HOUSE OF REPRESENTATIVES

145th GENERAL ASSEMBLY

HOUSE BILL NO. 325

January 28, 2010

A BOND AND CAPITAL IMPROVEMENTS ACT OF THE STATE OF DELAWARE AND CERTAIN OF ITS AUTHORITIES FOR THE FISCAL YEAR ENDING JUNE 30, 2011; AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS OF THE STATE; APPROPRIATING FUNDS FROM THE TRANSPORTATION TRUST FUND; AUTHORIZING THE ISSUANCE OF REVENUE BONDS OF THE DELAWARE TRANSPORTATION AUTHORITY; APPROPRIATING SPECIAL FUNDS OF THE DELAWARE TRANSPORTATION AUTHORITY; DIRECTING THE DEPOSIT OF CERTAIN FUNDS TO THE GENERAL FUND; SPECIFYING CERTAIN PROCEDURES, CONDITIONS AND LIMITATIONS FOR THE EXPENDITURE OF SUCH FUNDS; AMENDING CERTAIN PERTINENT STATUTORY PROVISIONS; AND AMENDING THE LAWS OF DELAWARE.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE (Three-fourths of all members elected to each house thereof concurring therein):

1 Section 1. Fiscal Year 2011 Capital Improvements Project Schedule Addendum. The General
2 Assembly hereby authorizes the following projects in the following amounts for the purposes set forth in
3 this Section and as described in the Fiscal Year 2011 Governor's Recommended Capital Budget and
4 Project Information document. Any authorization balance (excluding Transportation Trust Fund
5 balances) remaining unexpended or unencumbered by June 30, 2013, shall be subject to reversion or
6 reauthorization.

33 Section 6. Abandoned Property. For the fiscal year ending June 30, 2011, 29 Del. C. § 6102(s)
34 shall be waived.

35 Section 7. Open Space Funding. Notwithstanding the provisions of 30 Del. C., c. 54, § 5423
36 (b)(2) and § 5423 (c)(1), at the close of Fiscal Year 2011, the State shall transfer \$450,000 of realty
37 transfer taxes to the Endowment Account in the Delaware Land and Water Conservation Trust Fund and
38 \$2,550,000 of realty transfer taxes to the Project Account in the Delaware Land and Water Conservation
39 Trust Fund.

40 Section 8. Farmland Preservation Funding. Notwithstanding the provisions of 30 Del. C. c. 54 §
41 5426, for the fiscal year ending June 30, 2011, the State shall transfer \$3,000,000 of realty transfer taxes to
42 the Farmland Preservation Fund maintained under 3 Del. C. c. 3.

1 Section 9. Resource, Conservation and Development Transfers - Project Funds Transfer from
2 Prior Fiscal Years to Fiscal Year 2011. Within the same county, any Twenty-First Century funds or match
3 remaining from completed projects as authorized as part of the Twenty-First Century Resource,
4 Conservation and Development (RCD) project list pursuant to prior appropriations may be utilized for
5 RCD projects in the Fiscal Year 2011 list of projects approved as part of the Fiscal Year 2011 Bond and
6 Capital Improvements Act.

7 Section 10. Conservation Districts - Federal Acquisition Regulations. Conservation Districts shall
8 not be required to follow the provisions of the Federal Acquisition Regulations unless specifically required
9 under a contract(s) with a federal agency or federal grant. If the Conservation Districts are required to
10 follow subpart 31.2 of the Federal Acquisition Regulations, then the Conservation District(s) are hereby
11 authorized to charge an additional ten percent to their overhead cost rate to enable the Conservation
12 District(s) to continue to fulfill their statutory duties and responsibilities.

13 Section 11. Conservation Districts - Rollover of Funds. If projects are discontinued and have
14 Twenty-First Century funding associated with them, the associated Twenty-First Century funding would
15 remain within the County from which the project originated and would roll over as new Fiscal Year 2011
16 funds for allocation among the remaining projects within that County.

17 Section 12. First State Preservation Revolving Fund, Inc. For Fiscal Year 2011, First State
18 Preservation Revolving Fund, Inc. may continue to expend for administrative expenses the interest
19 generated by the Community Redevelopment Fund appropriations of \$250,000 in each of Fiscal Years 1999
20 and 2000.

21 Section 13. Downtown Milford Inc. Any Community Redevelopment Fund appropriations to
22 Downtown Milford Inc.- Structural and Façade Improvements may be used for private businesses and
23 residences, as well as, institutional residences provided said properties are within the Downtown Milford
24 project area.

1 Section 14. Laurel Redevelopment Corporation. Any proceeds from the sale of property funded in
2 whole or in part from Community Redevelopment Fund grants to Laurel Redevelopment Corporation shall
3 be reinvested in the Medical Center project.

4 Section 15. Community Redevelopment Fund Match. Notwithstanding the provisions of 29 Del.
5 C. 6102(A), any unexpended Community Redevelopment Funds awarded to the Hockessin Community
6 Center in fiscal years 2004 and 2005 shall not require a local match.

7 Section 16. Bond Bill Reporting Requirements. All state agencies and public school districts
8 receiving funds from the Bond and Capital Improvements Act shall submit a quarterly expenditure status
9 report to the Director of the Office of Management and Budget and Controller General on all incomplete
10 projects that are wholly or partially funded with state and/or local funds, including bond funds. The format
11 and information required in these quarterly reports shall include, but not be limited to, expenditures of both
12 bond and cash funds. The report format will be developed by the Office of Management and Budget and
13 include information as needed by the Department of Finance, Treasurer's Office and Office of Management
14 and Budget to anticipate cash and bond requirements for the upcoming fiscal year.

15 Section 17. Notification. The Director of the Office of Management and Budget and Controller
16 General shall notify affected state agencies and other instrumentalities of the State as to certain relevant
17 provisions of this Act. Additionally, the Director of the Office of Management and Budget and Controller
18 General shall notify the President Pro Tempore of the Senate and the Speaker of the House as to any
19 legislative appointments required by this Act.

1 **OFFICE OF MANAGEMENT AND BUDGET**

2 Section 18. Construction Management. Notwithstanding any other State law, the Office of
3 Management and Budget (OMB) shall be responsible for the design and construction of all the projects
4 listed under Office of Management and Budget in the Section 1 Addendum of this Act. For those projects
5 that are solely for the purchase of equipment, including projects that are funded in any MCI and Equipment
6 line or any MCI line, OMB shall transfer the appropriate funding necessary to purchase the equipment to
7 the agency for which the equipment is being purchased. The appropriate amount of funding shall be
8 determined and agreed to by OMB and the agency for which the equipment is being purchased by
9 September 1 of each fiscal year. For those projects for which the appropriation is passed to an entity and
10 for which the State is not a party to the construction contract, OMB shall provide technical assistance.

11 (a) Notwithstanding any other State law, there is hereby created an Appeals Board, to be composed
12 of the Lieutenant Governor, the Director of the Office of Management and Budget, and the Controller
13 General. The Appeals Board shall approve the use of all unencumbered monies after that project is deemed
14 substantially complete. A project shall be deemed substantially complete when the project is occupied by
15 75 percent of the planned tenants or when deemed complete by the Appeals Board. One year after a project
16 is deemed substantially complete, any unencumbered authorization balance shall revert. In no case shall
17 this Section empower the Appeals Board to allow for the expenditure of funds for uses other than for the
18 funds authorized purpose(s). The Controller General shall notify the Co-Chairs of the Joint Legislative
19 Committee on the Capital Improvement Program of any decisions of the Appeals Board.

20 (b) The use of Minor Capital Improvement and Equipment funds in order to ensure completion of a
21 Major Capital Improvement project involving construction of a new facility is prohibited unless the use of
22 such funds are necessary due to a legal settlement or emergency or unforeseen conditions as determined by
23 the Director of the Office of Management and Budget, the Controller General and the Co-Chairs of the Joint
24 Legislative Committee on the Capital Improvement Program.

25 (c) A quarterly status report shall be submitted to the Controller General on all incomplete projects.

1 (d) No project's budget should be increased beyond what is appropriated in any Bond and Capital
2 Improvements Act, either with special funds or private funds, unless the use of those funds is approved by
3 the appropriate cabinet secretary, the Director of the Office of Management and Budget, the Controller
4 General and the Co-Chairs of the Joint Legislative Committee on the Capital Improvement Program.

5 Section 19. Judicial Construction Oversight. It is the intent of the General Assembly that a nine-
6 member Executive Committee be created to oversee construction of new or major renovation of judicial
7 facilities. The Executive Committee shall include two members of the Legislature appointed by the Co-
8 Chairs of the Joint Legislative Committee on the Capital Improvement Program; the respective Chairs of
9 the House and Senate Judiciary Committees; two members of the Judiciary as appointed by the Chief
10 Justice; and three members of the Executive Department to include the Director of Facilities Management,
11 the Director of the Office of Management and Budget and their designee. The Executive Committee shall
12 work in conformation with existing construction oversight guidelines as written in Section 17 of this Act.
13 The Executive Committee is hereby empowered to:

14 (a) Select appropriate professionals necessary to program, site, design, construct, furnish and equip
15 the facility;

16 (b) Provide such oversight to ensure that the final facility provides optimal security and
17 incorporates maximum operational efficiencies both within the Judiciary and in conjunction with other
18 criminal justice agencies;

19 (c) Ensure that new construction and/or renovations are completed on schedule; and

20 (d) Ensure that the cost of new construction and/or renovations does not exceed the authorized
21 budget.

22 This section shall apply to the following projects: Kent County Courthouse/O'Brien Building;
23 Sussex County Family Court; Kent County Family Court and any Judicial construction or renovation
24 project requested by either the Judicial Branch or recommended by the Office of Management and Budget
25 for the Judicial Branch where the total project cost estimate exceeds \$10,000,000.

1 Section 20. Minor Capital Improvement and Equipment Supplement - Office of Management and
2 Budget. Notwithstanding the provisions of any other State law to the contrary, not more than \$250,000 may
3 be expended to enter into contractual agreements for project representatives and associated administrative
4 support to ensure adequate oversight of State construction projects. The Director of the Office of
5 Management and Budget is directed to provide an itemized budget for this amount to the Controller General
6 by August 1, of each fiscal year, and expenditure reports to the Controller General by December 1 and June
7 1 of each fiscal year.

8 Section 21. New Castle County Courthouse. Notwithstanding any law or local government
9 ordinance, resolution, or any deed restrictions to the contrary, the Director of the Office of Management and
10 Budget shall designate the name of any state-owned or state-operated courthouse or other judicial building
11 or facility in New Castle County purchased, constructed, or improved by funds appropriated pursuant to an
12 Act of the General Assembly and shall have the sole authority to approve or disapprove the placement of
13 any statues or memorials in or on the grounds of such courthouse or judicial building of facility.

14 Section 22. Belvedere State Service Center Project. Notwithstanding any State laws to the
15 contrary, funds received from tenants in the Belvedere State Service Center shall be used by the Office of
16 Management and Budget for the maintenance and operation of the center.

17 Section 23. Kent County Courthouse Construction. It is the intent of the General Assembly that
18 the Office of Management and Budget shall have the authority to develop and implement procedures and a
19 methodology to engage a Construction Manager at Risk for all phases of the Kent County Courthouse
20 Project including the construction of any required parking facilities. To enable the engagement of a
21 Construction Manager at Risk, all provisions of 29 Del. C. c. 69 are hereby waived with the exception of §
22 6960 related to prevailing wage.

23 Section 24. Kent County Courthouse Appropriation. The Section 1 Addendum to this Act contains
24 an appropriation of \$19,200,000. Of this amount, \$5,000,000 shall be used solely for the renovation of the
25 existing Kent County Courthouse.

1 Section 25. Sale of Surplus Property. Notwithstanding the provisions of any law to the contrary,
2 the Director of the Office of Management and Budget is authorized to solicit buyers, lessors or developers
3 and negotiate the sale, long or short-term lease, development or adaptation of the state-owned building and
4 parking lot, commonly known as the Bank of America Building and State Employee Workforce Education
5 and Training Center, located on the block bounded by French, 9th, 10th and Walnut Streets in Wilmington.
6 Net proceeds resulting from a sale, lease, development or reuse of the building and or parking lot shall be
7 deposited to the General Fund. The Director of the Office of Management and Budget must receive
8 approval from the Co-Chairs of the Joint Legislative Committee on the Capital Improvement Program prior
9 to executing an agreement of sale, lease, development or use of the building or parking lot for other than
10 state agencies. The Director of the Office of Management and Budget is authorized to solicit buyers,
11 lessors, developers and others who may enable the sale, development, lease, or reuse of the property
12 directly, use public advertisement, auction, reverse auction, sealed bids, or issue requests for information
13 and requests for proposals. During Fiscal Year 2011, the Director of the Office of Management and Budget
14 may identify additional state-owned real property that, with the concurrence of the co-chairs of the Joint
15 Legislative Committee on the Capital Improvement Program and the Controller General, may be sold,
16 leased or developed pursuant to the provisions of this section.

17 Section 26. Capital Parking. It is the intent of the General Assembly that the Office of
18 Management and Budget may use funds previously appropriated for Capital Parking/Security in the Section
19 1 Addendum to 75 Del. Laws, c. 98 for the construction of the Kent County Courthouse and for the
20 development and construction of parking required by the City of Dover to obtain a Certificate of Occupancy
21 for the expanded Kent County Courthouse. The Office of Management and Budget may expand the scope
22 of the contract for the construction of the Kent County Courthouse to include all required parking and may
23 use design/build project delivery methodology to expedite completion of a parking structure, garage or
24 other means to provide the required number of new parking spaces. The Office of Management and Budget
25 shall evaluate all state-owned sites in and around the Capital Complex for the development of Courthouse-
26 related parking, and may also enter into an agreement with the City of Dover to construct the required

1 parking on city-owned land if that option is found to be advantageous to both the city and state. All
2 provisions of 29 Del. C. c. 69 are hereby waived, with the exception of § 6960 related to prevailing wage
3 rates, for construction of parking associated with the Kent County Courthouse project.

4 Section 27. Card Access Security Systems. Notwithstanding the provisions of any law to the
5 contrary, the Office of Management and Budget, Department of Safety and Homeland Security, and the
6 Department of Technology and Information shall jointly develop and maintain specifications and standards
7 for card access security systems for all state facilities. Security system communications using state
8 infrastructure will observe enterprise standards and policies as defined by Department of Technology and
9 Information pursuant to 29 Del. C. c. 90C. The specifications and standards shall enable a single-card
10 security solution for all state-owned facilities, require the ability for concurrent central and local
11 administration of card access functions, and shall include a registry of approved card readers and associated
12 hardware required to implement card access security systems. It is the intent of this section to authorize
13 Office of Management and Budget, Department of Safety and Homeland Security and Department of
14 Technology and Information to jointly select a single supplier, manufacturer or technology of access cards
15 and security management software for use by all state agencies. The Office of Management and Budget,
16 Department of Safety and Homeland Security and Department of Technology and Information shall
17 develop procedures and standards required for the evaluation and approval of agency requests for new or
18 modified security systems of any type. Before a state agency may install a new security system or modify
19 an existing system, the agency shall obtain the approval of the Office of Management and Budget,
20 Department of Safety and Homeland Security and Department of Technology and Information.

1 **DELAWARE ECONOMIC DEVELOPMENT OFFICE**

2 Section 28. Composites Research. The Delaware Economic Development Office (DEDO) is
3 authorized to provide a match of up to \$100,000 to the University of Delaware Center for Composite
4 Materials for federal research grants received that support the development and application of composite
5 manufacturing technology for the benefit of Delaware companies. Such match shall be disbursed from the
6 Strategic Fund upon documentation of the receipt of federal funds allocated to the Center during the fiscal
7 year for these purposes and upon documentation of the relevance of these research projects to Delaware
8 industries' needs and their participation within said projects.

9 Section 29. Delaware Industrial Park. DEDO is hereby prohibited from locating any operation that
10 involves the use of hazardous materials at the former Helix Synthesis Technologies site within the
11 Delaware Industrial Park. Hazardous materials are defined as any material of a gaseous, liquid or solid
12 form that has the potential to cause temporary or permanent harm to humans or the environment.

13 Section 30. Diamond State Port Corporation. The Section 1 Addendum to this Act contains an
14 appropriation of \$10,000,000 for the Diamond State Port Corporation. The expenditure of these funds shall
15 be subject to the review and approval of the Board of Directors of the Diamond State Port Corporation
16 (DSPC). In addition, the DSPC may borrow, on an interest-free basis, \$2,000,000 of this authorization to
17 meet its short term operating expenses during Fiscal Year 2011.

18 Section 31. Kalmar Nyckel. The scheduling of the Kalmar Nyckel by non-state entities shall
19 require the approval of the Riverfront Development Corporation. Further, the Riverfront Development
20 Corporation is encouraged to enter into negotiations with interested parties to review the disposition of
21 loans to the Kalmar Nyckel.

22 Section 32. Transportation Property Disposition. The proceeds from the future sale of parcels of
23 land the Department of Transportation acquired on Beech Street in the City of Wilmington and Delmarva
24 Properties located in the Wilmington Riverfront area shall be deposited to the Transportation Trust Fund.

25 Section 33. Council on Development Finance. If DEDO makes an award not in agreement with
26 the recommendations of the Council on Development Finance (CDF), the Director of DEDO shall notify

1 the co-chairs of the Joint Legislative Committee on Capital Improvements within 10 business days. The
2 notification shall include details of the actual award, the Council recommendations on the proposal, and a
3 justification for why DEDO did not follow the recommendations of the Council.

4 Section 34. New Markets Tax Credit Program. In the event that the Director of DEDO or the
5 Director of the Delaware State Housing Authority and the Secretary of Finance determine that it is
6 advisable to apply for participation in the New Markets Tax Credit Program under the U.S. Treasury
7 Department, the Director is authorized to form a business entity or organization to apply for and manage
8 this program on behalf of the State, as required by applicable federal legislation and regulations. Any such
9 application for said program shall be subject to the approval of the Co-Chairs of the Joint Legislative
10 Committee on the Capital Improvement Program and the Delaware State Clearinghouse Committee.
11 Should such application receive final approval by the U.S. Treasury Department or other federal
12 governmental entity charged with such authority, at least one public hearing shall be held for the purpose of
13 presenting the program, the availability of financial assistance and the selection process and the Director of
14 the Delaware State Housing Authority shall notify, by certified and regular mail, any state senators and
15 representatives in whose districts any development project may be located, upon the submission of a request
16 for financing and a decision to provide financing for such development pursuant to the New Market Tax
17 Credit Program. In addition, the Housing Director shall so notify the Chief Executive Office of any local
18 government in whose jurisdiction any development will be located.

19 Section 35. Kent County Levy Court Local Lodging Tax. Kent County Levy Court may issue up
20 to \$20,000,000 in general obligation bonds for the Dover Civic Center with the resulting debt service to be
21 paid from the annual operating revenues of the Center. Should the annual operating revenues of the Center
22 be insufficient at any time during the debt repayment period to cover principal and interest payments, the
23 Levy Court shall be authorized to impose, by duly enacted ordinance, a local lodging tax for any room or
24 rooms in a hotel, motel or tourist home, as defined in 30 Del. C. § 6101, in an amount sufficient to repay
25 any principal and interest deficits not covered by Center revenues for the period for which such deficiency
26 exists. The Levy Court, in consultation with the State Treasurer and Secretary of Finance, shall establish

1 the rate and duration of any necessary levy. The Levy Court’s authority to levy said hotel tax shall sunset
2 upon repayment of all principal and interest associated with the bond issuance.

3 Section 36. Fraunhofer Vaccine Development. The Section 1 Addendum to this Act appropriates
4 \$1,000,000 for Fraunhofer Vaccine Development. It is the intent of the General Assembly and the
5 Administration that said funds represent the last year of a five-year commitment by the State of Delaware
6 to leverage a 2:1 matching grant of \$10,000,000 from Fraunhofer USA. Further, up to one-third of the
7 aggregated state match shall be used to increase the capacity of Delaware farmers to participate in the
8 commercial raising of plants for the production of biopharmaceuticals.

9 Section 37. Emerging Technology Center. Notwithstanding any other law to the contrary, funds
10 appropriated to DEDO for the Emerging Technology Center, pursuant to 74 Del. Laws, c. 308 § 36(c),
11 shall be expended by DEDO for the purpose of operating the Delaware Emerging Technology Center
12 (“ETC”). Operating expenses may include, but are not limited to ETC software licensing agreements;
13 patent maintenance fees; Delaware sponsored ETC investor forums, businesses plan competitions and
14 conferences, marketing campaigns; and Intellectual Property Business Creation program implementation
15 initiatives.

16 Section 38. Strategic Fund. Notwithstanding any other law to the contrary, the funds appropriated
17 to DEDO for the establishment of the Technology-Based Seed Fund, 74 Del. Laws, c. 308 § 36(f), Venture
18 Capital Investment, 74 Del. Laws, c. 308 § 36(g) and the Technology-Based Seed Fund/ Phase II, 75 Del.
19 Laws, c. 353 § 40(e) shall be deposited by DEDO into the Strategic Fund for use in accordance with the
20 provisions of 29 Del. C. §§ 5027-5029 and regulations promulgated thereunder. Sections 74 Del. Laws, c.
21 308 § 36(f), and 75 Del. Laws, c. 353 § 40(e) are hereby stricken in their entirety. Available funds shall be
22 deposited into the Strategic Fund.

23 Section 39. Riverfront Development Corporation. (a) Funds appropriated for the Riverfront
24 Development Corporation shall be disbursed to a special fund to be known as the Riverfront Development
25 Corporation Fund hereinafter referred to as the Fund.

1 (b) The Fund shall be invested by the State Treasurer in securities consistent with the policies
2 established by the Cash Management Policy Board. All monies generated by the Fund shall be deposited
3 in the Fund.

4 (c) Funds appropriated to DEDO for the Riverfront Development Corporation of Delaware (RDC)
5 shall be expended only with the approval of the board of directors of the RDC. Funds may only be
6 expended for activities related to the redevelopment of the Brandywine and Christina riverfront areas,
7 including: planning and design studies; the acquisition, construction and improvement of real property;
8 environmental remediation; costs of operations and administration; conversion of the Bank One Center to
9 a conference center; debt service; and other expenses in furtherance of the mission of the RDC.

10 Section 40. Limited Investment for Financial Traction (LIFT) Initiative. Notwithstanding any
11 other law to the contrary, DEDO is hereby authorized to pay administrative fees associated with the LIFT
12 Initiative from the Strategic Fund not to exceed two percent of the program total.

1 **DELAWARE STATE HOUSING AUTHORITY**

2 Section 41. Housing Preservation. The Section 1 Addendum to this Act appropriates \$4,500,000
3 for Housing Development Fund - Preservation (10-08-01). It is the intent of the General Assembly and the
4 Administration that said funds are to be used to leverage other funding sources, such as Low Income
5 Housing Tax Credits (LIHTC) and tax-exempt bonds to help renovate and improve existing federally
6 subsidized housing stocks in Delaware. The renovations may secure \$63,000,000 in federal Housing
7 Assistance Payment (HAP) rental subsidy funds over the next 30 years. The Director of the Delaware State
8 Housing Authority shall report to the Controller General and the Director of the Office of Management and
9 Budget no later than April 30, 2011 on the expenditure of the Housing Development Fund - Preservation
10 funds appropriated in Section 1 Addendum to this Act. Said report shall also include the amount and
11 expenditure of any non-state funds received by the State for said Housing Preservation projects.

1 **DEPARTMENT OF TECHNOLOGY AND INFORMATION**

2 Section 42. Data Center Projects. In no instance shall any information technology data center
3 project be initiated by a department/agency during this fiscal year until a formalized plan has been approved
4 by the department/agency head, Director of the Office of Management and Budget and the State Chief
5 Information Officer. This includes, but is not limited to, relocating, renovating and/or constructing new
6 information technology data centers.

1 **DEPARTMENT OF STATE**

2 Section 43. North Wilmington Library. Funds authorized in the Section 1 Addendum of 70 Del.
3 Laws, c. 210 shall be used to plan and construct a library within the First Senate District.

4 Section 44. Delaware River Main Channel Dredging. It is the intent of the General Assembly that
5 any future appropriation of State funds for the main channel dredging of the Delaware River shall be
6 contingent upon the following:

7 1) A written agreement between the Army Corps of Engineers and the Department of Natural
8 Resources and Environmental Control dealing with the potential use of dredge spoils for
9 Delaware beach preservation and habitat protection.

10 2) The Corps of Engineers shall meet all necessary DNREC permitting requirements.

11 Section 45. Museum Maintenance. The Section 1 Addendum to this Act appropriates \$350,000 to
12 the Department of State for museum maintenance. It is the intent of the General Assembly that these funds
13 be retained by the Department of State, Division of Historical and Cultural Affairs for use with the
14 operations of State museums or for immediate, unscheduled repairs to those facilities under the control of
15 the Division of Historical and Cultural Affairs.

16 Section 46. Library Construction. Proposals submitted by the Department of State to the Office of
17 Management and Budget under 29 Del. C. § 6604A shall include a statement as to whether or not each of
18 the libraries have the required 50 percent non-state share match as defined in 29 Del. C. § 6602A(2).

19 Section 47. City of Dover Library. The Section 1 Addendum to 76 Del. Laws, c. 288 appropriates
20 \$4,000,000 to the Department of State for the City of Dover Library. The City may proceed with
21 construction using local funds and any State assistance may be applied retroactively to costs incurred after
22 the date that such library construction was certified by the Division of Libraries and the Delaware Council
23 on Libraries.

24 Section 48. Stabilization Endowment for the Arts. It is the intent of the General Assembly that
25 previously appropriated funds from the Department of State to the Stabilization Endowment for the Arts

- 1 may be used to fund operating expenses pursuant to appropriate controls and procedures adopted by the
- 2 Board of the Arts Consortium of Delaware and upon concurrence of the Division of Arts.

1 **DEPARTMENT OF FINANCE**

2 Section 49. Bond Proceeds Reimbursement. Unless not permitted by the Internal Revenue Code of
3 1986, as amended (the “Code”), whenever the General Assembly authorizes the issuance of the State’s
4 General Obligation bonds or the Delaware Transportation Authority’s (the Authority) revenue bonds to
5 finance the costs of specific capital projects, it is the intent of the General Assembly that the interest on
6 such bonds shall not be included in gross income for federal income tax purposes under Section 103 of the
7 Code, and the United States Treasury Regulations (the “Regulations”) thereunder as they may be
8 promulgated from time to time, or shall be qualified as Build America Bonds pursuant to the Code and the
9 Regulation. Pursuant to the State's budget and financial policies, other than unexpected situations where
10 surplus revenues render bond financing unnecessary or undesirable, no funds other than the proceeds of
11 such bonds, are or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set
12 aside by the State to pay the costs of such specific capital projects. Pursuant to the Authority’s budget and
13 financial policies, it is expected that approximately 50 percent of the costs of its capital projects shall be
14 funded on a long-term basis from the proceeds of such bonds. However, after the authorization of such
15 bonds but prior to their issuance, non-bond funds from the State’s General Fund or the Authority’s
16 Transportation Trust fund or other funds may be advanced on a temporary basis to pay a portion of the costs
17 of such specific capital projects. In that event, it is expected that these non-bond funds will be reimbursed
18 from the proceeds of such bonds when they are issued. This reimbursement may cause a portion of such
19 bonds to become reimbursement bonds within the meaning of Section 1.150-2 of the Regulations. Under
20 those Regulations, to preserve the exclusion of the interest on such bonds from gross income for federal
21 income tax purposes, it may be necessary to make a declaration of official intent. The Secretary of Finance
22 is hereby designated as the appropriate representative of the State and the Secretary of Transportation is
23 hereby designated as the appropriate representative of the Authority, and each is authorized to declare
24 official intent on behalf of the State or the Authority, as the case may be, within the meaning of Section
25 1.150-2 of the Regulations, whenever and to the extent that such declaration is required to preserve such tax
26 treatment.

1 Section 50. Qualified Zone Academy Bonds. A portion of the General Obligation bonds
2 authorized under this Act for a school construction project may be issued in the form of Qualified Zone
3 Academy Bonds (QZABs) within the meaning of the Code and the Regulations. Such portion shall be
4 equal to the maximum amount of QZABs which may be issued under the Code and the Regulations. The
5 Secretary of Finance is hereby authorized to determine the terms and conditions of the QZABs and the
6 eligible public school project financed by the QZABs, and the manner by which QZABs shall be awarded
7 to the purchasers thereof, including private negotiated sale, notwithstanding anything to the contrary
8 contained in 29 Del. C. c. 74; provided that the requirements of 29 Del. C. § 7422 must be observed.

9 Section 51. Qualified School Construction Bonds; Build America Bonds; and Amortization
10 Requirements. A portion of the General Obligation bonds authorized under this Act or any previous
11 authorization act may be issued in the form of Qualified School Construction Bonds (QSCBs), Build
12 America Bonds (BABs), or any other bonds permitted by the federal American Recovery and Reinvestment
13 Act of 2009 (the ARRA) or by the Code. The QSCBs may be issued in a principal amount not exceeding
14 the maximum amount of QSCBs which may be issued under the Code and the Regulations and are hereby
15 authorized as part of the General Obligation bonds authorized under 29 Del. C. § 7422(b). Notwithstanding
16 anything to the contrary contained in 29 Del. C. 74, the Secretary of Finance is hereby authorized to
17 determine the terms and conditions of the QSCBs, the BABs and any other bonds permitted by ARRA, or
18 any bonds issued in Connection with the QSCBs or BABs, and the manner by which they shall be awarded
19 to the purchasers thereof, including private negotiated sale. Any bonds authorized in this Act or any
20 previous authorization act may be issued during Fiscal Year 2010 or Fiscal Year 2011, and may be subject
21 to any amortization requirements as shall be determined by the issuing officers notwithstanding anything to
22 the contrary contained in Section 7406(b) of Title 29.

23 Section 52. Amendment of 29 Del. C. 74 - Negotiated and Public Sale. Section 7406(a) of Title 29
24 is hereby amended by deleting the parenthetical phrase therein which reads “(which may be a private
25 negotiated sale only if any of the bonds of a series of bonds or all the bonds to be sold are capital

- 1 appreciation bonds)", and substituting the following parenthetical phrase "(which may be a public or private
- 2 negotiated sale at a price above or below par)."

1 **DEPARTMENT OF CORRECTION**

2 Section 53. Prison Construction. (a) The Director of the Office of Management and Budget, as
3 provided through construction management services, shall consult with the Commissioner of Correction to
4 ensure expedient programming, planning and construction of authorized correctional facilities. None of
5 the funds authorized herein or in prior fiscal years are intended to supplant federal funds.

6 (b) Use of any federal grant funds awarded and approved by the Delaware State Clearinghouse
7 Committee for the purpose of constructing correctional facilities shall have the technical oversight of the
8 Director of the Office of Management and Budget as defined in the appropriate Section of this Act
9 pertaining to management of the construction to ensure proper use and timely completion of all such
10 construction projects authorized herein.

11 Section 54. Community Restoration. The Department of Correction may, to the extent resources
12 and appropriately classified offenders are available, direct these offenders to assist with community
13 restoration projects. These projects may include beautification, clean up and restoration efforts requested
14 by civic, governmental and fraternal organizations approved by the Commissioner.

15 Section 55. Maintenance and Restoration. The Section 1 Addendum to this Act appropriates
16 \$3,135,400 to the Department of Correction for Maintenance and Restoration projects. The Department
17 must submit a bi-annual report to the Director of the Office of Management and Budget and the Controller
18 General, detailing the expenditure of such funds and the respective projects. The Department shall submit a
19 preliminary plan to the Director of the Office of Management and Budget and Controller General for
20 maintenance projects for the following fiscal year by October 31.

1 **DEPARTMENT OF NATURAL RESOURCES AND ENVIRONMENTAL CONTROL**

2 Section 56. Beach Preservation. The General Assembly hereby appropriates \$1,000,000 to the
3 Department of Natural Resources and Environmental Control (DNREC) in the Section 1 Addendum to this
4 Act to renourish and preserve the State's beaches. The Department may not encumber the funds
5 appropriated herein for privately-owned beaches.

6 Section 57. Conservation Cost-Sharing Program. The Section 1 Addendum to this Act
7 appropriates \$1,500,000 to DNREC for the Conservation Cost-Sharing Program. These cost share funds
8 are to be used to implement conservation practices that improve water quality on lands covered by nutrient
9 management plans in areas of the State where Tributary Action Teams have submitted Pollution Control
10 Strategies to the Department, which the Department has accepted. Of the total request, 50 percent will be
11 divided equally among the three counties to expand their programs. The remaining balance will be
12 directed towards nutrient management efforts statewide as determined by the Secretary.

13 Section 58. DNREC Land Acquisition. Except for land acquired by approval of the Open Space
14 Council or approved through a Bond and Capital Improvements Act, land shall not be purchased by the
15 Department of Natural Resources and Environmental Control without prior approval of the Co-Chairs of
16 the Joint Legislative Committee on the Capital Improvement Program provided, however, that the
17 Department is not prohibited from conducting studies, surveys or other contractual arrangements that
18 would normally precede land acquisition procedures.

19 Section 59. Open Space Match Requirements. Notwithstanding the provisions of 29 Del. C.
20 § 6102A(c) (2), upon written request by the Open Space Council and notification of the Secretary of
21 Finance, the Co-Chairs of the Joint Legislative Committee on Capital Improvements are hereby
22 empowered to waive on a case-by-case basis the match requirements for a specific Open Space land
23 purchase if it can be demonstrated that meeting said match requirements would prevent the timely
24 purchase of said parcel.

25 Section 60. Army Corps of Engineers Project Cooperation Agreements. By using funds approved
26 by Bond and Capital Improvements Acts, the Secretary of DNREC is authorized to sign Project

1 Cooperation Agreements with the Department of the Army and other appropriate sponsors for planning,
2 construction, operation and maintenance for projects entered into by said Agreements.

3 Section 61. Indian River Marina. In accordance with the provisions of 73 Del. Laws, c. 350, § 70,
4 DNREC under the direction of the Director of the Office of Management and Budget may utilize up to
5 \$9,900,000 in funds from the Twenty-First Century Fund for the Parks Endowment Account as established
6 in 29 Del. C. § 6102A(e), for the purpose of revitalizing and enhancing public amenities within the
7 Delaware Seashore State Park in and around the Indian River Marina Complex and related support facilities
8 as presented to the Joint Legislative Committee on Capital Improvements on May 15, 2002. DNREC will
9 repay both the principal borrowed and interest on the principal borrowed equal to that interest lost as a
10 result of borrowing from the Account. Repayment shall not exceed twenty years.

11 Section 62. Newark Reservoir. Of the funds allocated from the Twenty-First Century
12 Water/Wastewater Management Account in 72 Del. Laws, c. 258 and c. 489, \$3,400,000 has been set aside
13 for the Newark Reservoir Project. If the City of Newark annexes the property referred to as New Castle
14 County Tax Parcel #08-059.20-002, the City must repay to the State those monies appropriated in the Fiscal
15 Year 2000 and 2001 Bond and Capital Improvements Acts for said project.

16 Section 63. Seventh Street Marina. It is the intent of the General Assembly to classify the Seventh
17 Street Marina, located on East Seventh Street, being Tax Parcel # 26.044.00.0013 containing 7.86 acres of
18 land (of which 5.27 acres, more or less, is above the high water line) as existing marina for purposes of the
19 State of Delaware Marina Regulations, adopted on March 29, 1990 and amended on February 22, 1993.
20 Such classification does not exempt any person seeking to make physical improvements to the marina from
21 permit application fees pursuant to 7 Del. C. c. 66 and 72.

22 Section 64. Assawoman Canal Dredging. It is the express finding of the General Assembly that
23 the benefits of dredging and maintaining the Assawoman Canal exceed the costs of such project and the
24 Secretary of DNREC is hereby directed to initiate all necessary actions to dredge the Canal pursuant to all
25 terms and conditions provided for in the state and federal permits issued for the project and initially
26 authorized by Secretary's Order 2004-W-0047 dated August 12, 2004.

1 Section 65. Waterway Management. DNREC is directed to provide dedicated, comprehensive
2 waterway management for state waters. DNREC will: maintain design depths and mark navigational
3 channels of the State that are not maintained and marked by any entity of the federal government; remove
4 nuisance macroalgae; remove abandoned vessels; remove derelict structures, trees and other debris that
5 threatens safe navigation; and perform any other waterway management services that may be identified to
6 preserve, maintain and enhance recreational use of the State’s tidal waters, as well as improve
7 environmental conditions as warranted or directed by the Governor or Secretary of DNREC. DNREC is
8 further directed to undertake a study of the sediment sources and patterns of sediment movement that results
9 in deposition within State waterways to determine if there are methods to reduce the dependency on
10 dredging to remove deposited sediments.

11 Section 66. Clean Water Funding Leverage. DNREC under advisement from the Clean Water
12 Advisory Council is encouraged to evaluate the potential leveraging of the Water Pollution Control
13 Revolving Fund and/or the Twenty-First Century Fund Wastewater Management Account. This evaluation
14 is based on the recommendation of the Dialogue on Financing Wastewater and Stormwater Infrastructure
15 report sponsored by the Delaware Public Policy Institute, Office of the Governor, Office of the Lt.
16 Governor, DNREC and the Clean Water Advisory Council.

17 Section 67. Conservation Districts. It is the intent of the General Assembly that the Division of
18 Soil and Water Conservation of DNREC and the Conservation District as established by 7 Del. C. c. 39
19 shall have the authority to transfer Twenty-First Century Funds among projects that are located within their
20 respective districts. Projects into which funds are transferred shall have their full non-Twenty-First Century
21 funding in place before any such transfer can occur and in no case shall any project from which funds are
22 taken be dropped from the project list for construction when funds become available. The Division of Soil
23 and Water Conservation of DNREC shall report a list of completed transfers to the Controller General and
24 the Director of the Office and Management and Budget on December 15, 2010 and May 15, 2011.

25 Section 68. Yard Waste Drop Sites. It is the intent of the General Assembly that all yard waste
26 drops sites in New Castle County remain operational unless otherwise directed by the General Assembly.

- 1 The Department shall relocate the yard waste disposal site currently located at the Cauffiel Estate to a new
- 2 location suitable for residents within the surrounding area.

1 **DEPARTMENT OF TRANSPORTATION**

2 Section 69. General Provisions. The Department of Transportation (Department) is hereby
3 authorized and directed to use all its designated powers and resources to carry out the following legislative
4 mandates:

5 (a) Transportation Trust Fund Authorizations. Sums not to exceed \$446,958,500 (State:
6 \$133,809,500; Federal: \$295,729,000; Other: \$ 17,420,000) are authorized to be withdrawn
7 from the Transportation Trust Fund to carry out the projects and programs as set forth in the
8 Section 1 Addendum of this Act.

9 (b) New Transportation Trust Fund Debt Authorizations. To fund a portion of the projects
10 authorized herein, the Delaware Transportation Authority is hereby authorized to issue
11 bonds in an amount not to exceed \$125,626,000 pursuant to the provisions of 2 Del. C. c. 13
12 and 14, of which not more than \$117,445,000 plus premium shall be used for purposes set
13 forth in the Section 1 Addendum of this Act with the remainder, not to exceed \$8,181,000 to
14 be used to fund issuance costs and necessary reserves for the Reserve Account.

15 Section 70. Maintenance and Operations Facilities. Building structures and facilities constructed,
16 or to be constructed, within the Department of Transportation's operating right of way that facilitate
17 maintaining the highway system and are used to assist in the operational and maintenance activities for all
18 roads, shall not be subject to zoning, subdivision, or building code ordinances or regulations by any
19 political subdivision of the State. Types of structures may include; equipment sheds, crew quarters,
20 equipment maintenance, equipment washing, material storage sheds (i.e. salt, sand and other bulk
21 materials), fuel centers, and other maintenance structures required to maintain the highway system such as
22 security (cameras and fences) including necessary maintenance and replacement items such as upgrades to
23 existing facilities. The Department shall not construct any such facility or make improvements in any such
24 existing facility without first conducting a public workshop to describe such plans and gather public input
25 into the effect of such plans.

26 Section 71. Transportation Enhancements. (a) It is the intent of the General Assembly that the

1 Department provide notice to all State agencies, political sub-divisions within the State, and other parties of
2 the availability of, and rules governing, the Transportation Enhancements program. Such notice shall
3 include, but not be limited to, the definitions of eligible projects, the requirements for matching funds, and
4 such other requirements as may be necessary to insure that any interested entity may work to become a
5 participating recipient under the program. For new projects, the Department of Transportation is directed to
6 submit a detailed list of all projects funded within the Transportation Enhancement Program to the Office of
7 Management and Budget and Office of the Controller General on an annual basis. The State funding for
8 this program shall be limited to the required 20 percent match of the related Federal Authorization. The
9 projects funded by this program shall be limited to the allowable categories as outlined by the Federal
10 Highway Administration. Any deviation from this process must be approved by the Office of Management
11 and Budget, Office of the Controller General and Co-Chairs of the Joint Committee on Capital
12 Improvements.

13 (b) Upon the award of Transportation Enhancement Program funds and prior to the allocation of
14 funding for any Transportation Enhancement project, the Department of Transportation shall notify the
15 respective senators and representatives in which said project shall be located.

16 Section 72. Grants and Allocations. The Section 1 Addendum of this Act appropriates the sum
17 of \$12,375,000 (State) for projects within the Grants and Allocations classification. The General Assembly
18 further defines its intent with respect to those appropriations as follows:

19 (a) The sum of \$8,375,000 (State) shall be used for the Community Transportation Fund, in
20 accordance with the rules and regulations as adopted by the Joint Legislative Committee on
21 the Capital Improvements Program, as amended from time to time.

22 (b) The sum of \$4,000,000 (State) shall be used for the Municipal Street Aid program, pursuant
23 to the provisions of 30 Del. C. § 51.

24 Section 73. 5310 Program. The Delaware Transit Corporation is authorized to expend up to
25 \$1,521,000 (\$1,097,400 State; \$423,600 Federal) from the Transit System classification (73/00)
26 appropriated in this Act for the 5310 Program, administered by the Federal Transit Authority.

1 Section 74. DelDOT Work Impacts on Private Property and its Owners. When the Department

2 and/or any of its contractors determines that it would be in the best interests of the State to undertake
3 construction/reconstruction work past 9:00 p.m. or before 7:00 a.m., and such work is to be conducted
4 immediately adjacent to a residential neighborhood.

5 (a) The Department shall first ensure that residents of the neighborhood are notified in a timely
6 fashion of the Department's desire to undertake such work. It must explain the benefits and costs to the
7 State and the neighborhood of working under regular hours and the proposed extended hour schedule. Such
8 notification shall include a description of the proposed work to be conducted, the proposed use of any
9 equipment that may cause noise, vibration or odor disruptions to the neighborhood, and an estimate of the
10 time required to complete the project. The Department may proceed with its extended hours of work if it
11 does not receive a significant number of objections from the notified residents. Pursuant to the provisions
12 of the Delaware Code, it shall offer temporary relocation to any residents who request such relocation.

13 (b) The Department may proceed with its extended hours of work so long as jack hammering or
14 other high noise activities do not impose an excessive nuisance to residents within the designated work
15 zone.

16 (c) If the Department determines that the proposed work (regardless of its scheduled time) will
17 produce noise that exceeds the applicable noise ordinances of the appropriate jurisdiction, the Department
18 shall ensure that it seeks and receives a waiver from that jurisdiction before commencing the work.

19 (d) If the Department determines that the proposed work may cause any vibration or other
20 damage to neighboring property, it shall complete a pre-work survey of the potentially affected properties to
21 determine the base-line condition of those properties. It shall monitor the properties during construction to
22 insure that any vibration or other damage is minimized. If any damage does occur, the Department must
23 reimburse the private property owners pursuant to the provisions of the Delaware Code. The Secretary of
24 the Department may waive the provisions of this section if he/she determines that any such work is
25 necessary in order to respond effectively to an emergency caused by a natural disaster, an accident, or a
26 failure of a transportation investment.

1 Section 75. McMullen Farm. The General Assembly has previously authorized the Department
2 to enter into contracts with the owners of property located in Bear, Delaware known as the McMullen Farm
3 in order to promote improved transportation access and circulation, to promote healthy economic growth,
4 and to preserve and enhance critical open space. The Department is authorized to continue its negotiations
5 for the improvements to Routes 7 and 40, to the system of roads connecting to these arteries, and to the
6 lands adjacent between the bounds of Route 273 and Route 40, Route 1 and Salem Church Road. All
7 previous authorizations to the Department, and other affected State agencies, shall remain in force and
8 effect, and the Secretary of the Department shall report to the Governor and the General Assembly on
9 progress toward the completion of the transportation improvements, development of the excess lands, and
10 creation and improvement of the community parkland no later than May 1, 2011.

11 Section 76. Indian River Inlet Bridge. State funds authorized in this and previous Acts of the
12 General Assembly for the design and construction of a new bridge at the Indian River Inlet and the
13 construction of new park amenities, access and circulation roads, and other transportation and recreation
14 improvements shall be used, to the maximum extent possible, to match federal funds previously available,
15 or to become available in the future. In keeping with the strong sense of community involvement and sense
16 of ownership, the Department shall continue to provide periodic progress updates through such media as it
17 determines to best address the community's needs. And finally, because in order to accomplish this project
18 in an efficient and cost-effective manner, the Department and its contractors will have to occupy portions of
19 the State's adjacent campground and marina facilities, the General Assembly authorizes and directs the
20 Secretary of the Department to enter into reimbursement agreements with the Secretary of DNREC. Such
21 agreements will insure that during the period of construction of the bridge and other necessary
22 improvements, DNREC shall be equitably indemnified from the loss of critical tourist revenues, which are
23 necessary to fund the operations of all of the State's outdoor recreational facilities.

24 Section 77. City of Wilmington Beautification. In order to maintain the urban tree canopy
25 available in the City of Wilmington, the General Assembly authorizes and directs the Department to
26 establish, and maintain a program of tree maintenance and replacement in cooperation with the Delaware

1 Center for Horticulture (Center) and/or Urban Forestry in the Department of Agriculture. It is the intent of
2 the General Assembly that such program shall be funded exclusively by allocations made from time to time
3 by members of the General Assembly from their Community Transportation Funds. The Department shall
4 make payments to the Center and/or Urban Forestry in the Department of Agriculture for work
5 accomplished, and appropriately vouchered, from the CTF funds herein identified.

6 Section 78. Supplies of Road Materials. Section 109 of 74 Del. Laws, c. 308 is suspended until
7 such time as the Department of Transportation shall suggest its re-institution and such suspension has been
8 overridden by an Act of the General Assembly.

9 Section 79. System Capacity Preservation. The General Assembly hereby determines that it is in
10 the public interest to limit future residential, commercial, or industrial growth along certain portions of the
11 State's highway network. Such potential growth would produce unsafe driving conditions as increased
12 traffic seeks access to, and movements along, a number of local roads and collectors in critical locations
13 through the State. The General Assembly further determines that it would be infeasible or imprudent for
14 the Department to attempt to design and construct modifications to the State's highway network adjacent to
15 these locations because such improvements would irrevocably destroy the important scenic and historic
16 nature of the view sheds and other environmental attributes associated with these locations. Accordingly,
17 the Secretary of the Department of Transportation (Secretary) is authorized and directed to use State funds
18 appropriated to the Transportation Enhancements program authorized and funded in the Section 1
19 Addendum of 74 Del. Laws, c. 308, together with such other funds from any public or private source as
20 may be available and appropriate, to purchase land, or such rights in land, as the Secretary deems necessary
21 to protect the following properties, pursuant to the stipulations stated herein. Expenditures of these funds
22 for these purposes shall be with the review and approval of the Director of the Office of Management and
23 Budget and Controller General. The provisions of 17 Del. C. c. 1 and 29 Del. C. c. 93 and 95 shall govern
24 such purchases, and any other purchase by the Department authorized by this Act.

25 (a) Millcreek Farm (Yearsley) Property - Four parcels totaling approximately 35 +/- acres
26 adjacent to Mill Creek (SR 282) and Stoney Batter (SR 283) Roads in New Castle County. The Department

1 shall work with members of the surrounding community, plus State and local officials, to develop a master
2 plan for the permanent protection of the site as community recreation and open space, and upon satisfactory
3 completion of such plans, may transfer the parcel to New Castle County for a fee to be determined.

4 Section 80. Denny Road/Route 896 Alignment Completion. Upon completion and final inspection
5 of the Denny Road/Route 896 Realignment Project, the frontage property consisting of two parcels (0.93
6 and 0.929 acres) along Route 896, currently landscaped and maintained by the community of Meadow
7 Glen, shall revert back to the community which had owned said parcels prior to 1994. Notwithstanding the
8 provisions of 17 Del. C. § 137, the Department shall deed these parcels to the community and remain in
9 their possession in perpetuity.

10 Section 81. Port of Wilmington. Subject to the review and approval of the Board of Directors of
11 the Diamond State Port Corporation (DSPC):

12 (a) DSPC may make application to the Delaware River and Bay Authority (DRBA) for such
13 assistance in the acquisition and improvement of facilities at the Port as the Board of the DSPC deems
14 appropriate, in accordance with the Compact authorized under 17 Del. C. § 1701. For purposes of those
15 negotiations, any such project selected by the DSPC shall be construed to have been approved by the
16 General Assembly and Governor as required by law subject to the conditions that any such project shall be
17 subject to 29 Del. C. c. 69 and that such projects are subject to the approval of the Director of the Office of
18 Management and Budget, the Controller General and the Co-Chairs of the Joint Legislative Committee on
19 the Capital Improvement Program.

20 (b) DSPC is authorized to arrange for the lease of equipment from the State's master lease,
21 secured by the State's full faith and credit, in an amount not to exceed \$5,000,000 in the aggregate. The
22 expenditure of these funds and the terms of the lease shall be subject to the review and approval of the
23 Board of Directors of DSPC. A report of equipment leased including terms and amounts due shall be made
24 available to the Secretary of Finance, Director of the Office of Management and Budget and Controller
25 General annually.

1 (c) For purposes of restructuring the loan agreement dated November 30, 2001 between the DSPC
2 and the Transportation Trust Fund, the Secretary of the Department of Transportation is authorized and
3 directed to defer the fiscal year 2011 payments to be made by the DSPC and prepare a new amortization
4 schedule for full repayment.

5 Section 82. Wakefield Drive. The Department of Transportation shall be prohibited from
6 reopening Wakefield Drive in Newark through to Old Baltimore Pike.

7 Section 83. Community Transportation Funding Levels. The Department is directed to account for
8 the Community Transportation Program funds as cash which shall be equal to the amounts authorized in
9 Appendix A of this Act as well as previous Bond and Capital Improvements Acts. The funds authorized
10 within the Community Transportation program shall not be subject to reallocation by the Department under
11 any circumstances.

12 Section 84. Red Light Safety Enforcement. Pursuant to 73 Del. Laws, c. 350, § 92, the General
13 Assembly authorized and directed the Department of Transportation to engage in a 36-month pilot project,
14 in cooperation with Seaford, Dover, Newark, Elsmere, Wilmington, and the Delaware State Police, in
15 operating, maintaining and enforcing a civil video red light safety enforcement program. Pursuant to 75
16 Del. Laws, c. 353, § 113, the Department was further directed to evaluate and report on this program to the
17 Joint Legislative Committee on the Capital Improvement Program by no later than February 28, 2007,
18 under terms and conditions relating to extending the program through June 30, 2007, and including the
19 preparation and consideration of a program evaluation and report. Having received that evaluation and
20 report, the General Assembly directs that the program shall be permitted to continue in operation on an
21 open-ended basis, under the following conditions:

22 (1) The assessments collected as a result of the Department's administration of this pilot program
23 in unincorporated areas of the state shall be deposited into the Transportation Trust Fund
24 created under 2 Del. C. c. 14.

25 (2) Any enforcement location shall remain in place for not less than five years in order to obtain
26 useful statistical information about the suitability of the location in reducing angle crashes.

1 (3) The Department shall continue to use recognized safety and accident criteria in determining
2 whether and where to add any new enforcement locations to this program, and in any event
3 shall continue to confirm that any such new locations are not objected to by the incumbent state
4 Senator and Representative for the districts in which such locations are proposed.

5 (4) To assure integrity and propriety, no person involved in the administration or enforcement of
6 this program shall own any interest or equity in the vendor used by the Department to support
7 the administrative elements of the program. Any such person with an ownership or equity
8 interest in such vendor must divest from this ownership or investment no later than ninety days
9 after the effective date of this act. This restriction applies to anyone with either direct
10 involvement in administering or enforcing this program and those in any supervisory capacity
11 above such persons.

12 Section 85. Design-Build Contracts. The Department of Transportation is hereby authorized to
13 continue utilization of the design-build contract mechanism for a total of twelve transportation construction
14 projects (eight of which have been authorized). Design-build is a project delivery method under which a
15 project owner, having defined its initial expectations to a certain extent, executes a single contract for both
16 architectural/engineering services and construction. The selection processes and other terms of such
17 contracts may vary considerably from project to project. The design-build entity may be a single firm, a
18 consortium, joint venture, or other organization. However, the fundamental element of design-build
19 delivery remains that one entity assumes primary responsibility for design and construction of the project.

20 The Department of Transportation is authorized to continue the use of these experimental
21 approaches to completing its projects, subject to the following conditions:

22 (a) The contract terms shall include provisions to pay the prevailing wage rates determined by the
23 Department of Labor, as provided in 29 Del. C. § 6960, in conjunction with Federal prevailing
24 wage rates for such work;

25 (b) The following additional provisions of 29 Del. C. c. 69 shall also be incorporated into these
26 design-build contracts: § 6962(d)(4)a. (anti-pollution, conservation environmental measures); §

1 6962(d)(7) (equal employment opportunity assurances); and § 6962(d)(8)(performance bonding
2 requirements);

3 (c) Any such contracts shall conform to all applicable Federal laws and regulations concerning
4 design-build contracting, including but not limited to 23 C.F.R. Part 636, without regard to the
5 source of funds; and

6 (d) Any design-build contract for the construction of any transportation facility shall also be
7 subject to the provisions of 17 Del. C. c. 8 (construction payments held in trust for protection of
8 subcontractors and suppliers).

9 All other provisions of 29 Del. C. c. 69 shall not be applicable to these projects.

10 The Co-Chairs of the Joint Legislative Committee on the Capital Improvement Program and the
11 Director of the Office of Management and Budget shall approve all other projects subject to this section.

12 Section 86. New Development Road Widening. When planning and/or permitting additional road
13 widening directly related to new residential development, the Department of Transportation, Division of
14 Planning, shall make every attempt to require the necessary right-of-way land be acquired from the
15 developer owned land.

16 Section 87. W. L. Gore Site. In evaluating and recommending improvements to the transportation
17 system related to the development of what is known as the W.L. Gore site, located in New Castle County
18 and situated on the north side of Sunset Lake – east of SR896 and southeast of Old Cooch’s Bridge Road,
19 the department will make every effort to ensure that the improvements made facilitate and encourage traffic
20 to travel toward and use SR896 and to discourage additional use of Old Cooch’s Bridge road east of the
21 entrance to the W.L. Gore property. This is in recognition of the historic characteristics of Old Cooch’s
22 Bridge road in the vicinity of the intersection with Old Baltimore Pike.

23 Section 88. Route 301 Spur Road Segment. The General Assembly directs the Department to
24 implement the US 301 Corridor project in Phases, beginning with the US 301 mainline section.

25 Section 89. Astra Zeneca Project. The Department shall carry out property boundary adjustments
26 and easements for transit, bicycle and pedestrian, storm water management, wetlands and stream

- 1 restoration, beautification, historic preservation, conservation and other improvements in concert with
- 2 DNREC, DEDO, City of Wilmington, New Castle County, New Castle County Conservation District, and
- 3 such other public and private entities as may be necessary to accomplish timely completion of the Blue
- 4 Ball Master Plan.

1 **AGRICULTURE**

2 Section 90. Farmland Preservation. For the fiscal year ending June 30, 2011, county funds
3 committed to farmland preservation shall be spent to preserve farmland only in the respective counties
4 where the funds originate. Farms to be preserved shall be selected by the counties according to county
5 selection criteria from eligible farms as listed by the Aglands Preservation Foundation. All state-
6 appropriated funds for Fiscal Year 2011 shall be utilized by the Aglands Foundation to preserve eligible
7 farms statewide at its discretion in accordance with Aglands Foundation rules and policies.

FIRE PREVENTION COMMISSION

1
2 Section 91. Hydraulic Rescue Tools Replacement. It is the intent of the General Assembly that the
3 funds authorized in the Section 1 Addendum of this Act be used to reimburse the Fire School, Newark, Mill
4 Creek, Indian River, Lewes, Rehoboth Beach and Roxana fire companies. Upon submitting the receipt of
5 sale, each company will be reimbursed up to \$7,500 by the Fire Prevention Commission - State Fire School
6 (75-02-01).

NATIONAL GUARD

1
2 Section 92. Delaware National Guard. Notwithstanding 29 Del. C. c. 69 or any other statutory
3 provision to the contrary, the Delaware National Guard may use design/build project delivery methodology
4 for the purpose of constructing a wind turbine system at their Training Site in Bethany Beach. To enable
5 the pursuit of a design/build methodology to construct a wind turbine system, all provisions of 29 Del. C. c.
6 69 are hereby waived with the exception of § 6960 related to prevailing wage.

1 **UNIVERSITY OF DELAWARE**

2 Section 93. Chrysler Site. The Section 1 Addendum of this Act appropriates \$2,000,000 to the
3 University of Delaware, Chrysler Site. These funds shall be authorized for use by the University only upon
4 written approval by the Director of the Office of Management and Budget and the Controller General. The
5 intended use of the funds, as proposed in a written request from the University, is consistent with state
6 economic development and job creation strategies and policies and such use will be at the former Chrysler
7 manufacturing plant in Newark.

1 **DELAWARE TECHNICAL AND COMMUNITY COLLEGE**

2 Section 94. College-wide Asset Preservation Program. The Section 1 Addendum of this Act
3 provides funds for Delaware Technical and Community College (90-04-00) for the College-wide Asset
4 Preservation Program. This appropriation may be used for the acquisition of computer hardware and
5 software.

6 Section 95. Stanton Campus Expansion. Delaware Technical and Community College shall apply
7 for all permits and approvals required pursuant to any applicable provision of Titles 9 and 22 of the
8 Delaware Code, or any other ordinance, rule or regulation enacted pursuant thereto in connection with the
9 design and construction of the Stanton Campus Expansion (90-04-04); provided, nevertheless, that any such
10 permit or approval shall be granted within 45 days from the day upon which the college makes application
11 therefore. If any required permit or approval is not granted within 45 days as set forth above, the college
12 may commence construction and shall be immune from any legal action or liability for failing to obtain
13 such permit or approval.

1 **DEPARTMENT OF EDUCATION**

2 Section 96. School Building and Custodial Verification. By September 30 of each calendar year,
3 each school district shall notify the Department of Education of its intended use for each school building
4 and administrative office building. School districts shall notify the Department about changes in the use of
5 such buildings to include the sale of property, closing of a building, lease of property to another agency, and
6 additions and renovations. The Department of Education shall establish a standard reporting mechanism
7 that school districts shall utilize to gather and submit required information.

8 By October 30 of each calendar year, the Department of Education shall verify and reissue
9 custodial allocations to each school district based on the information obtained annually.

10 Section 97. Land Donation for School Construction. Any land donated to a school district with an
11 approved major capital improvement program shall be required to return to the State one-half of the State
12 share amount originally budgeted for land purchase costs. In such case, the district shall be entitled to keep
13 the remaining one-half State share amount, as well as the full local share amount in accordance with the
14 certificate of necessity.

15 Section 98. Minor Capital Improvements. It is the intent of the General Assembly that the sum of
16 \$3,947,400 allocated in the Section 1 Addendum to this Act be used for minor capital improvements to
17 school buildings in the following amounts. Districts must use the funds in the amounts below on projects
18 listed on the facility assessment website hosted by the Department of Education.

19 <u>School District</u>	20 <u>Maximum State Share</u>	21 <u>Maximum Local Share</u>	22 <u>Total Cost</u>

14 Section 99. Dickinson High School. Funding for the Red Clay School District including bond
15 authorizations for renovations of the John Dickinson High School and the transfer of major capital
16 construction funds shall be contingent upon the following:

- 17 1. The lighted football field at Dickinson High School may be used at night only for Dickinson home
18 games and Dickinson band practice; and
- 19 2. The District is required to maintain the fencing between Dickinson High School and the community
20 of Montclare, keep the gate between the properties locked at all times (except by mutual agreement
21 between the District and the Montclare Civic Association), and provide, maintain and replace, if
22 necessary, the Leland Cypress trees along the fence line bordering the homes on Salem Drive.

23 Section 100. Sterck School. The Section 1 Addendum to 76 Del. Laws, C. 288, appropriates
24 \$5,422,700, Section 1 Addendum of this Act appropriates \$15,442,700; Section 1 Addendum to 75 Del.
25 Laws, c. 98 appropriated \$2,700,000; Section 1 Addendum to 75 Del. Laws, c. 353 appropriated
26 \$8,000,000; and Section 1 Addendum to 76 Del. Laws, c. 79 appropriated \$10,000,000 to the Sterck

1 School. It is the intent of the General Assembly that the funding herein and previously appropriated to the
2 Sterck School shall be utilized solely for the planning, design and construction of the replacement facility.
3 Further, it is the intent of the General Assembly that the new Sterck School be constructed on State of
4 Delaware-owned land along Chestnut Hill Road (Tax Parcels 09-028.00-001, 09-028.00-002 and 09-
5 022.00-118).

6 Section 101. School Construction Fund Transfers. Notwithstanding any law or other provision to
7 the contrary, the Department of Education, with the approval of the Director of the Office of Management
8 and Budget and Controller General, may transfer funding between major capital construction projects
9 within the respective school districts. These transfers shall not authorize any changes in conditions or incur
10 any obligations in excess of the approved Certificate(s) of Necessity.

11 Section 102. School District Financial Reviews. It is the intent of the General Assembly that for
12 school districts receiving funds appropriated in the Section 1 Addendum to this Act, should a school district
13 financial position report as required under 14 Del. C. § 1507 demonstrate less than one month of carryover,
14 or if at any time during the course of the fiscal year a school district is projected to not be able to satisfy its
15 local payroll obligations, the Director of the Office of Management and Budget, in coordination with the
16 Secretary of Education and Controller General, is authorized to conduct a comprehensive review of the
17 school district's capital construction program.

18 Section 103. School Construction Contractual Documents. Effective January 1, 2007, all school
19 districts that receive State funds for major capital construction projects shall use standard bid and contract
20 documents developed by the Office of Management and Budget, Facilities Management. School districts
21 may enhance the standard bid and contract documents with additional contractual or project-specific
22 requirements as long as the enhancements do not diminish and are not in conflict with the provisions of the
23 standard documents. The Department of Education, in consultation with the Office of Management and
24 Budget, Facilities Management, shall approve any modifications or changes to the provisions of the
25 standard bid and contract documents before a school district may use or enhance the modified documents.

1 Section 104. Brandywine School District Space Consolidation and Grade Reconfiguration. The
2 Section 1 Addendum to 76 Del. Laws c. 79 appropriates \$1,600,000 to the Department of Education in
3 planning money for the renovation of Hanby Middle School in the Brandywine School District and further
4 authorized a local match share of \$1,066,700. In light of declining enrollment and to avoid increasing
5 operating costs, the District has decided to close the Hanby Middle School and has realigned the feeder
6 pattern for its remaining schools. The closure of the Hanby Middle School will allow the District to forego
7 the \$13,134,014 in state share and \$8,756,009 in local match share that would have been required to
8 renovate the school. In lieu of renovating the Hanby Middle School, the Brandywine School District is
9 hereby authorized to use the planning funds previously authorized to demolish the Hanby Middle School
10 and for other costs associated with the District’s Space Consolidation and Grade Reconfiguration Plan
11 approved by the Brandywine School District Board of Education on February 25, 2008. Approval is also
12 hereby given to construct the Brandywood Elementary School, approved on C.N. # 0631B, on the site of
13 Hanby Middle School and to complete the renovations of P.S du Pont, on C.N. # 0631C, as a Middle
14 School.

15 Notwithstanding any other state law or regulation to the contrary, the district is authorized to
16 transfer funds with the approval of the Director of the Office of Management and Budget and Controller
17 General across any of the approved Certificates of Necessity C.N. # 0631A-I to meet costs associated with
18 the transition to new grade configurations and to utilize such funds for expenses required to reconfigure
19 grade levels at Harlan Elementary School and Claymont Elementary School.

20 The Brandywine School District shall not be authorized to incur any obligation in excess of the
21 amounts listed on Certificates of Necessity #0631A-I.

22 Section 105. Bond Verification. All bonds issued, or herein before or herein authorized to be
23 issued, by the State are hereby determined to be within all debt and authorization limits of the State.

24 Section 106. Inconsistency. Insofar as the provisions of this Act are inconsistent with the
25 provisions of any general, special, or local laws, or parts thereof, the provisions of this Act shall be
26 controlling.

1 Section 107. Severability. If any section, part, phrase, or provision of this Act or the application
2 thereof be held invalid by any court of competent jurisdiction, such judgment shall be confined in its
3 operation to the section, part, phrase, provision, or application directly involved in the controversy in
4 which such judgment shall have been rendered and shall not affect or impair the validity of the remainder
5 of this Act or the application thereof.

6 Section 108. Effective Date. This Act shall take effect in accordance with the provisions of State
7 law.

SYNOPSIS

This Bill is the Fiscal Year 2011 Bond and Capital Improvements Act.

**Delaware Department of Transportation
FY2011 Capital Transportation Program
