors of the parent corporation shall be deemed to be references to the governing body of the parent corporation.

294 (g) Nothing in this section shall be deemed to authorize the merger of a corporation with a charitable nonstock
295 corporation, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.”.

296 **Section 41.** Amend § 255, Title 8, Delaware Code, by striking said section in its entirety and substituting in lieu
297 thereof the following:

298 “§ 255. Merger or consolidation of domestic nonstock corporations.

299 (a) Any 2 or more nonstock corporations of this State, whether or not organized for profit, may merge into a single
300 corporation, which may be any 1 of the constituent corporations, or they may consolidate into a new nonstock corporation,
301 whether or not organized for profit, formed by the consolidation, pursuant to an agreement of merger or consolidation, as
302 the case may be, complying and approved in accordance with this section.

303 (b) Subject to subsection (d) of this section, the governing body of each corporation which desires to merge or
304 consolidate shall adopt a resolution approving an agreement of merger or consolidation. The agreement shall state: (1) The
305 terms and conditions of the merger or consolidation; (2) the mode of carrying the same into effect; (3) such other provisions
306 or facts required or permitted by this chapter to be stated in a certificate of incorporation for nonstock corporations as can
307 be stated in the case of a merger or consolidation, stated in such altered form as the circumstances of the case require; (4)
308 the manner, if any, of converting the memberships or membership interests of each of the constituent corporations into
309 memberships or membership interests of the corporation surviving or resulting from the merger or consolidation, or of
310 cancelling some or all of such memberships or membership interests; and (5) such other details or provisions as are deemed
311 desirable. The agreement so adopted shall be executed and acknowledged in accordance with § 103 of this title. Any of the
312 terms of the agreement of merger or consolidation may be made dependent upon facts ascertainable outside of such
313 agreement, provided that the manner in which such facts shall operate upon the terms of the agreement is clearly and
314 expressly set forth in the agreement of merger or consolidation. The term “facts,” as used in the preceding sentence,
315 includes, but is not limited to, the occurrence of any event, including a determination or action by any person or body,
316 including the corporation.

317 (c) Subject to subsection (d) of this section, the agreement shall be submitted to the members of each constituent
318 corporation, at an annual or special meeting thereof for the purpose of acting on the agreement. Due notice of the time,
319 place and purpose of the meeting shall be mailed to each member of each such corporation who has the right to vote for the

320 election of the members of the governing body of the corporation and to each other member who is entitled to vote on the
321 merger under the certificate of incorporation or the bylaws of such corporation, at the member's address as it appears on the
322 records of the corporation, at least 20 days prior to the date of the meeting. The notice shall contain a copy of the agreement
323 or a brief summary thereof. At the meeting the agreement shall be considered and a vote, in person or by proxy, taken for
324 the adoption or rejection of the agreement. If the agreement is adopted by a majority of the members of each such
325 corporation entitled to vote for the election of the members of the governing body of the corporation and any other
326 members entitled to vote on the merger under the certificate of incorporation or the bylaws of such corporation, then that
327 fact shall be certified on the agreement by the officer of each such corporation performing the duties ordinarily performed
328 by the secretary or assistant secretary of a corporation, provided that such certification on the agreement shall not be
329 required if a certificate of merger or consolidation is filed in lieu of filing the agreement. If the agreement shall be adopted
330 and certified by each constituent corporation in accordance with this section, it shall be filed and shall become effective in
331 accordance with § 103 of this title. The provisions set forth in the last sentence of subsection (c) of § 251 of this title shall
332 apply to a merger under this section, and the reference therein to "stockholder" shall be deemed to include "member"
333 hereunder.

334 (d) Notwithstanding subsections (b) or (c) of this section, if, under the certificate of incorporation or the bylaws of
335 any 1 or more of the constituent corporations, there shall be no members who have the right to vote for the election of the
336 members of the governing body of the corporation, or for the merger, other than the members of the governing body
337 themselves, no further action by the governing body or the members of such corporation shall be necessary if the resolution
338 approving an agreement of merger or consolidation has been adopted by a majority of all the members of the governing
339 body thereof, and that fact shall be certified on the agreement in the same manner as is provided in the case of the adoption
340 of the agreement by the vote of the members of a corporation, provided that such certification on the agreement shall not be
341 required if a certificate of merger or consolidation is filed in lieu of filing the agreement, and thereafter the same procedure
342 shall be followed to consummate the merger or consolidation.

343 (e) Subsection (d) of § 251 shall apply to a merger under this section; provided, however, that references to the
344 board of directors, to stockholders, and to shares of a constituent corporation shall be deemed to be references to the
345 governing body of the corporation, to members of the corporation, and to memberships or membership interests, as
346 applicable, respectively.

347 (f) Subsection (e) of § 251 shall apply to a merger under this section.

348 (g) Nothing in this section shall be deemed to authorize the merger of a charitable nonstock corporation into a
349 nonstock corporation if such charitable nonstock corporation would thereby have its charitable status lost or impaired; but a

350 nonstock corporation may be merged into a charitable nonstock corporation which shall continue as the surviving
351 corporation.”.

352 **Section 42.** Amend § 256(b), Title 8, Delaware Code, by striking the second sentence thereof and substituting the
353 following in lieu thereof:

354 “The agreement shall state: (1) The terms and conditions of the merger or consolidation; (2) the mode of carrying
355 the same into effect; (3) the manner, if any, of converting the memberships or membership interests of each of the
356 constituent corporations into memberships or membership interests of the corporation surviving or resulting from such
357 merger or consolidation or of cancelling some or all of such memberships or membership interests; (4) such other details
358 and provisions as shall be deemed desirable; and (5) such other provisions or facts as shall then be required to be stated in a
359 certificate of incorporation by the laws of the state which are stated in the agreement to be the laws that shall govern the
360 surviving or resulting corporation and that can be stated in the case of a merger or consolidation.”.

361 **Section 43.** Amend § 256, Title 8, Delaware Code, by inserting two new subsections (f) and (g) reading as
362 follows:

363 “(f) Subsection (d) of § 251 shall apply to a merger under this section; provided, however, that references to the
364 board of directors, to stockholders, and to shares of a constituent corporation shall be deemed to be references to the
365 governing body of the corporation, to members of the corporation, and to memberships or membership interests, as
366 applicable, respectively.

367 (g) Nothing in this section shall be deemed to authorize the merger of a charitable nonstock corporation into a
368 nonstock corporation, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired; but
369 a nonstock corporation may be merged into a charitable nonstock corporation which shall continue as the surviving
370 corporation.”.

371 **Section 44.** Amend § 257, Title 8, Delaware Code, by striking said section in its entirety and substituting in lieu
372 thereof the following:

373 “§ 257. Merger or consolidation of domestic stock and nonstock corporations.

374 (a) Any 1 or more nonstock corporations of this State, whether or not organized for profit, may merge or
375 consolidate with 1 or more stock corporations of this State, whether or not organized for profit. The constituent
376 corporations may merge into a single corporation, which may be any 1 of the constituent corporations, or they may
377 consolidate into a new corporation formed by the consolidation, pursuant to an agreement of merger or consolidation, as the
378 case may be, complying and approved in accordance with this section. The surviving constituent corporation or the new

379 corporation may be organized for profit or not organized for profit and may be a stock corporation or a nonstock
380 corporation.

381 (b) The board of directors of each stock corporation which desires to merge or consolidate and the governing body
382 of each nonstock corporation which desires to merge or consolidate shall adopt a resolution approving an agreement of
383 merger or consolidation. The agreement shall state: (1) The terms and conditions of the merger or consolidation; (2) the
384 mode of carrying the same into effect; (3) such other provisions or facts required or permitted by this chapter to be stated in
385 a certificate of incorporation as can be stated in the case of a merger or consolidation, stated in such altered form as the
386 circumstances of the case require; (4) the manner, if any, of converting the shares of stock of a stock corporation and the
387 memberships or membership interests of a nonstock corporation into shares or other securities of a stock corporation or
388 memberships or membership interests of a nonstock corporation surviving or resulting from such merger or consolidation
389 or of cancelling some or all of such shares or memberships or membership interests, and, if any shares of any such stock
390 corporation or memberships or membership interests of any such nonstock corporation are not to remain outstanding, to be
391 converted solely into shares or other securities of the stock corporation or memberships or membership interests of the
392 nonstock corporation surviving or resulting from such merger or consolidation or to be cancelled, the cash, property, rights
393 or securities of any other corporation or entity which the holders of shares of any such stock corporation or memberships or
394 membership interests of any such nonstock corporation are to receive in exchange for, or upon conversion of such shares or
395 memberships or membership interests, and the surrender of any certificates evidencing them, which cash, property, rights or
396 securities of any other corporation or entity may be in addition to or in lieu of shares or other securities of any stock
397 corporation or memberships or membership interests of any nonstock corporation surviving or resulting from such merger
398 or consolidation; and (5) such other details or provisions as are deemed desirable. In such merger or consolidation the
399 memberships or membership interests of a constituent nonstock corporation may be treated in various ways so as to convert
400 such memberships or membership interests into interests of value, other than shares of stock, in the surviving or resulting
401 stock corporation or into shares of stock in the surviving or resulting stock corporation, voting or nonvoting, or into creditor
402 interests or any other interests of value equivalent to their memberships or membership interests in their nonstock
403 corporation. The voting rights of members of a constituent nonstock corporation need not be considered an element of value
404 in measuring the reasonable equivalence of the value of the interests received in the surviving or resulting stock corporation
405 by members of a constituent nonstock corporation, nor need the voting rights of shares of stock in a constituent stock
406 corporation be considered as an element of value in measuring the reasonable equivalence of the value of the interests in the
407 surviving or resulting nonstock corporations received by stockholders of a constituent stock corporation, and the voting or
408 nonvoting shares of a stock corporation may be converted into any type of membership or membership interest, however

409 designated, creditor interests or participating interests, in the nonstock corporation surviving or resulting from such merger
410 or consolidation of a stock corporation and a nonstock corporation. Any of the terms of the agreement of merger or
411 consolidation may be made dependent upon facts ascertainable outside of such agreement, provided that the manner in
412 which such facts shall operate upon the terms of the agreement is clearly and expressly set forth in the agreement of merger
413 or consolidation. The term "facts," as used in the preceding sentence, includes, but is not limited to, the occurrence of any
414 event, including a determination or action by any person or body, including the corporation.

415 (c) The agreement required by subsection (b) of this section, in the case of each constituent stock corporation, shall
416 be adopted, approved, certified, executed and acknowledged by each constituent corporation in the same manner as is
417 provided in § 251 of this title and, in the case of each constituent nonstock corporation, shall be adopted, approved,
418 certified, executed and acknowledged by each of said constituent corporations in the same manner as is provided in § 255
419 of this title. The agreement shall be filed and shall become effective for all purposes of the laws of this State when and as
420 provided in § 251 of this title with respect to the merger of stock corporations of this State. Insofar as they may be
421 applicable, the provisions set forth in the last sentence of subsection (c) of § 251 of this title shall apply to a merger under
422 this section, and the reference therein to "stockholder" shall be deemed to include "member" hereunder.

423 (d) Subsection (e) of § 251 of this title shall apply to a merger under this section, if the surviving corporation is a
424 corporation of this State; subsection (d) and the second sentence of subsection (c) of § 251 of this title shall apply to any
425 constituent stock corporation participating in a merger or consolidation under this section; and subsection (f) of § 251 of
426 this title shall apply to any constituent stock corporation participating in a merger under this section.

427 (e) Subsection (d) of § 251 shall apply to a merger under this section; provided, however, that, for purposes of a
428 constituent nonstock corporation, references to the board of directors, to stockholders, and to shares of a constituent
429 corporation shall be deemed to be references to the governing body of the corporation, to members of the corporation, and
430 to memberships or membership interests, as applicable, respectively.

431 (f) Nothing in this section shall be deemed to authorize the merger of a charitable nonstock corporation into a
432 stock corporation, if the charitable status of such nonstock corporation would thereby be lost or impaired; but a stock
433 corporation may be merged into a charitable nonstock corporation which shall continue as the surviving corporation."

434 **Section 45.** Amend § 258(a), Title 8, Delaware Code, by striking the term "membership" from the last sentence
435 thereof and substituting in lieu thereof the term "nonstock".

436 **Section 46.** Amend § 258(c), Title 8, Delaware Code, by striking said subsection in its entirety and substituting in
437 lieu thereof the following:

438 “(c) The requirements of subsection (d) of § 252 of this title as to the appointment of the Secretary of State to
439 receive process and the manner of serving the same in the event the surviving or new corporation is to be governed by the
440 laws of any other state shall also apply to mergers or consolidations effected under this section. Subsection (e) of § 251 of
441 this title shall apply to mergers effected under this section if the surviving corporation is a corporation of this State;
442 subsection (d) of § 251 of this title shall apply to any constituent corporation participating in a merger or consolidation
443 under this section (provided, however, that for purposes of a constituent nonstock corporation, references to the board of
444 directors, to stockholders, and to shares shall be deemed to be references to the governing body of the corporation, to
445 members of the corporation, and to memberships or membership interests of the corporation, as applicable, respectively);
446 and subsection (f) of § 251 of this title shall apply to any constituent stock corporation participating in a merger under this
447 section.”.

448 **Section 47.** Amend § 262(a), Title 8, Delaware Code, by striking the last sentence thereof and substituting in lieu
449 thereof the following:

450 “As used in this section, the word “stockholder” means a holder of record of stock in a corporation; the words
451 “stock” and “share” mean and include what is ordinarily meant by those words; and the words “depository receipt” mean a
452 receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely
453 of stock of a corporation, which stock is deposited with the depository.”.

454 **Section 48.** Amend § 262(b), Title 8, Delaware Code, by inserting “§ 255, § 256,” immediately following “§ 252,
455 § 254,”.

456 **Section 49.** Amend § 262(b)(2), Title 8, Delaware Code, by inserting “255, 256,” immediately following “§§ 251,
457 252, 254,”.

458 **Section 50.** Amend § 262(d), Title 8, Delaware Code, by striking § 262(d)(1) in its entirety and substituting in
459 lieu thereof the following:

460 “(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be
461 submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify
462 each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice
463 in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to
464 subsection (b) or (c) hereof of this section that appraisal rights are available for any or all of the shares of the constituent
465 corporations, and shall include in such notice a copy of this section and, if one of the constituent corporations is a nonstock
466 corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder’s shares
467 shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal

468 of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the
469 stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote
470 against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do
471 so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation,
472 the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with
473 this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or
474 consolidation has become effective; or" and by inserting the phrase "and, if one of the constituent corporations is a
475 nonstock corporation, a copy of § 114 of this title" immediately following the phrase "shall include in such notice a copy of
476 this section" at the end of the first sentence of § 262(d)(2).

477 **Section 51.** Amend § 263(c), Title 8, Delaware Code, by striking the first three sentences and substituting in lieu
478 thereof the following:

479 "The agreement required by subsection (b) of this section shall be adopted, approved, certified, executed and
480 acknowledged by each of the corporations in the same manner as is provided in § 251 or § 255 of this title and, in the case
481 of the partnerships, in accordance with their partnership agreements and in accordance with the laws of the state under
482 which they are formed, as the case may be. If the surviving or resulting entity is a partnership, in addition to any other
483 approvals, each stockholder of a merging corporation who will become a general partner of the surviving or resulting
484 partnership must approve the agreement of merger or consolidation. The agreement shall be filed and shall become
485 effective for all purposes of the laws of this State when and as provided in § 251 or § 255 of this title with respect to the
486 merger or consolidation of corporations of this State."

487 **Section 52.** Amend § 263(e), Title 8, Delaware Code, by striking said subsection in its entirety and substituting in
488 lieu thereof the following:

489 "(e) Sections 251(c) (second sentence) and (d)-(f), 255(c) (second sentence) and (d)-(f), 259-261 and 328 of this
490 title shall, insofar as they are applicable, apply to mergers or consolidations between corporations and partnerships."

491 **Section 53.** Amend § 263, Title 8, Delaware Code, by inserting a new subsection (f) reading as follows:

492 "(f) Nothing in this section shall be deemed to authorize the merger of a charitable nonstock corporation into a
493 partnership, if the charitable status of such nonstock corporation would thereby be lost or impaired; but a partnership may
494 be merged into a charitable nonstock corporation which shall continue as the surviving corporation."

495 **Section 54.** Amend § 264(c), Title 8, Delaware Code, by striking the first two sentences thereof and substituting
496 in lieu thereof the following:

497 “The agreement required by subsection (b) shall be adopted, approved, certified, executed and acknowledged by
498 each of the corporations in the same manner as is provided in § 251 or § 255 of this title and, in the case of the limited
499 liability companies, in accordance with their limited liability company agreements and in accordance with the laws of the
500 state under which they are formed, as the case may be. The agreement shall be filed and shall become effective for all
501 purposes of the laws of this State when and as provided in § 251 or § 255 of this title with respect to the merger or
502 consolidation of corporations of this State.”.

503 **Section 55.** Amend § 264(e), Title 8, Delaware Code, by striking said subsection in its entirety and substituting in
504 lieu thereof the following:

505 “(e) Sections 251(c) (second sentence) and (d)-(f), 255(c) (second sentence) and (d)-(f), 259-261 and 328 of this
506 title shall, insofar as they are applicable, apply to mergers or consolidations between corporations and limited liability
507 companies.”.

508 **Section 56.** Amend § 264, Title 8, Delaware Code, by inserting a new subsection (f) reading as follows:

509 “(f) Nothing in this section shall be deemed to authorize the merger of a charitable nonstock corporation into a
510 limited liability company, if the charitable status of such nonstock corporation would thereby be lost or impaired; but a
511 limited liability company may be merged into a charitable nonstock corporation which shall continue as the surviving
512 corporation.”.

513 **Section 57.** Amend § 266, Title 8, Delaware Code, by inserting a new subsection (j) reading as follows:

514 “(j) Nothing in this section shall be deemed to authorize the conversion of a charitable nonstock corporation into
515 another entity, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.”.

516 **Section 58.** Amend § 271(a), Title 8, Delaware Code, by inserting the phrase “and any other members entitled to
517 vote thereon under the certificate of incorporation or the bylaws of such corporation” immediately following the phrase
518 “election of the members of the governing body” in the first sentence thereof.

519 **Section 59.** Amend § 273, Title 8, Delaware Code, by inserting a new subsection (c) reading as follows:

520 “(c) In the case of a charitable nonstock corporation, the petitioner shall provide a copy of any petition referred to
521 in subsection (a) of this section to the Attorney General of the State of Delaware within one week of its filing with the
522 Court of Chancery.”.

523 **Section 60.** Amend § 276, Title 8, Delaware Code, by striking said section in its entirety and substituting in lieu
524 thereof the following:

525 “§ 276. Dissolution of nonstock corporation; procedure.

526 (a) Whenever it shall be desired to dissolve any nonstock corporation, the governing body shall perform all the
527 acts necessary for dissolution which are required by § 275 of this title to be performed by the board of directors of a
528 corporation having capital stock. If any members of a nonstock corporation are entitled to vote for the election of members
529 of its governing body or are entitled to vote for dissolution under the certificate of incorporation or the bylaws of such
530 corporation, such members shall perform all the acts necessary for dissolution which are contemplated by § 275 of this title
531 to be performed by the stockholders of a corporation having capital stock, including dissolution without action of the
532 members of the governing body if all the members of the corporation entitled to vote thereon shall consent in writing and a
533 certificate of dissolution shall be filed with the Secretary of State pursuant to § 275(d). If there is no member entitled to
534 vote thereon, the dissolution of the corporation shall be authorized at a meeting of the governing body, upon the adoption of
535 a resolution to dissolve by the vote of a majority of members of its governing body then in office. In all other respects, the
536 method and proceedings for the dissolution of a nonstock corporation shall conform as nearly as may be to the proceedings
537 prescribed by § 275 of this title for the dissolution of corporations having capital stock.

538 (b) If a nonstock corporation has not commenced the business for which the corporation was organized, a majority
539 of the governing body or, if none, a majority of the incorporators may surrender all of the corporation rights and franchises
540 by filing in the office of the Secretary of State a certificate, executed and acknowledged by a majority of the incorporators
541 or governing body, conforming as nearly as may be to the certificate prescribed by § 274 of this title.”.

542 **Section 61.** Amend § 280, Title 8, Delaware Code, by inserting a new subsection (g) reading as follows:

543 “(g) In the case of a nonstock corporation, any notice referred to in the last sentence of subsection (a)(3) of this
544 section shall include a copy of § 114 of this title. In the case of a non-profit nonstock corporation, provisions of this section
545 regarding distributions to members shall not apply to the extent that those provisions conflict with any other applicable law
546 or with that corporation’s certificate of incorporation or bylaws.”.

547 **Section 62.** Amend § 281, Title 8, Delaware Code, by inserting a new subsection (f) reading as follows:

548 “(f) In the case of a non-profit nonstock corporation, provisions of this section regarding distributions to members
549 shall not apply to the extent that those provisions conflict with any other applicable law or with that corporation’s certificate
550 of incorporation or bylaws.”.

551 **Section 63.** Amend § 311, Title 8, Delaware Code, by inserting a new subsection (f) reading as follows:

552 “(f) At any time prior to the expiration of 3 years following the dissolution of a nonstock corporation pursuant to §
553 276 of this title, or, at any time prior to the expiration of such longer period as the Court of Chancery may have directed
554 pursuant to § 278 of this title, a nonstock corporation may revoke the dissolution theretofore effected by it in a manner
555 analogous to that by which the dissolution was authorized, including (i) if applicable, a vote of the members entitled to

556 vote, if any, on the dissolution and (ii) the filing of a certificate of revocation of dissolution containing information
557 comparable to that required by subsection (a)(4) of this section. Notwithstanding the foregoing, only subsections (b), (d),
558 and (e) of this section shall apply to nonstock corporations.”.

559 **Section 64.** Amend § 312(j), Title 8, Delaware Code, by striking said subsection in its entirety and substituting in
560 lieu thereof the following:

561 “(j) Except as otherwise provided in § 313, whenever it shall be desired to renew or revive the certificate of
562 incorporation of any nonstock corporation, the governing body shall perform all the acts necessary for the renewal or
563 revival of the charter of the corporation which are performed by the board of directors in the case of a corporation having
564 capital stock, and the members of any nonstock corporation who are entitled to vote for the election of members of its
565 governing body and any other members entitled to vote for dissolution under the certificate of incorporation or the bylaws
566 of such corporation, shall perform all the acts necessary for the renewal or revival of the certificate of incorporation of the
567 corporation which are performed by the stockholders in the case of a corporation having capital stock. Except as otherwise
568 provided in § 313, in all other respects, the procedure for the renewal or revival of the certificate of incorporation of
569 nonstock corporation shall conform, as nearly as may be applicable, to the procedure prescribed in this section for the
570 renewal or revival of the certificate of incorporation of a corporation having capital stock; provided, however, that
571 subsection (i) of this section shall not apply to nonstock corporations.”.

572 **Section 65.** Amend § 313(a), Title 8, Delaware Code, by inserting the phrase “and any other exempt corporation
573 as defined in § 501(b) of this title,” immediately following the phrase “families after death of its members,”.

574 **Section 66.** Amend § 390, Title 8, Delaware Code, by inserting a new subsection (i) reading as follows:

575 “(i) Whenever it shall be desired to transfer to or domesticate or continue in any foreign jurisdiction any nonstock
576 corporation, the governing body shall perform all the acts necessary to effect a transfer, domestication or continuance which

582 section to be performed by the stockholders of a corporation having capital stock. If there is no member entitled to vote
583 thereon, nor any other holder of any membership interest in the corporation, the transfer, domestication or continuance of
584 the corporation shall be authorized at a meeting of the governing body, upon the adoption of a resolution to transfer or
585 domesticate or continue by the vote of a majority of members of its governing body then in office. In all other respects, the

586 method and proceedings for the transfer, domestication or continuance of a nonstock corporation shall conform as nearly as
587 may be to the proceedings prescribed by this section for the transfer, domestication or continuance of corporations having
588 capital stock. In the case of a charitable nonstock corporation, due notice of the corporation's intent to effect a transfer,

SYNOPSIS

This bill is a comprehensive set of amendments to many sections of the General Corporation Law of the State of Delaware (“DGCL”), and to Chapter 5 of Title 8, to clarify, fill gaps in, and make consistent the DGCL’s application to corporations that are not authorized to issue capital stock, commonly known as nonstock corporations. For historical reasons, the DGCL has not comprehensively addressed nonstock corporations. Since Delaware now has approximately 18,000 registered nonstock corporations, these amendments will provide clarity and consistency so that these entities and their advisors will have appropriate and necessary statutory guidance. Most notably, new Section 114 of the DGCL is a “translator” provision that sets forth which provisions of the DGCL apply to nonstock corporations generally and which provisions apply to non-profit nonstock corporations specifically. With the exception of amendments to Sections 313, 391, and 501, none of these amendments is intended to affect the DGCL with respect to stock corporations, either directly or by negative implication.

Section 1 amends § 102(a)(4) of the DGCL to allow nonstock corporations to put the conditions of membership, or other criteria for identifying members, in their certificates of incorporation or in their bylaws. This Section further amends § 102(a)(4) to clarify that nonstock corporations shall have members, but the failure to have members shall not affect otherwise valid corporate acts or work a forfeiture or dissolution of the corporation. This Section further amends § 102(a)(4) to provide that, until provided otherwise in the corporation’s certificate of incorporation or bylaws, the members of a nonstock corporation that fails to state the conditions of membership in its certificate of incorporation or bylaws shall be deemed to be those entitled to vote for the election of the members of the corporation’s governing body under the corporation’s certificate of incorporation or bylaws or otherwise. This Section further amends § 102(a)(4) to clarify that nonstock corporations may provide for classes or groups of members; that nonstock corporations may provide for full, limited, or no voting rights and powers of members, including that members may be entitled to vote on certain transactions even if they are not entitled to vote for the election of members of the corporation’s governing body; and that voting by members may be made on a per capita, number, financial interest, or any other basis. This Section further amends § 102(a)(4) to provide that provisions regarding classes and voting rights of members may be set forth either in the

corporation's certificate of incorporation or in its bylaws.

Section 2 amends § 102(b)(1) of the DGCL to add language applying to nonstock corporations.

Sections 3 and 4 amend § 102(b)(2) of the DGCL to provide language regarding compromises between the corporation and its creditors and/or between the corporation and its members appropriate for the certificate of incorporation of a nonstock corporation.

Sections 5, 6, 7, and 8 make technical changes to § 102(b)(6), § 102(b)(7), § 102(d), and § 109(a) of the DGCL consistent with the intent of the bill and with the translator provision in new § 114(a).

Section 9 amends the DGCL to add a new § 114. Section 114 has four operative provisions. New § 114(a) provides that, unless otherwise provided in § 114(b) or § 114(c), the provisions of the DGCL generally apply to nonstock corporations and that, for purposes of applying to nonstock corporations, the stock-corporation terms in each applicable section will be translated into nonstock-corporation terms. Section 114(a)(4) provides that members of non-profit nonstock corporations have memberships, while members of other nonstock corporations hold membership interests in the nonstock corporations. New § 114(b) carves out certain provisions of the DGCL from the operation of § 114(a), so the provisions listed in § 114(b) are not translated by § 114(a). Specifically, new § 114(b)(1) lists provisions of the DGCL that apply to nonstock corporations by their terms and therefore require no translation; and § 114(b)(2) and § 114(b)(3) list sections and subchapters of the DGCL that do not apply to nonstock corporations by virtue of the translator provision in § 114(a) (but which may be made otherwise applicable by a different provision). New § 114(c) carves out provisions in addition to those listed in § 114(b) to ensure that those provisions are not applied to non-profit nonstock corporations. New § 114(d) defines the following terms relating to nonstock corporations: "nonstock corporation," "membership interest," "non-profit nonstock corporation," and "charitable nonstock corporation."

Section 144(a)(2) is listed in new § 114(c)(2) in accordance with the concept noted in *Oberly v. Kirby*, 592 A.2d 445, 467-68 (Del. 1991), that the members of a non-profit nonstock corporation may not ratify such interested transactions because they have no financial interest in the corporation.

Because the translator provision in new § 114(a) operates on § 159 for nonstock corporations other than non-profit nonstock corporations, membership interests in nonstock corporations are personal property.

Sections 10, 11, 12, 13, and 14 make technical changes to § 141 and § 144 of the DGCL consistent with the intent of the bill and with the translator provision in new § 114(a).

Section 15 amends § 154 of the DGCL to make clear, for purposes of § 154, § 160, and § 170, that capital in a nonstock corporation is zero.

Sections 16 and 17 amend § 160 of the DGCL to ensure consistency with the amendment to § 154 regarding the capital of a nonstock corporation, and to allow a nonstock corporation to redeem its membership interests if the redemption of such membership interests is authorized by the corporation's certificate of incorporation.

Section 18 amends § 170 of the DGCL to ensure that the translator provision in new § 114(a) operates properly on § 170.

Section 19 amends § 215(a) of the DGCL to apply § 211(d) (regarding special meetings of members) and § 212(e) (regarding irrevocable proxies) to nonstock corporations; this Section further amends § 215(a) to ensure that it translates correctly the provisions to which it refers. This Section amends § 215(b) of the DGCL to ensure consistency with the amendments to § 102(a)(4) allowing the corporation's certificate of incorporation or bylaws to set forth the members' voting rights. This Section further amends § 215(b) to provide that members' voting rights are subject to the record date for any particular meeting. This Section amends the DGCL to add new § 215(c)(4). Consistent with the amendments to § 102(a)(4), new § 215(c)(4) defines the quorum and vote necessary to take action for separate votes of classes or groups of members. This Section also amends the DGCL to add new § 215(f). New § 215(f) provides that, except as otherwise provided in the corporation's certificate of incorporation, in the corporation's bylaws, or by resolution of the corporation's governing body, the record date for meetings of nonstock corporations shall be deemed to be the date of the meeting, so long as no record date precedes the action by the governing body fixing that record date.

Sections 20, 21, 22, 23, 24, 25, and 26 make technical changes to § 220, § 223, and § 225 of the DGCL consistent with the intent of the bill and with the translator provision in new § 114(a).

Section 27 amends the DGCL to add new § 226(c) to provide that, in the case of a charitable nonstock corporation, the applicant must provide a copy of the application referred to in § 226(a) to the Attorney General of the State of Delaware within one week of filing the application with the Court of Chancery.

Sections 28, 29, and 30 make technical changes to § 227, § 232, and § 233 of the DGCL consistent with the intent of the bill and with the translator provision in new § 114(a).

Section 31 and 32 amend § 241 of the DGCL, amending § 241(b) to ensure that § 241 properly applies to nonstock corporations, and adding new § 241(c) to provide that § 241 applies to nonstock corporations before such corporations have any members.

Sections 33, 34, and 35 amend § 242 of the DGCL to ensure that § 242 is consistent with the terms used in the translator provision in new § 114(a), and to clarify that § 242(b)(4) applies to nonstock corporations.

Sections 36 and 37 amend § 245 of the DGCL to clarify that § 245 applies to a nonstock corporation even if no vote of the members of the corporation is required to amend the corporation's certificate of incorporation.

Sections 38, 39, and 40 amend the DGCL to add new § 253(f) and amend § 253 of the DGCL to allow a nonstock corporation that owns 90% of the outstanding shares of each class of stock of a subsidiary otherwise entitled to vote on a merger to effect a short-form merger, so long as the nonstock corporation is the surviving corporation. These Sections also amend the DCGL to add new § 253(g) to provide that nothing in § 253 shall be deemed to authorize the merger of a corporation with a charitable nonstock corporation, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.

Section 41 amends § 255 of the DGCL to ensure that § 255 is consistent with the terms used in the translator provision in new § 114(a) and to clarify procedures regarding the execution, acknowledgment, adoption, and certification of the merger agreement. This Section also amends § 255(c) to clarify that members may vote on a merger if, under the corporation's certificate of incorporation or bylaws, they are entitled to vote on the merger or for the election of the members of the governing body. The amendment to § 255(c) further clarifies that the decision to include either a copy or a summary of an agreement of merger or consolidation in a notice of a meeting of the members of a constituent nonstock corporation need not be approved by a specific act of the governing body of the nonstock corporation. The amendment is not intended to define or limit any duty of members of the governing body relating to disclosure to members in connection with the transaction. This Section further amends § 255 to provide that, if no members of the corporation are entitled to vote on the merger other than those who are members of the governing body, only a single vote is required to approve the agreement of merger or consolidation, so long as the resolution approving that agreement of merger or consolidation is approved by a majority of all the members of the governing body. This amendment dispenses with the need for a second vote authorizing a merger and decreases the necessary vote from two-thirds of the members of the governing body to a majority of the members of the governing body. This Section also amends the DCGL to add new § 255(e), which provides that § 251(d), as translated for application to nonstock corporations, shall apply to mergers under § 255.

Sections 42 and 43 amend § 256 of the DGCL to ensure that § 256 is consistent with the terms used in the translator provision in new § 114(a); to add new § 256(f), which provides that § 251(d), as translated for application to nonstock corporations, shall apply to mergers under § 256; and to add new § 256(g) to clarify that nothing in § 256 shall be deemed to authorize the merger of a charitable nonstock corporation into a nonstock corporation, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.

Section 44 amends § 257 of the DGCL consistent with the intent of the bill and with the translator provision in new § 114(a). This Section also amends the DGCL to add new § 257(e), which provides that § 251(d), as translated for application to nonstock corporations, shall apply to mergers under § 257.

Sections 45 and 46 amend § 258 of the DGCL consistent with the intent of the bill and with the translator provision in new § 114(a) and to clarify that § 251(d), as translated for application to nonstock corporations, shall apply to mergers under § 258.

Sections 47, 48, 49, and 50 amend § 262 of the DGCL to ensure that the translator provision in new § 114(a) operates properly on § 262, to clarify that § 262 applies to mergers under § 255 and § 256, and to amend § 262(d) to provide notice procedures appropriate for nonstock corporations, including requiring that a copy of new § 114 be provided if one of the constituent corporations is a nonstock corporation. These amendments shall be effective only with respect to transactions consummated pursuant to agreements entered into after August 1, 2010 (or, in the case of mergers pursuant to

Section 253, resolutions of the board of directors adopted after August 1, 2010), and appraisal proceedings arising out of such transactions.

Sections 51, 52, and 53 amend § 263 of the DGCL to ensure that the translator provision in new § 114(a) operates properly on § 263 and to clarify that § 263 applies to nonstock corporations, and add new § 263(f) to clarify that nothing in § 263 shall be deemed to authorize the merger of a charitable nonstock corporation into a partnership, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.

Sections 54, 55, and 56 amend § 264 of the DGCL to ensure that the translator provision in new § 114(a) operates properly on § 264 and to clarify that § 264 applies to nonstock corporations, and add new § 264(f) to clarify that nothing in § 264 shall be deemed to authorize the merger of a charitable nonstock corporation into a limited liability company, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.

Section 57 amends the DGCL to add new § 266(j) to clarify that nothing in § 266 shall be deemed to authorize the conversion of a charitable nonstock corporation into another entity, if the charitable status of such charitable nonstock corporation would thereby be lost or impaired.

Section 58 amends § 271(a) of the DGCL to clarify that members may vote on a sale, lease or exchange of all or substantially all of its property and assets if, under the corporation's certificate of incorporation or bylaws, they are entitled to vote thereon or for the election of the members of the governing body.

Section 59 amends the DGCL to add new § 273(c) to provide that, in the case of a charitable nonstock corporation, the petitioner must provide a copy of the petition referred to in § 273(a) to the Attorney General of the State of Delaware within one week of filing the petition with the Court of Chancery.

Section 60 amends § 276 of the DGCL to ensure that the translator provision in new § 114(a) operates properly on § 276; to clarify that members may vote for dissolution if, under the corporation's certificate of incorporation or bylaws, they are entitled to vote thereon or for the election of the members of the governing body; and to clarify that members of the corporation may authorize dissolution without action of the members of the governing body if all the members of the corporation entitled to vote thereon shall consent in writing and a certificate of dissolution shall be properly filed with the Secretary of State.

Section 61 amends the DGCL to add new § 280(g) to provide that, in the case of a nonstock corporation, any notice referred to in the last sentence of § 280(a)(3) shall include a copy of new § 114 and to provide that, in the case of a non-profit nonstock corporation, provisions of § 280 regarding distributions to members shall not apply to the extent that those provisions conflict with any other applicable law or with that corporation's certificate of incorporation or bylaws. This amendment shall be effective only with respect to dissolutions made effective after August 1, 2010, and the filing of claims arising out of such dissolutions.

Section 62 amends the DGCL to add new § 281(f) to provide that, in the case of a non-profit nonstock corporation, provisions of § 281 regarding distributions to members shall not apply to the extent that those provisions conflict with any other applicable law or with that corporation's certificate of incorporation or bylaws. This amendment shall be effective only with respect to dissolutions made effective after August 1, 2010, and the filing of claims arising out of such dissolutions.

Section 63 amends the DGCL to add new § 311(f) to provide that, in a procedure analogous to that for a stock corporation, a nonstock corporation can revoke a dissolution effected by it. New § 311(f) provides that the revocation of dissolution will include, if applicable, a vote of the members entitled to vote (if any) on the dissolution and the filing of a certificate of revocation of dissolution containing information comparable to that described in § 311(a)(4).

Section 64 amends § 312(j) of the DGCL to ensure that § 312(j) is consistent with the terms used in the translator provision in new § 114(a); to clarify that members may vote for renewal or revival if, under the corporation's certificate of incorporation or bylaws, they are entitled to vote for dissolution or for the election of the members of the governing body; to clarify that § 312(j) is subject to the provisions of § 313; and to clarify that § 312(i) does not apply to nonstock corporations.

Section 65 amends § 313(a) of the DGCL to provide that § 313 applies to all exempt corporations, as defined under new § 501(b) of Title 8.

Section 66 amends the DGCL to add new § 390(i) to provide that nonstock corporations may transfer to or domesticate or continue in any foreign jurisdiction in a manner analogous to that of a stock corporation and, in the case of a charitable nonstock corporation, that the Attorney General of the State of Delaware must be provided with notice of the corporation's intent to effect a transfer, domestication or continuance 10 days prior to the date of the proposed transfer, domestication or continuance.

Section 67 amends § 391(j) of the DGCL to refer to the definition of "exempt corporation" in new § 501(b) of Title 8.

Section 68 amends § 501 of Chapter 5 of Title 8 to incorporate the definition of "exempt corporation," which has been expanded to include stock corporations, and to clarify that exempt corporations are exempt from the franchise tax.

Section 69 amends § 503(a)(1) of Chapter 5 of Title 8 to provide that the franchise tax applicable to nonstock corporations (except exempt corporations, which are exempt from the franchise tax) is \$75.

Section 70 amends § 505(c) of Chapter 5 of Title 8 to ensure that it is consistent with the amendment of § 501 of Chapter 5 of Title 8.
